APPROVAL:	approved by Shirley Moses
SUMMARY:	Interfund vouchers may be processed for less than $5.00.

Informational Circular Number 1279 prohibited the processing of interfund vouchers under $5.00. The cost of processing these documents has been reduced due to the implementation of the Interactive Internet Interfund System (SOKI3). Therefore, interfund vouchers for less than $5.00 may now be processed, either on SOKI3 or paper.
