

Rehabilitation Instructor

Job Code
4091F1

Job Title
Rehabilitation Instructor

Pay Grade
19

CONCEPT:

This is specialized instructional work in a vocational/rehabilitation training program of a state institution or agency. Work involves providing vocational instruction for one or more skilled trades or crafts. In some situations, work may be coordinated with academic instruction. Work is reviewed by evaluation of results of the instructional program.

TASKS

- Meets with officials and/or treatment team members to plan and organize vocational classes.
- Conducts vocational classes, individually or in groups, in barbering, shoemaking, needlework, homemaking, printing, tailoring, laundering, mechanics, woodworking, or other specified vocational skills.
- Provides one on one instruction and/or guidance as needed.
- Maintains accurate production records, quality control, develops adaptive fixtures, and assists with time studies.

LEVELS OF WORK

- Class Group consists of one class.

Minimum Requirements:

One year of experience providing or supervising the care of individuals in a hospital, mental health or mental retardation facility or in an independent or transitional living setting. Education may be substituted for experience as determined relevant by the agency.

Necessary Special Requirements:

Some positions require an approved drug test unless the incumbent is moving from one safety-sensitive position to another safety-sensitive position within the same agency performing substantially similar duties.
