INDEPENDENT AUDITOR'S REPORT

Board of Directors
McPherson Airport Authority
McPherson, Kansas 67460

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the McPherson Airport Authority, Kansas (Municipality), a Municipal Financial Reporting Entity, as of and for the year ended December 31, 2025 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Municipality as of December 31, 2025, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Municipality as of December 31, 2025, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the Municipality, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by the Municipality on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Municipality's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Municipality's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts, expenditures-actual and budget, schedule of regulatory basis receipts and disbursements-agency funds and schedules of regulatory basis receipts and expenditures-actual-related municipal entity (Schedules 1 and 2 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of McPherson Airport Authority, Kansas as of and for the year ended December 31, 2024 (not presented herein), and have issued our report thereon dated June 27, 2025, which contained an unmodified opinion on the basic financial statement. The 2024 basic financial statement and their accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link https://admin.ks.gov/offices/accounts-reports/local-government/municipal-services. The 2024 actual column (2024 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2025 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2024 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 basic financial statement. The 2024 comparative information was subjected to the auditing procedures applied in the audit of the 2024 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 basic financial statement or to the 2024 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2024 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2024, on the basis of accounting described in Note 1.

Total Cash	$ 206,222

MCPHERSON AIRPORT AUTHORITY

NOTES TO FINANCIAL STATEMENT

For the Year Ended December 31, 2025

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Municipal Financial Reporting Entity

The McPherson Airport Authority is a municipal corporation governed by a five-member board of directors. The financial statement presents the McPherson Airport Authority (the municipality). The Airport does not have any related municipal entities. The municipality was created July 8, 1998, through an interlocal cooperation agreement between the City of McPherson, Kansas and McPherson County, Kansas. The purpose of the municipality is for management and operation of the McPherson Airport.

(b) Regulatory Basis Fund Types

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project Fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Fund – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund, etc.).

Trust Fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Agency Fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (i.e. payroll clearing fund, county treasurer tax collection accounts, etc.).

(c) Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The Airport has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the Airport to use the regulatory basis of accounting.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

(d) Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the General Fund, Special Purpose Funds (unless specifically exempted by statute), Bond and Interest Funds and Business Funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1) Preparation of the budget for the succeeding calendar year on or before August 1st.
2) Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3) Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4) Adoption of the final budget on or before August 25th.

If the municipality is holding a revenue neutral rate hearing, the budget timeline for the public hearing is adjusted to no sooner than August 20th and no later than September 20th, but at least ten days after all statutory notifcation and publication requirements have been met. Municipal budgets requiring a hearing to exceed the revenue neutral rate should be adopted on or before October 1st but may not be adopted prior to the revenue neutral hearing. The municipality did not hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for 2025.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budget expenditure authority lapses at year end.

A legal operating budget is not required for Capital Project Funds, Agency Funds, Trust Funds and certain Special Purpose Funds as noted in the presentation of Schedule 2.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Compliance with Kansas Statutes

A budget violation did occur in the General Fund at December 31, 2025 contrary to K.S.A 79-2935.

There were outstanding checks over two years in the checking account. This is a violation of K.S.A. 10-815.

3. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the Airport. The statute requires banks eligible to hold the Airport's funds have a main or branch bank in the county in which the Airport is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Airport has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Airport's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Airport has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the Airport may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Airport's deposits may not be returned to it. State statutes require the Airport's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas Airport, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2025.

At December 31, 2025, the Airport's carrying amount of deposits was $191,492 and the bank balance was $195,513. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, $250,000 was covered by federal depository insurance and the remaining $54,387 was collateralized with securities held by the pledging financial institution's agents in the Airport's name.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the Airport will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

4. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Employee Benefits

Vacation – Vacation leave if not taken shall not accrue from year to year. No vacation leave shall be taken until a new employee has completed one year of continuous service.

Each permanent full-time employee will accrue vacation leave as follows:

Years of Service	Per Year
After 1 year	40 working hours
After 2 - 9 years	80 working hours
After 10+ years	120 working hours

Other employees shall not receive vacation leave.

5. OTHER RELATIONSHIPS

McPherson City/County Airport

The McPherson Airport Authority was established as provided for by applicable State Statutes. The property and business of the Airport is managed by its Board of Directors. The Board consists of five directors. Four directors are selected by the governing bodies of the City and County, two by the City and two by the County, and one at-large director is selected by the other four. Each entity provides ongoing financial responsibility through annual appropriations for the operation of the airport on an equal basis, as determined through the preparation of an annual operating budget. The City of McPherson levies property taxes for its allocation and McPherson County funding is provided from the County's General Fund.

5. OTHER RELATIONSHIPS (CONT.)

The Airport is authorized only to issue revenue bonds, notes or other evidence of indebtedness payable from airport revenues. Title to the airport property remains with the City and County as equal co-owners. Title to all real and personal property purchased with funds of the Airport will be acquired, held and disposed of in the name of the Airport unless otherwise required by law or by the terms of a gift or grant. The Airport may be dissolved by vote of at least two-thirds (2/3) of the respective governing body members of each owner. The Board of Directors of the Airport shall liquidate the assets of the Airport and distribute the assets of the Airport or the net proceeds thereof to the City and County in a manner to be determined by it pursuant to law. Full possession and use of the Airport shall revert to the owners as equal tenants in common upon termination of the

6. CLAIMS AND JUDGMENTS

The Airport participates in federal, state and county programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Airport may be required to reimburse the grantor government. As of the date of this report, the grant expenditures have not been audited, but the Airport believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the Airport.

The Airport is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injures to employees and natural disasters. The Airport has purchased commercial insurance for these potential risks. There have been no significant reductions in insurance coverage from 2024 to 2025 and there were no settlements that exceeded insurance coverage in the past three years.

During the ordinary course of its operations, the Airport is a party to various claims, legal actions and complaints. It is the opinion of the Airport's management and legal counsel that these matters are not anticipated to have a material impact on the Airport.

7. SUBSEQUENT EVENTS

Management has evaluated the effects on the financial statement of subsequent events occurring through the date of this report, which is the date at which the financial statement was available to be issued.
