Board of Education
El Dorado Unified School District No. 490
El Dorado, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **El Dorado Unified School District No. 490, El Dorado, Kansas**, as of and for the year ended **June 30, 2025**, and the related notes to the financial statement.

Adverse and Unmodified Opinions

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America
In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of **El Dorado Unified School District No. 490, El Dorado, Kansas**, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting
In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of **El Dorado Unified School District No. 490, El Dorado, Kansas**, as of **June 30, 2025**, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of the report. We are required to be independent of **El Dorado Unified School District No. 490, El Dorado, Kansas** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Board of Education
El Dorado Unified School District No. 490

Matter Giving Rise to Adverse Opinion on Accounting Principles Generally Accepted in the United State of America
As discussed in Note 1 of the financial statement, the financial statement is prepared by **El Dorado Unified School District No. 490, El Dorado, Kansas**, on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **El Dorado Unified School District No. 490, El Dorado, Kansas'** ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the **El Dorado Unified School District No. 490, El Dorado, Kansas'** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the **El Dorado Unified School District No. 490, El Dorado, Kansas'** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

EL DORADO UNIFIED SCHOOL DISTRICT NO. 490
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2025

Note 1 - Summary of Significant Accounting Policies:

Financial Reporting Entity

El Dorado Unified School District No. 490 is a municipal corporation established under State of Kansas statutes designed to meet educational requirements at the primary and secondary levels in and around El Dorado, Kansas. The District is governed by an elected seven-member Board of Education. The District's financial statement includes all funds over which the Board of Education exercises financial responsibility. Financial responsibility includes appointment of governing body members, designation of management, the ability to significantly influence operations and accountability for fiscal matters.

KMAAG Regulatory Basis of Presentation Fund Definitions:

General Fund-the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Funds-used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond & Interest Fund-used to account for the accumulation of resources, including tax levies, transfers from other funds and for payment of general long-term debt.

Agency Funds-funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Regulatory Basis of Accounting and Departure from Accounting Principles Generally accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of accounting principles generally accepted in the United States of America and allowing the District to use the regulatory basis of accounting.

Budget and Tax Cycle

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), and bond & interest funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the municipality is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no budget amendments for the year ended June 30, 2025.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital projects funds, trust funds, and the following special purpose funds:

Federal Funds	Gifts and Grants Fund
Contingency Reserve Fund	Textbook & Student Material Revolving Fund
District Activity Funds	

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Note 2 - Defined Benefit Pension Plan:

Plan description
The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions
K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate of 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 13.38% and 12.57%, respectively, for the fiscal year ended June 30, 2024. The actuarially determined employer contribution rate and the statutory contribution rate was 11.60% and 11.54% for the fiscal year ended June 30, 2025.

The 2015 Legislature passed and the Governor approved Senate Bill 228 authorizing the issuance of $1.0 billion in pension obligation bonds to fund a portion of the School-Group's unfunded actuarial liability. The bonds were successfully issued in August 2015 and the proceeds were transferred to the System.

The 2021 Legislature passed Senate Bill 2405, which authorizes the State of Kansas to issue pension obligation bonds, series 2021K, net proceeds of $500 million to fund a portion of the School-Group's unfunded actuarial liability. The bond proceeds were received by KPERS on August 26, 2021.

The 2022 Legislature passed Senate Bill 421, which authorized the State of Kansas to transfer $1.125 billion from the State General Fund directly to KPERS in Fiscal Years 2022 and 2024. The first $253.9 million paid off outstanding accounts receivable for KPERS-School employer contributions withheld in Fiscal Year 2017 and Fiscal Year 2019 while the remaining $871.1 million was applied to the KPERS-School unfunded actuarial liability. In Fiscal Year 2022, $600 million was transferred in May/June 2022.

In addition, Senate Bill 421 authorizes two additional transfers in Fiscal Year 2023 which totaled $271 million. The first transfer of $146.1 million was received on August 1, 2022. The second transfer of $125 million was received on December 1, 2022.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled $1,530,837 for the year ended June 30, 2025.

Net Pension Liability
At June 30, 2025, the District's proportionate share of the collective net pension liability reported by KPERS was $15,350,843. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2023, which was rolled forward to June 30, 2024. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2024. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

Note 3 - Reimbursed Expenditures:

The District records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under the KMAAG regulatory basis of accounting.

Note 4 - Compensated Absences:

All permanent full-time employees are eligible for vacation and/or sick leave benefits in varying annual amounts depending on position and length of service.

It is the policy of the District to record vacation and sick leave benefits as expenditures when paid.

Note 5 - Contingencies:

Grant Programs
The District participates in various federal and state grant programs. These grant programs are often subject to additional audits by agents of the granting agency, the purpose of which is to ensure compliance with the specific conditions of the grant. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

Risk Management
The District is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District carries commercial insurance for all risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

Note 6 - Litigation:

The District is a party to various claims, none of which is expected to have a material financial impact on the financial statement.

Note 7 - Deposits:

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices. The rating of the District's investments is noted above.

Concentration of credit risk. State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2025.

At June 30, 2025, the District's carrying amount of deposits was $21,081,089 and the bank balance was $22,769,822. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, $410,208 was covered by federal depository insurance and $22,359,614 was collateralized with securities held by the pledging financial institutions' agents in the District's name.

Note 8 - Post Employment Benefits:

As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in the financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Note 9 - Other Post Employment Benefits

Death and Disability Other Post Employment Benefits. As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended June 30, 2025.

Note 10 - Interfund Transactions:

Operating transfers in accordance with K.S.A. 72-5167 and K.S.A. 72-7143 were as follows:

The District is obligated to pay all custodial services and 50% of all utilities and maintenance.

Community Stadium

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Education
El Dorado Unified School District No. 490
El Dorado, Kansas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of **El Dorado Unified School District No. 490, El Dorado, Kansas**, as of and for the year ended **June 30, 2025**, and the related notes to the financial statement, which collectively comprise **El Dorado Unified School District No. 490, El Dorado, Kansas'** basic financial statement, and have issued our report thereon dated March 24, 2026. In our report, our opinion on the financial statement was unmodified based on the prescribed basis of accounting that demonstrates compliance with the *Kansas Municipal Audit and Accounting Guide* which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered **El Dorado Unified School District No. 490, El Dorado, Kansas'** internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of **El Dorado Unified School District No. 490, El Dorado, Kansas'** internal control. Accordingly, we do not express an opinion on the effectiveness of **El Dorado Unified School District No. 490, El Dorado, Kansas'** internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Education
El Dorado Unified School District No. 490

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether **El Dorado Unified School District No. 490, El Dorado, Kansas'** financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on **El Dorado Unified School District No. 490, El Dorado, Kansas'** compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards*, and the Uniform Guidance will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in aggregate, it would influence the judgment made by a reasonable user of the report on compliance about **El Dorado Unified School District No. 490, El Dorado, Kansas'** compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, *Government Auditing Standards,* and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding **El Dorado Unified School District No. 490, El Dorado, Kansas'** compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of **El Dorado Unified School District No. 490, El Dorado, Kansas'** internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of **El Dorado Unified School District No. 490, El Dorado, Kansas'** internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a major federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a major federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a major federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weakness or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance, Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the result of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
