INDEPENDENT AUDITOR'S REPORT

Board of Education Unified School District No. 467 Leoti, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash of Unified School District No. 467, as of and for the year ended June 30, 2021, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note A; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note A, the financial statement is prepared by Unified School District No. 467 on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note A and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Unified School District No. 467 as of June 30, 2021, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balances of Unified School District No. 467 as of June 30, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note A.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash (basic financial statement) as a whole. The summary of regulatory basis expenditures - actual and budget, individual fund schedules of regulatory basis receipts and expenditures, schedule of regulatory basis receipts, expenditures, and unencumbered cash - district activity funds, and summary of regulatory basis receipts and disbursements – agency funds (Schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note A.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of Unified School District No. 467 as of and for the year ended June 30, 2020 (not presented herein), and have issued our report thereon dated December 11, 2020, which contained an unmodified opinion on the basic financial statement. The 2020 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the of the Kansas Department of Administration at the following https://admin.ks.gov/offices/oar/municipal-services/municipal-audits. The 2020 actual column (2020 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures for the year ended June 30, 2021 (Schedule 2 as listed in the table of contents) is also presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2020 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 basic financial statement. The 2020 comparative information was subjected to the auditing procedures applied in the audit of the 2020 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2020 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended June 30, 2020, on the basis of accounting described in Note A.

NOTES TO THE FINANCIAL STATEMENT

June 30, 2021

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies applied in the preparation of the accompanying financial statement is presented to assist in understanding the District's financial statement. The financial statement, schedules, and notes are representations of the District's management, which is responsible for their integrity and objectivity.

1. Municipal Financial Reporting Entity

Unified School District No. 467 is a municipal corporation governed by an elected seven-member board. This financial statement presents only Unified School District No. 467 which has no related municipal entities.

2. Basis of Presentation - Fund Accounting

The accounts of the District are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the District for the year ended June 30, 2021:

REGULATORY BASIS FUND TYPES

<u>General funds</u> – the chief operating funds. Used to account for all resources except those required to be accounted for in another fund.

<u>Special Purpose funds</u> – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

<u>Bond and Interest funds</u> – used to account for the accumulation of resources (including tax levies and transfers from other funds) and payment of general long-term debt.

<u>Capital Project funds</u> – used to account for debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

<u>Agency funds</u> – used to report assets held by the municipal reporting entity in a purely custodial capacity (student organization funds, etc.).

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

4. Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general funds, special purpose funds (unless specifically exempted by statute), and bond and interest funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held, and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. Budgetary Information (Continued)

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which receipts are recognized when cash is received, and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for state and federal grant funds and the following special purpose funds:

Gifts and Grants Contingency Reserve Textbook and Student Material Revolving Finnup Foundation Arts Grant Elementary Lunch – Childs Estate District Activity Funds

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

5. <u>In-Substance Receipt in Transit</u>

The District received \$217,243 subsequent to June 30, 2021 and as required by K.S.A. 72-5135 and 72-5145 the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2021.

B. COMPLIANCE WITH KANSAS STATUTES

References made herein to the statutes are not intended as interpretations of law but are offered for consideration of the Director of Accounts and Reports, the State Department of Education, and legal representatives of the District.

The cash basis law provided by K.S.A. 10-1113 prohibits the creation of indebtedness in any fund in excess of monies available in that fund. Although certain special purpose grant funds overspent their cash balances, according to K.S.A. 12-1664 the District is not prohibited from financing the federal share of a local program from current funds if available.

C. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds to have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

C. DEPOSITS AND INVESTMENTS (CONTINUED)

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka.

At June 30, 2021, the District's carrying amount of deposits was \$2,842,950 and the bank balance was \$3,301,354. Of the bank balance, \$250,000 was covered by federal depository insurance and \$3,051,354 was collateralized with securities held by the pledging financial institutions' agents in the District's name.

D. CAPITAL PROJECTS

Capital project authorizations with approved change orders compared with cash disbursements and accounts payable from inception are as follows:

| | Project commitments authorized | Cash disbursements and accounts payable to date | Remaining financial commitment |
|-------------------|--------------------------------|---|--------------------------------------|
| Facility Upgrades | <u>\$ 1,344,912</u> | <u>\$ 793,996</u> | <u>\$ 550,916</u> |

E. DEFEASED BONDS

On October 25, 2016, the District issued \$2,900,000 in general obligation bonds with interest rates ranging from 2.00% to 3.00% to advance refund \$2,810,000 of outstanding 2009 Series bonds with interest rates ranging from 3.00% to 5.00%. The net proceeds of \$3,083,473 (after payments of \$38,000 in issuance costs, \$31,900 for underwriter's discount, \$1,215 rounding adjustment, and \$11,010 for insurance premiums) were deposited into an escrow account to provide for the future debt service payments of the 2009 Series bonds. As a result, the refunded portion of the 2009 Series bonds are considered to be defeased and the liability for those bonds has been removed from the long-term debt footnote (Note F).

The District advance refunded the callable portion of the 2009 Series bonds to reduce its total debt service payments over the next 13 years by \$207,917 and to obtain an economic gain (difference between the present values of the debt service payments on the old and new debt) of \$184,978.

F. LONG-TERM DEBT

Changes in long-term liabilities for the year ended June 30, 2021 were as follows:

G. OPERATING LEASES

The District entered into a six-year operating lease agreement for three copiers in July of 2017. Rental payments of \$7,000 are due annually with the first payment beginning in July of 2017. Rental payments for the current year totaled \$7,000.

The District entered into a five-year operating lease agreement for two copiers in June of 2017. Rental payments of \$1,473 are due annually with the first payment beginning in July of 2017. Rental payments for the current year totaled \$1,473.

The District entered into a five-year operating lease agreement for a 2019 Blue Bird Activity bus in January of 2018. Rental payments of \$21,829 are due annually with the first payment beginning in January of 2018. Rental payments for the current year totaled \$21,829.

The District entered into a five-year operating lease agreement for a Bobcat Skid Steer Loader in September 2018. Rental payments of \$6,000 are due annually with the first payment beginning in September 2018. Rental payments for the current year totaled \$6,000.

The District entered into a five-year operating lease agreement for a 2019 Blue Bird Activity bus in October 2018. Rental payments of \$27,533 are due annually with the first payment beginning in October 2018. Rental payments for the current year totaled \$27,533.

The following is a yearly schedule of future minimum rental payments under the operating leases through maturity:

I. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other post-employment benefits. As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in the financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Section 125 plan. The District offers a Section 125 flexible benefit plan to all eligible employees. It is used for medical insurance premiums, unreimbursed medical expenses, and qualified dependent care expenses. The plan is administered by a third-party administrator. The District withholds the amounts from the employee's paychecks and remits the withholdings to the plan administrator.

Death and disability other post-employment benefits. As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate was set at 1% for the year ended June 30, 2021.

Compensated absences. The District's policy is to recognize the costs of compensated absences when actually paid. District policies address vacation for employees on twelve-month contracts and sick leave for all employees. Employees on twelve-month contracts receive two weeks of vacation per year. All full-time employees receive thirteen to sixteen days of unclassified leave annually. Vacation may be accumulated to twice the employee's annual allotment and sick leave may be accumulated up to ninety days. Employees are paid a reduced rate for unused sick leave in excess of ninety days annually. Upon retirement, termination, or resignation, the District does not pay for any accumulated sick leave or personal leave.

J. DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description. The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org, by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603), or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate of 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 16.15% and 14.41%, respectively, for the fiscal year ended June 30, 2020. The actuarially determined employer contribution rate and the statutory contribution rate was 15.59% and 14.23% for the fiscal year ended June 30, 2021.

Senate Substitute for House Bill 2052 authorized the delay of \$64.1 million in fiscal year 2017 contributions. These contributions were set up as a long-term receivable. Payment is scheduled to be made in a series of twenty annual payments of \$6.4 million dollars per year beginning in fiscal year 2018. Senate Substitute for House Bill 2002 authorized the delay of \$194 million in fiscal year 2019 contributions. Payment is scheduled to be made in a series of twenty annual payments of \$19.4 million starting in fiscal year 2020.

House Substitute for Senate Bill 109 from the 2018 Legislative session provided for additional funding for the KPERS School Group. A payment of \$56 million was paid in fiscal year 2018. This bill also authorized a payment of \$82 million in fiscal year 2019. The 2019 legislative session authorized an additional fiscal year payment for the KPERS School Group, 2019 Senate Bill 9 authorized a payment of \$115 million for the KPERS School Group. House Substitute for Senate Bill 25 from the 2019 Legislative session authorized additional funding for the KPERS School Group in fiscal year 2020 of \$51 million.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$410,288 for the year ended June 30, 2021.

J. DEFINED BENEFIT PENSION PLAN (CONTINUED)

Net Pension Liability

At June 30, 2021, the District's proportionate share of the collective net pension liability reported by KPERS was \$4,327,295. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2019, which was rolled forward to June 30, 2020. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2020. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in the financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

K. RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; natural disasters, and medical needs of employees. The District has been unable to obtain workers compensation insurance at a cost it considered to be economically justifiable. For this reason, the District has joined together with other school districts in the State to participate in the Kansas Association of School Boards Workers Compensation Fund, a public entity risk pool currently operating as a common risk management and insurance program for participating members.

The District pays an annual premium to the Kansas Association of School Boards for its workers compensation insurance coverage. The agreement to participate provides that the Kansas Association of School Boards Workers Compensation fund will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$1,000,000 for each insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by the Kansas Association of School Boards management.

The District continues to carry commercial insurance for all other risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three years.

L. CONTINGENCIES

The District receives significant financial assistance from numerous Federal and State governmental agencies in the form of grants and pass-through aid. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and is subject to audit. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material effect on the financial statement of the District at June 30, 2021.

M. CORONAVIRUS (COVID-19)

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the District's financial condition, liquidity, and future result of operations. The District is actively monitoring the global and local situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the District is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2022.

N. SUBSEQUENT EVENTS

The District has evaluated events subsequent of year end through December 17, 2021 and does not believe any events have occurred which affect the financial statement as presented except for the ongoing concern regarding the novel strain of coronavirus (COVID-19) as discussed in Note M above.
