INDEPENDENT AUDITOR'S REPORT

To the Board of Education
Unified School District No. 358
Oxford, Kansas 67119

Report on the Financial Statement

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the Unified School District No. 358, Oxford, Kansas (the District), as of and for the year ended June 30, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note - 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note - 1 of the financial statement, the financial statement is prepared by the District to meet the requirements of the State of Kansas on the basis of financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between regulatory basis of accounting described in Note - 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the District, as of June 30, 2020, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the District, as of June 30, 2020, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note - 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note - 1.

Prior Year Comparative Analysis

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the District as of and for the year ended June 30, 2019 (not presented herein), and have issued our report thereon dated August 29, 2019, which contained an unmodified opinion on the basic financial statement. The 2019 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://admin.ks.gov/offices/oar/municipal-services>. The 2019 actual column (2019 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended June 30, 2020 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. UNIFIED SCHOOL DISTRICT NO. 358
Notes to the Financial Statement
For the Year Ended June 30, 2020

NOTE - 1 Summary of Significant Accounting Policies

A. Municipal Financial Reporting Entity

Unified School District No. 358 (the District), located in Oxford, Kansas, was created in about 1965, has an area within the District of approximately 136 square miles, and a full time equivalent enrollment of 375.9 students. The District is a municipal corporation governed by a seven member board, elected by the public at large within the District, and referred to as the Board of Education (the Board). This regulatory financial statement presents the District, a municipality.

B. Regulatory Basis Fund Types

- 1) General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.
- 2) Special Purpose fund – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than capital project and tax levies for long-term debt) that are intended for specified purposes.
- 3) Bond and Interest fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long term debt.
- 4) Capital Project fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.
- 5) Agency fund - funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, sales tax accounts, etc.).

C. Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The *Kansas Municipal Accounting and Auditing Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

D. Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

UNIFIED SCHOOL DISTRICT NO. 358
Notes to the Financial Statement
For the Year Ended June 30, 2020

NOTE - 1 Summary of Significant Accounting Policies (continued)

- 1) Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2) Publication in the local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3) Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4) Adoption of final budget on or before August 25th.

The statutes allow for the Board to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the Board may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, agency funds, and the following special purpose funds:

Contingency Reserve, Bond Construction, Textbook and Student Fees, Title I, Title II, Title IV-Safe & Drug Free School, Title VI R.E.A.P., Gifts and Grants, and District Fund Activities.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the Board.

E. Prior Period Adjustment

The general fund unencumbered cash balance was decreased by \$153 and the vocational education fund was decreased by \$5,418 due to prior period expenses. The adjustment was made to reclassify the unencumbered cash balances to the correct funds.

UNIFIED SCHOOL DISTRICT NO. 358
Notes to the Financial Statement
For the Year Ended June 30, 2020

NOTE - 2 Deposits and Investments

As of June 30, 2020, the District had the following investments and maturities:

| Investment Type | Fair Value | Investment Maturities (in Years) | | Rating U.S. |
|----------------------------------|---------------------|----------------------------------|-------------|-------------|
| | | Less than 1 | 1-2 | |
| Kansas Municipal Investment Pool | \$ 3,390,047 | \$ 3,390,047 | \$ - | N/A |
| Total Fair Value | \$ 3,390,047 | \$ 3,390,047 | \$ - | |

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices. The rating of the District's investments is noted above.

Concentration of credit risk - State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The District's allocation of investments as of June 30, 2020, is as follows:

| Investments | Percentage of Investments |
|----------------------------------|---------------------------|
| Kansas Municipal Investment Pool | 100% |

Custodial credit risk – deposits - Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2020.

At June 30, 2020, the District's carrying amount of deposits was \$2,700,019 and the bank balance was \$3,262,815. The bank balance was held by two banks, resulting in a concentration of credit risk. Of the bank balance, \$310,447 was covered by federal depository insurance and \$2,952,368 was collateralized with securities held by the pledging financial institutions agents in the District's name.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

UNIFIED SCHOOL DISTRICT NO. 358
Notes to the Financial Statement
For the Year Ended June 30, 2020

NOTE - 2 Deposits and Investments (continued)

At June 30, 2020, the District had invested \$3,390,047 in the State’s municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

NOTE - 3 Stewardship, Compliance and Accountability

The District was not compliant with K.S.A. 10-130. They did not remit payment to the state fiscal agent at least 20 days before the day of maturity of any bonds or the interest thereon. The payment due date was September 1, 2019 and the payment was received on August 16, 2019 by the Office of the State Treasurer.

NOTE - 4 In-Substance Receipt in Transit

The District received \$204,012 subsequent to June 30, 2020 and as required by K.S.A 72-6417 and 72-6434 the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2020.

NOTE - 5 Capital Projects

Capital project authorizations with approved change orders compared with expenditures from inception are as follows:

| | Project Authorization | Expenditures To Date |
|-------------------------------------------|----------------------------------|---------------------------------|
| Building Improvements - Bond Construction | \$ 6,016,417 | \$ 5,567,520 |

NOTE - 6 Other Long-Term Obligations from Operations

A. Other Post-Employment Benefits

As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the district under this program.

B. Compensated Absences

Vacation and Sick Leave – The personnel policies of Unified School District No. 358 provide for no accumulation of unused vacation days. District employees are given twelve days of sick leave

For the Year Ended June 30, 2020

NOTE - 6 Other Long-Term Obligations from Operations (continued)

each year, accumulative to sixty-five days. After accumulating sixty-five days of sick leave, teachers may sell back additional days to the Board at \$80 per day. Upon retirement from teaching, a teacher with ten years immediate past experience in the District will be paid for unused sick leave accumulated up to a maximum of fifty days, at the rate of \$80 per day.

The sick leave accumulation is \$47,020 on June 30, 2020, which is a contingent liability to the District. This balance decreased by \$3,588 when compared to the June 30, 2019 balance of \$50,608.

NOTE - 7 Long-term Debt

Changes in long-term liabilities for the District for the year ended June 30, 2020 were as follows:

NOTE - 9 Defined Benefit Pension Plan

General Information about the Pension Plan

Plan description. The District participates in the Kansas Public Employees Retirement System (KPERs), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERs issues a publicly available financial report that includes financial statements and required supplementary information. KPERs' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERs website at www.kpers.org or by writing to KPERs (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERs member-employee contribution rates. KPERs has multiple benefit structures and contributions rates depending on whether the employee is a KPERs 1, KPERs 2, or KPERs 3 member. KPERs 1 members are active and contributing members hired before July 1, 2009. KPERs 2 members were first employed in a covered position on or after July 1, 2009 and KPERs 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERs member-employee contribution rate at 6% of covered salary for KPERs 1, KPERs 2, and KPERs 3 members. Member contributions are withheld by their employer and paid to KPERs according to the provisions of Section 414(h) of the Internal Revenue Code.

NOTE - 9 Defined Benefit Pension Plan (continued)

State law provides that the employer contribution rates for KPERS 1, KPERS 2, and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 14.59% and 13.21%, respectively, for the fiscal year ended June 30, 2019. The actuarially determined employer contribution rate and the statutory contribution rate was 16.15% and 14.41% for the fiscal year ended June 30, 2020.

Per 2017 Senate Substitute for House Bill 2052, Section 37(a), state general fund employer contributions to KPERS were decreased by \$64.13 million for the fiscal year ended June 30, 2017. Section 43(17) of the bill also stipulated that repayments of the reduced contributions are to be amortized over twenty years at a level dollar amount commencing in fiscal year 2018. The level dollar amount was computed to be \$6.4 million dollars per year. The first year payment of \$6.4 million was received in July 2017 and appropriations for fiscal year 2018 were made for the State/School group at the statutory contribution rate of 12.01% for that year.

Per 2017 Senate Substitute for House Bill 2002, Section 51(a), state general fund employer contributions to KPERS were decreased by \$194.0 million for the fiscal year ended June 30, 2019. Section 56(19) of the bill also stipulates that repayments of the reduced contributions are to be amortized over twenty years at a level dollar amount commencing in fiscal year 2020. The level dollar amount was computed to be \$19.4 million per year.

2018 House Substitute for Senate Bill 109 provided for additional funding for KPERS School group. A payment of \$56 million was paid in fiscal year 2018. This bill also authorized a payment of \$82 million in fiscal year 2019.

2019 Senate Bill 9 authorized a payment of \$115 million for the KPERS School group.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$355,922 for the year ended June 30, 2020.

Net Pension Liability

At June 30, 2020, the District's proportionate share of the collective net pension liability reported by KPERS was \$3,026,050. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2018, which was rolled forward to June 30, 2019. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2019. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers

are publicly available on the website at www.kpers.org or can be obtained as described in the first paragraph above.

NOTE - 10 Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District has been unable to obtain workers compensation insurance at a cost it considered to be economically justifiable. For this reason, the District has joined together with other school districts in the State to participate in KASB Workers Compensation Fund, Inc., a public entity risk pool currently operating as a common risk management and insurance program for 111 participating members.

The District pays an annual premium to KASB Workers Compensation Fund, Inc. for its workers compensation insurance coverage. The agreement to participate provides that the KASB Workers Compensation Fund, Inc. will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$1,000,000 for each insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KASB Workers Compensation Fund, Inc. management.

The District continues to carry commercial insurance for all other risks of loss, including property, inland marine, general liability, automobile, crime/fidelity, umbrella, linebacker, and data compromise. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE - 11 Coronavirus ("COVID-19")

The World Health Organization declared the coronavirus ("COVID-19") outbreak a pandemic on March 11th, 2020. On March 12th, 2020 Kansas Governor Laura Kelly issued Executive Order No. 20-07 which required all school buildings or facilities to close and cease in-person instruction until May 29th, 2020 or until statewide State of Disaster Emergency proclamation expired, whichever occurred first. On March 27th, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES) was passed by Congress and signed into law by the President of the United States, among other provisions, to provide economic assistance for individuals, families, and businesses affected by the pandemic. The extent of the impact of COVID-19 on the District's operational and financial performance will vary depending upon future developments, including how COVID-19 spreads, the length of time of the outbreak, and any restrictions put in place to control the spread.

While management cannot quantify the financial and other impacts to the District, management believes that an impact on the District's financial position and results of future operations is reasonably possible.

NOTE - 12 Subsequent Events

District management has evaluated events and transactions occurring subsequent to the fiscal year end June 30, 2020, through the date of the report, September 10, 2020, which is the date of which the financial statement was available to be issued, and there were no material events requiring recognition or disclosure.
