Joint County/Supporting County: Taxing subdivisions with authority to levy in more than one county are reported under the 'home' county (generally the county with the majority of subdivision valuation). Each applicable district is denoted with an asterisk (*). The 'home' county will report the total valuations for the taxing subdivision (to include all supporting counties).

Townships with Third Class Cities: Townships with authority to apply a property tax (ad valorem) levy for certain funds on the boundaries of certain third class cities have been denoted with a double asterisk (**). The impacted township are reported in two lines: 1) The levy applied for funds that levy within the township boundaries, and 2) The levy applied for funds that levy within the township boundaries and within the third class cities' boundaries.
