Board of Education
Unified School District No. 111 Doniphan West
Highland, Kansas

Independent Auditor's Report

Adverse and Unmodified Opinions
We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Unified School District No. 111, Doniphan West (the District), as of and for the year ended June 30, 2021, and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles
In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the District as of June 30, 2021, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting
In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the District as of June 30, 2021, and the aggregate receipts and expenditures for they year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* (KMAAG) described in Note 1.

Basis for Adverse and Unmodified Opinions
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and KMAAG. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to the Adverse Opinion on U.S. Generally Accepted Accounting Principles
As discussed in Note 1 of the financial statement, the financial statement is prepared by the District on the basis of the financial reporting provisions of the KMAAG, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement
Management is responsible for the preparation and fair presentation of the financial statement in accordance with KMAAG as described in Note 1; this includes determining regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and expenditures-agency funds (Schedules 1, 2, 3 and 4 as listed in the table of contents) are presented for purposes of additional analysis and are not required part of the basic financial statement; however, are required to be presented under the provisions of the KMAAG. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

STATEMENT 1 (CONTINUED)

The accompanying notes are an integral part of this financial statement.
See Independent Auditor's Report.

Note 1: Summary of Significant Accounting Policies

Municipal Financial Reporting Entity

Unified School District No. 111, Doniphan West, Highland, Kansas (the District) is a municipal corporation governed by an elected seven-member board. The financial statement presents Unified School District No. 111, Doniphan West, Highland, Kansas. There are no related municipal entities presented.

Fund Descriptions

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The following types of funds comprise the financial activities of the District:

Governmental Funds

General Fund is used to account for all unrestricted resources except those required to be accounted for in another fund.

Special Purpose Funds are used to account for the proceeds of specific revenue sources (other than major capital projects and tax levies for long-term debt) that are restricted by law or administrative action to expenditure for specified purposes.

Bond and Interest Fund is used to account for the accumulation of resources for and the payment of interest and principal on general long-term debt.

Agency Funds is used to report assets held by the District in a purely custodial capacity.

Basis of Presentation

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America - The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balances on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the statutory basis of accounting.

Note 1: Summary of Significant Accounting Policies (Continued)

Reimbursed Expenses

Certain expenditures are classified as reimbursed expenses. The purpose of these expenditures is payment for goods and services in which fees are collected and such expenditures are exempt from the budget law under K.S.A. 79-2934. Reimbursed expenses are defined as repayments of amounts remitted on behalf of another party.

All reimbursed expenses shown in the financial statement meet the following criteria: 1) the related disbursement was made in the current year on behalf of the payee, 2) the item paid for was directly identifiable as having been used by or provided to the payee, and 3) the amount of the reimbursed expense was directly tied to the amount of the original cash disbursement.

Governmental Funds

General Fund is used to account for all unrestricted resources except those required to be accounted for in another fund.

Special Purpose Funds are used to account for the proceeds of specific revenue sources (other than major capital projects and tax levies for long-term debt) that are restricted by law or administrative action to expenditure for specified purposes.

Bond and Interest Fund is used to account for the accumulation of resources for and the payment of interest and principal on general long-term debt.

Agency Funds is used to report assets held by the District in a purely custodial capacity.

Note 2: Stewardship, Compliance and Accountability

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute) and bond and interest funds. The statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding twelve month period on or before August 1 of each year.
2. Publication in a local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5.
3. Public hearing on or before August 15, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such amendments this year.

Note 2: Stewardship, Compliance and Accountability (Continued)

Budgetary Information (Continued)

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital projects funds, trust funds, and the following special purpose funds:

Textbook Rental Fund	Gifts and Grants
Contingency Reserve Fund	District Activity Funds

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Stewardship, Compliance and Accountability

We noted no violations of Kansas Statutes during the period under examination.

Note 3: Deposits and Investments

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions, U.S. government securities; temporary notes; no-fund warrants, repurchase agreements and the Kansas Municipal Investment Pool. The District has no investment policy that would further limits its investment choices.

Concentration of credit risk - State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Note 3: Deposits and Investments (Continued)

Custodial credit risk-deposits - Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas District, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The District did not utilize peak periods. All deposits were legally secured at June 30, 2021.

At June 30, 2021, the District's carrying amount of deposits was $966,431, and the bank balance was $1,281,882. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, $371,185 was covered by the federal depository insurance, and the remaining balance was collateralized with securities held by the pledging financial institutions' agents in the District's name.

Custodial credit risk-investments - For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the position of an outside party. State statues require investments to be adequately secured.

Note 4: Interfund Transfers

From	To	Statutory Authority	Amount

Supplemental General	Career and Postsecondary Ed	K.S.A. 72-6433	35,275
			$ 1,027,554

Note 5: Defined Benefit Pension Plan

Plan Description

The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, *et seq.* Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in the Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 S. Kansas, Suite 100; Topeka, KS 66603-3803) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2, OR KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate of 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

Note 5: Defined Benefit Pension Plan (Continued)

Contributions (Continued)

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 16.15% and 14.41%, respectively, for the fiscal year ended June 30, 2020. The actuarially determined employer contribution rate and the statutory contribution rate was 15.59% and 14.23% for the fiscal year ended June 30, 2021.

Senate Substitute for House Bill 2052 authorized the delay of $64.1 million in fiscal year 2017 contributions. These contributions were set up as a long-term receivable. Payment is scheduled to be made in a series of twenty annual payments of $6.4 million dollars per year beginning in fiscal year 2018. Senate Substitute for House Bill 2002 authorized the delay of $194.0 million in fiscal year 2019 contributions. Payment is scheduled to be made in a series of twenty annual payments of $19.4 million starting in fiscal year 2020.

House Substitute for Senate Bill 109 from the 2018 Legislative session provided for additional funding for the KPERS School Group. A payment of $56 million was paid in fiscal year 2018. This bill also authorized a payment of $82 million in fiscal year 2019. The 2019 legislative session authorized an additional fiscal year payment for the KPERS School Group. 2019 Senate Bill 9 authorized a payment of $115 million for the KPERS School Group. House Substitute for Senate Bill 25 from the 2019 Legislative session authorized additional funding for the KPERS School Group in fiscal year 2020 of $51 million.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled $364,553 for the year ended June 30, 2021.

Net Pension Liability

At June 30, 2021, the District's proportionate share of the collective net pension liability reported by KPERS was $3,736,415. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2019, which was rolled forward to June 30, 2020. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2020. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report, including all actuarial assumptions and methods, is publically available on the website at www.kpers.org or can be obtained as described in the first paragraph.

Note 6: Other Post Employment Benefits

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the District under this program.

Note 7: Compensated Absences

Employees accrue sick leave at the rate of nine days per year, with a maximum accumulation of seventy five days. All accumulated sick leave of an employee lapses upon retirement or departure of the employee from the District. However, if an employee has worked in the school district for at least ten consecutive years immediately prior to retirement, that employee will be paid for accumulated sick leave, up to a maximum of thirty days, at the rate of $40 per day.

Five days of non-accumulative personal leave shall be granted to each employee at his or her contractual pay rate per year. All personal leave days not taken by the employee shall be converted to sick days and added to the employee's accumulated sick day total at the end of the contract year.

Note 8: Subsequent Event

Management has evaluated the effects on the financial statement of subsequent events occurring through the date of this report, which is the date at which the financial statement was available to be issued.

Note 9: COVID-19

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the District’s financial condition, liquidity and future results of operations. Management is actively monitoring the global and local situation on its financial condition, liquidity, operations, suppliers, industry and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the District is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition or liquidity for fiscal year 2021.

Note 10: CRF and CARES Act Funding

As a result of COVID-19, the State of Kansas has received Coronavirus Relief Funds (CRF) under the Coronavirus Aid, Relief and Economic Security (CARES) Act. The CRF were passed through to the counties of Kansas through Strengthening People and Revitalizing Kansas (SPARK). SPARK’s first round distribution was to local governments in the amount of $400 million. The District received CRF in the amount of $251,086 during fiscal year 2021. The CRF are to be used to strengthen health, to allow the economy to reopen safely and to remain open. Additional information and updates on SPARK, the CARES Act and CRF, which includes audit requirements, can be found at https://covid.ks.gov/.

Note 11: Long-Term Debt

Changes in long-term liabilities for the District for the year were as follows:

	Interest Rates	Date of Issue	Amount of Issue	Date of Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
Capital Leases									
Energy Lease - 425	4.52%	8/1/2007	$ 377,500	7/1/2022	$ 96,816	$ -	$ 30,828	$ 65,988	$ 4,468
Energy Lease - 425	4.95%	8/1/2008	67,017	7/1/2022	18,416	-	5,838	12,578	932
Kitchen Renovation	3.25%	4/13/2020	375,000	7/25/2023	375,000	-	-	375,000	-
Total Long-Term Debt					$ 490,232	$ -	$ 36,666	$ 453,566	$ 5,400

Current maturities of long-term debt and interest for the next five years and in five-year increments through maturity are as follows:

	2022	2023	2024	Total
Principal				
Energy Lease - 425	$ 32,250	$ 33,738	$ -	$ 65,988
Energy Lease - 425	6,133	6,445	-	12,578
Kitchen Renovation	119,469	125,722	129,809	375,000
Total Principal	$ 157,852	$ 165,905	$ 129,809	$ 453,566
Interest				
Energy Lease - 425	$ 3,045	$ 1,557	$ -	$ 4,602
Energy Lease - 425	637	326	-	963
Kitchen Renovation	14,558	8,305	4,219	27,082
Total Interest	$ 18,240	$ 10,188	$ 4,219	$ 32,647
Total Principal and Interest Payments	$ 176,092	$ 176,093	$ 134,028	$ 486,213
