We have audited the accompanying fund summary statement of regulatory receipts, expenditures, and unencumbered cash of Southwest Kansas Area Cooperative, District Number 613, Dodge City, Kansas, as of and for the year ended June 30, 2021 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement
Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide, as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles
As described in Note 1 to the financial statement, the financial statement is prepared by Southwest Kansas Area Cooperative, District Number 613 on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles
In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Southwest Kansas Area Cooperative, District Number 613 as of June 30, 2021, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Financial Reporting Entity

Southwest Kansas Area Cooperative, District Number 613 (Cooperative), Dodge City, Kansas operates as a municipal corporation in accordance with the laws of the State of Kansas. The Cooperative is governed by a fourteen-member board of directors. The governing board is composed of one school Cooperative board member from each of the member Cooperatives. Board members are elected by member school Cooperative. Member school Cooperatives include USD 220 Ashland, USD 459 Bucklin, USD 102 Cimarron-Ensign, USD 482 Dighton, USD 443 Dodge City, USD 225 Fowler, USD 477 Ingalls, USD 227 Hodgeman County, USD 483 Kismet-Plains, USD 226 Meade, USD 219 Minneola, USD 303 Ness City, USD 381 Spearville and USD 106 Western Plains. The Cooperative provides a wide range of student support services for students with exceptionalities ages three through twenty-one. This regulatory financial statement presents Southwest Kansas Area Cooperative, District Number 613.

b) Regulatory Basis Fund Types

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long- term debt) that are intended for specified purposes.

Agency Fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

c) Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The Cooperative has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the Cooperative to use the regulatory basis of accounting.

d) Budgetary Information

The Southwest Kansas Area Cooperative, District Number 613 prepares a budget under the Kansas cash basis and budget laws to determine assessments to member Cooperatives and other financial planning purposes.

The Kansas cash basis and budget laws permit transferring budgeted amounts between line items within an individual fund. However, such laws prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting. Revenues are recognized when cash is received. Expenditures include disbursements, accounts payable and encumbrances. Encumbrances are commitments by the Cooperative for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. All unencumbered appropriations (legal budget expenditure authority) lapse at year-end.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

A legal operating budget is not required for the following special purpose funds:

Preschool Grants Fund, Private School Fund, VI B Federal Flow Thru Fund and Targeted Improvement Plan Fund.

The Southwest Kansas Area Cooperative, District Number 613 does not have authority to levy taxes. The Cooperative is funded by member assessments approved by the Cooperative's Board of Directors.

NOTE 2 – DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the Cooperative. The statute requires banks eligible to hold the Cooperative's funds have a main or branch bank in the county in which the Cooperative is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Cooperative has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Cooperative's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Cooperative has no investment policy that would further limit its investment choices.

Concentration of Credit Risk. State statutes place no limit on the amount the Cooperative may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial Credit Risk - Deposits. Custodial credit risk is the risk that in the event of a bank failure, the Cooperative's deposits may not be returned to it. State statutes require the Cooperative's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City or the Federal Home Loan Bank of Topeka except during designated "peak periods" when required coverage is 50%. The Cooperative does not use designated "peak periods".

At June 30, 2021 the carrying amount of the Cooperative's deposits, including certificates of deposit, was $5,372,948 and the bank balance was $6,976,010. The bank balance was held by one (1) bank resulting in a concentration of credit risk. Of the bank balance, $250,000 was covered by federal depository insurance, and the remaining $6,726,010 was collateralized with securities held by the pledging financial institution's agents in the Cooperative's name.

Custodial Credit Risk - Investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the Cooperative will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. The Cooperative had no investments of this type at June 30, 2021.

NOTE 3 – RETIREMENT PLAN

General Information about the Pension Plan

Plan Description. The Cooperative participates in the Kansas Public Employees Retirement System (KPERS), a cost sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. Seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or before July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee

NOTE 3 – RETIREMENT PLAN, CONTINUED

contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contribution are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 16.15% and 14.41%, respectively, for the fiscal year ended June 30, 2020. The actuarially determined employer contribution rate and the statutory contribution rate was 15.59% and 14.23% for the fiscal year ended June 30, 2021.

Senate Substitute for House Bill 2052 authorized the delay of $64.1 million in fiscal year 2017 contributions. The contributions were set up as a long-term receivable. Payment is scheduled to be made in a series of twenty annual payments of $6.4 million dollars per year beginning in fiscal year 2018. Senate Substitute for House Bill 2002 authorized the delay of $194.0 million in fiscal year 2019 contributions. Payment is schedule to be made in a series of twenty annual payments of $19.4 million starting in fiscal year 2020.

House Substitute for Senate Bill 109 from the 2018 Legislative session provided for additional funding for the KPERS School Group. A payment of $56 million was paid in fiscal year 2018. This bill also authorized a payment of $82 million in fiscal year 2019. The 2019 legislative session authorized an additional fiscal year payment for the KPERS School Group. 2019 Senate Bill 9 authorized a payment of $115 million for the KPERS School Group. House Substitute for Senate Bill 25 from the 2019 Legislative session authorized funding for the KPERS School Group in fiscal year 2020 of $51 million.

The State of Kansas is required to contribute the statutory required employer's share except for retired Cooperative employees. The Cooperative is responsible for the employer's portion of the cost of retired Cooperative employees. Since, the Cooperative is considered a special funding situation, the Cooperative was not required to contribute amounts equal to the statutory contribution rate for the year ended June 30, 2021.

Net Pension Liability

At June 30, 2021, the Cooperative's proportionate share of the collective net pension liability reported by KPERS was $1,161,960. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2019, which was rolled forward to June 30, 2020. The Cooperative's proportion of the net pension liability was based on the ratio of the Cooperative's contribution to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2020. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in the financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 4 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

a) Other Post-Employment Benefits. As provided by K.S.A. 12-5040, the Cooperative allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the Cooperative is subsidizing the retirees because each participant is charged a level premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the Cooperative makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

NOTE 4 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS, CONTINUED

All Paras with continuous employment with the Cooperative may accumulate up to 180 hours of sick leave. Licensed staff is given 9 days of sick leave based on the months of hiring. At the end of the contract year, the remainder of personal leave is added to the staff member's sick leave balance. Classified and custodial employees receive vacation days based on their years of service with the Cooperative, from 10 to 20 days.

Termination Benefits. Upon termination, Para educators, classified and custodial employees forfeit all unused sick leave. A licensed staff retiring with full retirement with 100 accumulated sick days will receive a lump sum payment of $2,000. Resigning licensed staff with 100 accumulated sick leave days will receive a lump sum payment of $500.

NOTE 5 – CLAIMS, JUDGEMENTS AND RISK MANAGEMENT

The Cooperative participates in federal and state programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the Cooperative may be required to reimburse the grantor government. As of the date of this report, grant expenditures have not been audited, but the Cooperative believes that any disallowed expenditures or overpayments, if any, will not have a material effect on the individual governmental funds or the overall financial position of the Cooperative.

During the ordinary course of its operation the Cooperative is a party to various claims, legal actions and complaints. It is the opinion of the Cooperative's management and legal counsel that these matters are not anticipated to have a material impact on the Cooperative.

The Cooperative is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Cooperative has purchased commercial insurance for these potential risks. There have been no significant reductions in insurance coverage from 2020 to 2021, and there were no settlements that exceeded insurance coverage in the past three years.

NOTE 6 – SELF-FUNDED HEALTH INSURANCE FUND

Southwest Kansas Area Cooperative, District Number 613, participates in a self-insurance fund program for medical insurance, which covers full-time administration, licensed staff, Para educators, and office staff working at least seventeen and a half (17.5) hours per week. The plan also covers retired employees (K.S.A. 12-5040) who are individuals who have terminated employment with the Cooperative and is receiving retirement or disability benefit for services to the Cooperative when employment is terminated.

Premiums from the employees and the Cooperative are paid to the Health insurance bank account. The premiums are available to pay claims and administrative costs of the program by the third-party administrator (Meritain). The agreement to participate provides that the Cooperative will be self-sustaining through member's premiums. The Cooperative purchases secondary insurance (reinsurance), from Optum, for claims in excess of an annual stop loss deductible of $50,000 per person.

NOTE 7 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

References made herein to the statutes are not intended as interpretations of law but are offered for consideration of the Director of Accounts and Reports, Kansas Department of Administration, and Interpretation by legal repetition of the Municipality.

The Cooperative had a budget violation in the General Fund.

There were no other violations of budget and cash law for the year ending June 30, 2021.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board Members and Management
Southwest Kansas Area Cooperative, District Number 613
Dodge City, Kansas 67801

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Southwest Kansas Area Cooperative, District Number 613, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise Southwest Kansas Area Cooperative, District Number 613's basic financial statements and have issued our report thereon dated January 10, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Southwest Kansas Area Cooperative, District Number 613's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwest Kansas Area Cooperative, District Number 613's internal control. Accordingly, we do not express an opinion on the effectiveness of Southwest Kansas Area Cooperative, District Number 613's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

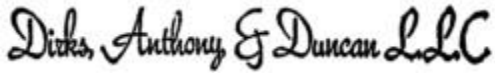

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2021-001 that we consider to be significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwest Kansas Area Cooperative, District Number 613's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board Members and Management
Southwest Kansas Area Cooperative, District Number 613
Dodge City, Kansas 67801

Report on Compliance for Each Major Federal Program

We have audited Southwest Kansas Area Cooperative, District Number 613's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southwest Kansas Area Cooperative, District Number 613's major federal programs for the year ended June 30, 2021. Southwest Kansas Area Cooperative, District Number 613's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Southwest Kansas Area Cooperative, District Number 613's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southwest Kansas Area Cooperative, District Number 613's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southwest Kansas Area Cooperative, District Number 613's compliance.

Opinion on Each Major Federal Program

In our opinion, Southwest Kansas Area Cooperative, District Number 613 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of Southwest Kansas Area Cooperative, District Number 613 is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southwest Kansas Area Cooperative, District Number 613's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances

for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southwest Kansas Area Cooperative, District Number 613's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SECTION II - FINANCIAL STATEMENT FINDINGS

FINDING 2021-001
SIGNIFICANT DEFICENCY
Insufficient Controls Related to Expenditure Cutoff

Condition : Expenditure cutoff's internal controls are missing key segments that a mindful entity would require.

Criteria : Recommended Procedures

Cause : During the course of the audit, we determined there exists a high reliance upon key positions of management to operate the expenditure cycle without sufficient third-party review or involvement.

Effect : Out of a sample of twenty (20) expenditures recorded after fiscal year end, three (3) were for expenditures that occurred before fiscal year end.

Recommendations : The Board of Directors, the Director and key positions of management should adequately document internal control procedures for expenditure cutoff being mindful to maintain segregation of duties and adding encompassing compensating controls. The Board should then periodically check that all procedures agreed upon are operational and effective, and adjust procedures as needed.
