## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Rural Water District Number 8  
Leavenworth County, Kansas

### **Report on Financial Statements**

We have audited the accompanying financial statements of Rural Water District Number 8, Leavenworth County, Kansas, which comprise the statement of net position as of December 31, 2019 and 2018 and the related statements of revenues, expenses and changes in net position and the statement of cash flows for the year then ended and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparations and fair presentation of the financial statements in accordance with the accounting principles generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparations and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

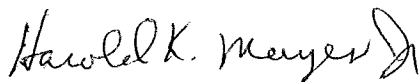

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Rural Water District Number 8, Leavenworth County, Kansas as of December 31, 2019 and 2018, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

Rural Water District Number 8, Leavenworth County, Kansas, has not presented the Management's Discussion and Analysis that the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be part of, the basic financial statements.

***Report on Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the basic financial statements as noted in the table of contents taken as a whole. The schedule of statistical information (Schedule 1 listed in the table of contents) is presented for analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statements itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole, in accordance with accounting principles generally accepted in the United States of America.

**RURAL WATER DISTRICT NUMBER 8**  
Leavenworth County, Kansas  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2019 and 2018

**NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of significant accounting principles consistently applied in the preparation of the accompanying financial statements are noted as follows.

**1. Financial Reporting Entity**

The scope of the entity for financial reporting purposes is defined as those funds for which the Rural Water District Number 8 (here in referred to as the District) is considered financially accountable. The District's financial statements include all of its operations. The District is a separately administered organization. The District has no component units. The District is a quasi-municipality governed by an elected six-member board.

**2. Government-wide and Fund Financial Statements**

*Government-wide Financial Statements* - The government-wide financial statements include the statement of net position. This statement reports financial information for the District as a whole. Individual funds are not displayed but the statements distinguish between governmental activities generally supported by taxes and general revenues (of which the District does not have any), from the business-types activities, generally financed in whole or in part with fees charged to external customers. The District is a special-purpose government engaged in a single governmental program (delivery of water to customers near Leavenworth, Kansas area).

The statement of revenues, expenses and changes in net position reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities, expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services that report fees, fines and forfeitures, and other charges to users of the District's services; (2) members deposits water meters. All other revenues not properly included with program revenues or meter deposits will be reported as general revenues.

**3. Measurement focus and Financial Statement Presentation**

In June 1999, GASB issued Statement No. 34, Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments. This statement, known as the "Reporting Model" statement, affects the way the District prepares and presents financial information.

GASB Statement No. 34 established new requirements and a new reporting model for the annual financial reports of state and local governments, including special purpose governments. The statement was developed to make annual reports easier to understand and more useful to the people who use governmental financial information to make decision and includes:

Management's Discussion and Analysis – GASB Statement No. 34 requires that financial statements be accompanied by a narrative introduction and analytical overview of the District's financial activities in the form of "management's discussion and analysis" (MD&A). This analysis is similar to analysis the private sector provides in their annual reports. The District has chosen to omit this discussion from the report.

Statement of Net Assets or Balance Sheet – This statement is designated to display the financial position of the District. Districts report all capital assets, including infrastructure. The net assets of the District will be broken down into three categories: 1) invested in capital assets, net of related debt, 2) restricted, and 3) unrestricted.

Measurement Focus, Basis of Accounting, and Financial Statement Position – The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

**RURAL WATER DISTRICT NUMBER 8**  
Leavenworth County, Kansas  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2019 and 2018

**NOTE A. – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued**

**3. Measurement Focus and Financial Statement Presentation - continued**

The financial statements of the District are prepared in accordance with generally accepted accounting principles (GAAP). The District's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) pronouncements and applicable Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, unless they conflict with GASB pronouncements. The District reporting entity does not apply FASB pronouncements or APB opinions issued after November 30, 1989.

The District's statements will report using the economic resources measurement focus and the accrual basis of accounting. Reimbursements are reported as reductions to expenses or capital assets. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Operating income reported in the financial statements includes revenues and expenses related to the primary, continuing operations of the District. Operating revenues are charges to customers for sales or services. Operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Non-operating revenues and expenses consist of gain (loss) on sales of assets, realized and unrealized gains and losses on investments, and investment income. Other revenues and expenses consist primarily of benefit units sold or refunded.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as needed.

**4. Fund Types and Major Funds**

*Governmental funds:* The District has no governmental funds.

*Business-type funds:* The District has one major enterprise fund. The Water fund accounts for the operating activities of the District's water utilities services.

**5. Cash and Cash Equivalents**

For purposes of the statement of cash flows, cash equivalents are short term, liquid investments having original maturities of three months or less, not restricted for contingencies.

**6. Accounts Receivable**

The direct write-off method is used for bad debts. Accounts receivable are written off when deemed uncollectible. Accordingly, no allowance for bad debts has been recorded.

**7. Inventory**

Inventory consist of pipe, meters and other materials used by the District in its daily operations and is valued at cost which is based upon invoices received at the time the inventory item is paid.

**8. Property, Plant and Equipment**

Property, plant and equipment are reported at cost. Major improvements and betterments to existing property and equipment are capitalized. Expenditures for maintenance and repairs that do not extend the life of the applicable assets are charged to expenses as incurred. Historically, the District has received reimbursements from customers (i.e. line extensions) which are accounted for as reductions of costs.

**RURAL WATER DISTRICT NUMBER 8**  
Leavenworth County, Kansas  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2019 and 2018

**NOTE A. – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued**

**8. Property, Plant and Equipment - continued**

Depreciation is provided on the straight-line basis over the estimated useful life of the assets as follows:

Water System	40 years
Building	40 years
Water Tower	40 years
Vehicles	7 years
Administrative equipment	5 - 10 years

**9. Income Tax**

The District is not subject to federal or state income taxes as a quasi-governmental unit.

**10. Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**11. Revenues**

Operating revenues and expenses included the sale of water and the expenses associated with pumping and cleaning the water. Non-operating revenues and expenses consist of investment income and sales of assets.

**12. Deferred Outflows and Inflows of Resources**

The District does not have any deferred outflows or inflows to report at the current time.

**NOTE B - ASSETS, LIABILITIES AND NET POSITION**

**1. Cash and Investments**

**Deposits and Investments** - K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

**Custodial credit risk** – Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The District did not have any designated "peak periods" for the current year. All deposits were legally secured at December 31, 2019 and 2018.

At year-end, the carrying amount of the District's deposits including certificates of deposit was \$2,622,143 and \$2,543,978 for 2019 and 2018 respectively. The bank balances were \$2,622,193 and \$2,544,376 for 2019 and 2018 respectively. The difference between book and bank balance is outstanding deposits and checks. The bank balance

### NOTE B. - ASSETS, LIABILITIES AND NET POSITION - continued

#### 1. Cash and Investments – continued

was held by three banks thus reducing concentration of credit risk. Of the bank balance, \$750,000 and \$750,000 for 2019 and 2018 respectively was covered by FDIC insurance and \$1,872,193 and \$1,794,376 was collateralized with securities held by the pledging financial institutions' agents in the District's name.

**Investments** - K.S.A. 12-1675 authorizes the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices. At December 31, 2019 and 2018, the District held certificates of deposit only.

#### 2. Accounts Receivable

<u>Accounts receivable</u>	<u>2019</u>	<u>2018</u>

There were no impairment of capital assets as described above as of December 31, 2019 or 2018.

**5. Compensated Absences**

The District does not pays for unused vacation.

**NOTE C. - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

**1. Budgetary Information**

The District adopts an internal budget for the support and maintenance of the District.

**2. Compliance with Kansas Statutes**

Management is not aware of any statutory violations for the years ended December 31, 2019 or 2018

**RURAL WATER DISTRICT NUMBER 8**  
Leavenworth County, Kansas  
**NOTES TO FINANCIAL STATEMENTS**  
December 31, 2019 and 2018

**NOTE D. - OTHER INFORMATION**

**1. Risk Management**

The District is exposed to various risks of loss related to torts' theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the District carries commercial insurance. During the last three years, claim settlements have not exceeded insurance coverage.

**2. Concentrations of Risk**

The District purchases 100 percent of its water from the City of Leavenworth.

**3. Subsequent events**

Management has evaluated events through February 29, 2020 and has determined there are no significant events that require disclosure.
