North Central Kansas Special Education Cooperative Interlocal No. 636
Phillipsburg, Kansas

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **North Central Kansas Special Education Cooperative Interlocal No. 636**, as of and for the year ended June 30, 2022 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matters discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of **North Central Kansas Special Education Cooperative Interlocal No. 636** as of June 30, 2022, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of **North Central Kansas Special Education Cooperative Interlocal No. 636** as of June 30, 2022, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the *Kansas Municipal Audit and Accounting Guide* and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of **North Central Kansas Special Education Cooperative Interlocal No. 636**, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by **North Central Kansas Special Education Cooperative Interlocal No. 636** on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **North Central Kansas Special Education Cooperative Interlocal No. 636's** ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **North Central Kansas Special Education Cooperative Interlocal No. 636's** internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **North Central Kansas Special Education Cooperative Interlocal No. 636's** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances (basic financial statement) as a whole. NORTH CENTRAL KANSAS SPECIAL EDUCATION COOPERATIVE INTERLOCAL NO. 636

Notes to Financial Statement

June 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

North Central Kansas Special Education Cooperative Interlocal No. 636 (the Cooperative) has established a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. The accompanying financial statement is presented to conform to the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The following is a summary of such significant policies.

Financial Reporting Entity

The Cooperative is a municipal corporation governed by an elected board. The Board is composed of one member from the board of education of each school Cooperative that is a member of the Cooperative. A related municipal entity is an entity established to benefit the Cooperative and/or its constituents. The Cooperative has no related municipal entities.

Basis of Presentation – Fund Accounting

The accounts of the Cooperative are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following type of funds comprises the financial activities of the Cooperative for the year ended June 30, 2022.

Regulatory Basis Fund Type

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The Cooperative has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the Cooperative to use the regulatory basis of accounting.

Reimbursements

The Cooperative records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis of accounting.

Notes to Financial Statement

NOTE 2 – BUDGETARY INFORMATION

The Cooperative is not subject to the legal annual operating budget requirements but is controlled by the use of an internal budget established by the governing body. The internal budget is the source of the budget amounts listed on Statement 2.

NOTE 3 – DEPOSITS AND INVESTMENTS

North Central Kansas Special Education Cooperative Interlocal No. 636 follows the practice of pooling cash and investments of all funds. Each fund's portion of total cash and investments is summarized by fund category in the summary statement of receipts, expenditures and unencumbered cash.

K.S.A. 9-1401 establishes the depositories which may be used by the Cooperative. The statute requires banks eligible to hold the Cooperative's funds have a main or branch bank in the county in which the Cooperative is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Cooperative has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Cooperative's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Cooperative has no investment policy that would further limit its investment choices.

Concentration of Credit Risk

State statutes place no limit on the amount the Cooperative may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Cooperative's deposits may not be returned to it. State statutes require the Cooperative's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The Cooperative does not use "peak periods". All deposits were not legally secured at June 30, 2022.

At June 30, 2022, the Cooperative's carrying amount of deposits was \$3,385,231 and the bank balance was \$3,512,897. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$376,404 was covered by federal depository insurance, \$2,600,146 was collateralized with securities held by the pledging financial institutions' agents in the Cooperative's name, and \$536,347 was unsecured.

Custodial Credit Risk – Investments

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the Cooperative will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. The Cooperative had no investments at June 30, 2022.

NOTE 4 – INTERFUND TRANSFERS

Interfund transfers within the reporting entity are substantially for the purpose of subsidizing operating functions, funding capital projects and asset acquisitions or maintaining debt service on a routine basis as authorized by Kansas statutes. **North Central Kansas Special Education Cooperative Interlocal No. 636's** interfund transfers and regulatory authority for the year ended June 30, 2021 were as follows:

From	To	Regulatory Authority	Amount
General Fund	Health Care Reserve Fund	Board Approved	\$ 200,000

NOTE 5 – LITIGATION

North Central Kansas Special Education Cooperative Interlocal No. 636 is a party to various legal proceedings which normally occur in governmental operations. These legal proceedings are not likely to have a material financial impact on the affected funds of the Cooperative.

NOTE 6 – RISK MANAGEMENT

North Central Kansas Special Education Cooperative Interlocal No. 636 is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Cooperative has been unable to obtain workers' compensation insurance at a cost it considered to be economically justifiable. For this reason, the Cooperative joined together with other Districts in the State to participate in Kansas Association of School Boards Risk Management Services (KASB), a public entity risk pool currently operating as a common risk management and insurance program for 112 participating members.

The Cooperative pays an annual premium to Kansas Association of School Boards Risk Management Services for its workers' compensation insurance coverage. The agreement to participate provides that the Kansas Association of School Boards Risk Management Services will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$1,000,000 for each insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by Kansas Association of School Boards Risk Management Services' management.

The Cooperative carries commercial insurance coverage for claims arising from matters other than related to employee health benefits. Settled claims have not exceeded this commercial coverage in any of the three preceding years. There have not been significant reductions in coverage from prior years.

NOTE 7 – GRANTS AND SHARED REVENUES

North Central Kansas Special Education Cooperative Interlocal No. 636 participates in numerous state and federal grant programs, which are governed by various rules and regulations for the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the Cooperative has not complied with the rules and regulations governing the grants, refunds of any money received may be required. In the opinion of the Cooperative, any liability for reimbursement, which may arise as the result of the audit, is not believed to be material.

NOTE 8 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

North Central Kansas Special Education Cooperative Interlocal No. 636's deposits were not adequately secured as of June 30, 2021. This is in violation of K.S.A. 9-1402.

NOTE 9 – DEFERRED COMPENSATION PLAN

North Central Kansas Special Education Cooperative Interlocal No. 636 sponsors deferred compensation plans under Internal Revenue Code Sections 457(b) and 403(b). Permanent and part-time employees are eligible to participate under the plan. The employee is responsible for the amount of deferred compensation to be contributed. The Cooperative is not required to make any contributions.

NOTE 10 – DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan Description

North Central Kansas Special Education Cooperative Interlocal No. 636 participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Annual Comprehensive Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 S Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 15.59% and 14.23%, respectively, for the fiscal year ended June 30, 2021. The actuarially determined employer contribution rate and the statutory contribution rate was 14.83% and 13.33%, respectively, for the fiscal year ended June 30, 2022.

Senate Substitute for House Bill 2052 authorized the delay of \$64.1 million in fiscal year 2017 contributions. These contributions were set up as a long-term receivable. Payment is scheduled to be made in a series of twenty annual payments of \$6.4 million dollars per year beginning in fiscal year 2018. Senate Substitute for House Bill 2002 authorized the delay of \$194.0 million in fiscal year 2019 contributions. Payment is scheduled to be made in a series of twenty annual payments of \$19.4 million starting in fiscal year 2020.

House Substitute for Senate Bill 109 from the 2018 Legislative session provided for additional funding for the KPERS School Group. A payment of \$56 million was paid in fiscal year 2018. This bill also authorized a payment of \$82 million in fiscal year 2019. The 2019 legislative session authorized an additional fiscal year payment for the KPERS School Group. 2019 Senate Bill 9 authorized a payment of \$115 million for the KPERS School Group. House Substitute for Senate Bill 25 from the 2019 Legislative session authorized additional funding for the KPERS School Group in fiscal year 2020 of \$51 million.

NORTH CENTRAL KANSAS SPECIAL EDUCATION COOPERATIVE INTERLOCAL NO. 636

Notes to Financial Statement
June 30, 2022

The State of Kansas is required to contribute the statutory required employer's share except for retired Cooperative employees. The Cooperative is responsible for the employer's portion of the cost for retired Cooperative employees. The Cooperative received and remitted amounts equal to the statutory contribution rate, which totaled \$731,290 for the year ended June 30, 2022.

Net Pension Liability

At June 30, 2022, the Cooperative's proportionate share of the collective net pension liability reported by KPERS was \$22,874. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The Cooperative's proportion of the net pension liability was based on the ratio of the Cooperative's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2021. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 11 – OTHER POST EMPLOYMENT BENEFITS

As provided by K.S.A. 12-5040, **North Central Kansas Special Education Cooperative Interlocal No. 636** allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the Cooperative is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the Cooperative makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended June 30, 2022.

NOTE 12 – COMPENSATED ABSENCES

North Central Kansas Special Education Cooperative Interlocal No. 636's contracts with various employees permit the employees to accumulate various amounts of vacation, sick and personal leave.

Vacation

The Cooperative's policy for vacation is that the Director, Clerk and Treasurer each receive 20 days per year, and the Assistant Director receives 25 days per year. Vacation does not accumulate from year to year.

Sick Leave

The Cooperative's sick leave policy for the Director and Assistant Director is that each receives 70 days of non-cumulative sick leave each year. The Clerk and Treasurer receive 10 days and may accumulate a

NORTH CENTRAL KANSAS SPECIAL EDUCATION COOPERATIVE INTERLOCAL NO. 636

Notes to Financial Statement

maximum of 60 days of sick leave. No accumulated sick leave is paid to employees at separation of service for any reason.

The Cooperative's sick leave policy for certified and licensed employees, other than the Director and Assistant Director, is that employees receive 10 days per year and may accumulate a maximum of 75 days of sick leave. Any employee sick leave that exceeds the 75 day limit at the end of the school year is paid \$30 per day for each day in excess of the 75 days. The Cooperative allows for accrued sick leave to be paid upon separation of service due to retirement, disability, or death, provided the employee has been employed by the Cooperative or previous USD 325 Phillipsburg certified experience for at least 10 consecutive years and has met KPERS retirement eligibility for "unreduced" benefits. The amount paid due to separation from service is equal to \$30 a day times the number of days accumulated not to exceed 85 days. No accumulated sick leave is paid to employees at separation of service for any other reason.

The Cooperative's sick leave policy for paraeducators and PAT/COTA/PTA employees is that each receives 8 days of sick leave per year based on the number of daily hours assigned to each employee and may accumulate a maximum of 300 hours of sick leave. No accumulated sick leave is paid at separation of service for any reason.

Sick Leave Bank

The sick leave bank is voluntary and open to all certified employees and paraeducators. The purpose of the sick leave bank is to allow staff members to contribute unused sick leave to a pool and allow participating members, who have exhausted their accumulated sick leave to draw from the pool and avoid having their pay reduced. The sick leave bank is administered by the Cooperative pursuant to the guidelines it has established. At the beginning of the school year each employee who wishes to participate in the bank must donate one day by September 1. Days remaining in the bank at the end of the regular school year shall accumulate from year to year. If, on the 1st day of the contract year the number of days accumulated in the bank is less than three times the number of employees applying for participation, all applying will contribute one day to the bank. If the number of accumulated days is more than three times the number of employees participating, only employees who did not participate the previous year will contribute one day to the bank. Employees shall not be eligible for the sick leave bank until they have depleted their current and accumulated individual sick leave. Use of the sick leave bank is subject to approval by the bank committee after the employee becomes eligible. Participating employees shall be limited to a maximum of 30 days use during any one school year.

Personal Leave

The Cooperative's personal leave policy for certified and licensed employees, other than the Director and Assistant Director, is that employees receive 2 days per year for employees having completed less than 5 years, and 3 days per year for employees completing more than 5 years. Employees completing more than 10 years may exchange 1 paid sick leave day for 1 personal leave day. Personal leave days do not accumulate from year to year. Any amount unused at the end of the school year will roll over into sick leave.

The Cooperative's personal leave policy for paraeducators and PAT/COTA/PTA employees is that each receives one day of personal leave per year based on the number of daily hours assigned to each employee. Employees with more than 10 consecutive years experience will receive 1 additional personal leave day. Personal leave does not accumulate from year to year.

Health Savings Account

Each certified employee and full-time classified employee has the option of participating in the Health Savings Account established by the Cooperative. All contributions to the account are made by the employees.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors

North Central Kansas Special Education Cooperative Interlocal No. 636

Phillipsburg, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the *Kansas Municipal Audit and Accounting Guide* and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of **North Central Kansas Special Education Cooperative Interlocal No. 636**, as of and for the year ended June 30, 2022, and the related notes to the financial statement, and have issued our report thereon dated November 21, 2022. The report on the audited financial statement was adverse because it was not presented in conformity with accounting principles generally accepted in the United States of America; however, it was unqualified as presented on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered **North Central Kansas Special Education Cooperative Interlocal No. 636's** internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of **North Central Kansas Special Education Cooperative Interlocal No. 636's** internal control. Accordingly, we do not express an opinion on the effectiveness of **North Central Kansas Special Education Cooperative Interlocal No. 636's** internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether **North Central Kansas Special Education Cooperative Interlocal No. 636's** financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

North Central Kansas Special Education Cooperative Interlocal No. 636's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on **North Central Kansas Special Education Cooperative Interlocal No. 636's** response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. **North Central Kansas Special Education Cooperative Interlocal No. 636's** response was not subjected to the other auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors

North Central Kansas Special Education Cooperative Interlocal No. 636
Phillipsburg, Kansas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited **North Central Kansas Special Education Cooperative Interlocal No. 636's** compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of **North Central Kansas Special Education Cooperative Interlocal No. 636's** major federal programs for the year ended June 30, 2022. **North Central Kansas Special Education Cooperative Interlocal No. 636's** major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, **North Central Kansas Special Education Cooperative Interlocal No. 636** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of **North Central Kansas Special Education Cooperative Interlocal No. 636** and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of **North Central Kansas Special Education Cooperative Interlocal No. 636's** compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to **North Central Kansas Special Education Cooperative Interlocal No. 636's** federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on **North Central Kansas Special Education Cooperative Interlocal No. 636's** compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about **North Central Kansas Special Education Cooperative Interlocal No. 636's** compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding **North Central Kansas Special Education Cooperative Interlocal No. 636's** compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of **North Central Kansas Special Education Cooperative Interlocal No. 636's** internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of **North Central Kansas Special Education Cooperative Interlocal No. 636's** internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
