Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Southwest Guidance Center (a nonprofit organization), which comprise the statement of financial position as of December 31, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Southwest Guidance Center as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southwest Guidance Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

21 PLAZA DRIVE P.O. BOX 2707 LIBERAL, KS 67905-2707 (620) 624-8471 FAX (620) 624-9260 HRA@hayrice.com
Members of the American Institute and of the Kansas Society of Certified Public Accountants
Member of Private Practice Section

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest Guidance Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southwest Guidance Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southwest Guidance Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and other schedules as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 2, 2026, on our consideration of Southwest Guidance Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Southwest Guidance Center's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwest Guidance Center's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Southwest Guidance Center
PO Box 2945
Liberal, KS 67905-2945

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Southwest Guidance Center (a nonprofit organization), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated June 2, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Southwest Guidance Center's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southwest Guidance Center's internal control. Accordingly, we do not express an opinion on the effectiveness of Southwest Guidance Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southwest Guidance Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

There were no non-cash transactions for the years ended December 31, 2025 and 2024.

The accompanying notes are an integral part of these financial statements.

SOUTHWEST GUIDANCE CENTER
Liberal, Kansas

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

Note 1: Summary of Accounting Policies

A. Nature of Activities

Southwest Guidance Center is a community mental health center whose service area is composed of Haskell, Meade, Seward and Stevens counties in Southwestern Kansas. It is governed by a sixteen member board. When an opening occurs on the board, the County Commissioners of the four counties in its service area gives their recommendations for potential board members. However, the board of Southwest Guidance Center approves the final selection of the members to the board.

Southwest Guidance Center is licensed as a community mental health center on a biannual basis by the Mental Health Services of the Kansas Department of Social and Rehabilitation Services.

Its mission is to provide services to meet the health education, prevention, and treatment needs of the residents of its four county service area. This care is to be provided in such a way as to respect the personal dignity and rights of each individual.

The Center's services are made available to every resident of the Center's service area regardless of an individual's race, color, religion, age, sex, or place of national origin.

Persons who present themselves as experiencing a mental health emergency are never denied service for any reason.

B. Income Tax Status

The organization qualifies as a tax exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. In addition, the organization qualifies for a charitable contribution under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending 2023, 2024, and 2025 are subject to examination by the IRS, generally for 3 years after they were filed.

Note 1: Summary of Accounting Policies (Continued)

C. Revenue Recognition

Net fee for service revenue relates to contracts with patients and in most cases involves a third-party payer (Medicaid, commercial, and other managed care insurance companies) in which the Organization's performance obligations are to provide mental health care services. Fee for service revenue is recognized when the performance obligations of providing the services are met. Substantially all the system's performance obligations are satisfied at a point in time.

The transaction price is determined based on gross charges for services provided, reduced by contractual adjustments provided to third-party payers, and implicit price concessions provided primarily to uninsured patients. Patients who have health care insurance may also have discounts applied related to their co-payment or deductible. Implicit price concessions are recorded as a direct reduction to net patient service revenue and are based primarily on historical collection experience. Estimates of contractual adjustments and discounts are determined by major payer classes for patient revenues based on contractual agreements, discount policies, and historical experience. Management continually reviews the contractual estimation process to consider and incorporate updates to laws and regulations and frequent changes in commercial and managed care contractual terms resulting from contract renegotiations and renewals.

Settlements with third-party payers for retroactive revenue adjustments due to audits, reviews, or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. Such estimates are determined through either a probability-weighted estimate or an estimate of the most likely amount, depending on the circumstances related to a given estimated settlement item.

These settlements are estimated based on the terms of the payment agreement with the payer, correspondence from the payer, and historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known, or as years are settled or are no longer subject to such audits, reviews, and investigations.

Note 1: Summary of Accounting Policies (Continued)

C. Revenue Recognition (Continued)

The Organization records special events revenue equal to the fair value of direct benefits to donors, and contribution revenue for the difference. All goods and services are transferred at a point in time. Special event revenue is included in contributions revenue in the accompanying combined statement of activities.

The Organization participates in Behavioral Health Quality Incentive Programs with Medicaid managed care insurance companies (MCO). The MCO incentive programs aim to improve health experiences and outcomes for Medicaid members. All revenue from the programs are contingent on meeting certain performance goals. The Organization recognizes revenue from the incentive programs when certainty of receiving the funds is assured.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

A portion of the Organization's revenue is derived from cost-reimbursable federal, state, and county contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when expenditures are incurred in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the statement of financial position.

Program Services

The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 1: Summary of Accounting Policies (Continued)

D. Cash Equivalents

For purposes of the statement of cash flows, the company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

E. Basis of Accounting

The accompanying financial statements have been prepared on the basis of accounting in accordance with accounting principles generally accepted in the United States of America.

F. Client Accounts Receivable

These assets are recorded at gross billings. No attempt has been made to set up an allowance for doubtful accounts. Direct charge-offs of an account are made when it becomes apparent that collection will not be made. Accounts receivable are then adjusted down to a collectible amount.

G. Property and Equipment

All acquisitions of property and equipment in excess of $250 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method. Depreciation is taken over useful life of 5 to 40 years with no salvage value. Depreciation for 2025 was $93,463.

H. Cash and Time Deposits

Deposits are carried at cost and, if applicable, plus accrued interest. The carrying amount of deposits is separately displayed as "cash".

Southwest Guidance Center deposited and/or invested funds with the Sunflower Bank, Equity Bank and Bank of America, all of Liberal, Kansas.

Note 1: Summary of Accounting Policies (Continued)

H. Cash and Time Deposits (Continued)

At year end the carrying amount of the Center's deposits, including certificates of deposit, was $1,958,533. The bank statement balances were $1,983,185. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. Of the bank balance, $536,722 was covered by FDIC insurance and $1,445,990 was covered by securities pledged.

Certificates of deposit totaling $537,195 ($25,000 at December 31, 2024) are included in cash in the accompanying financial statements. The certificates bear interest ranging from 1% to 4% and have maturities ranging from three to twelve months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

I. Defined Benefit Pension Plan

Plan Description

Southwest Guidance Center participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by KSA 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Annual Comprehensive Financial Report which can be found on the KPERS website at www.kspers.gov or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015.

Note 1: Summary of Accounting Policies (Continued)

I. Defined Benefit Pension Plan (Continued)

Contributions (Continued)

Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 9.71% for the fiscal year ended December 31, 2025. Contributions to the pension plan from Southwest Guidance Center were $157,755 for the year ended December 31, 2025.

Net Pension Liability

At December 31, 2025, Southwest Guidance Center's proportionate share of the collective net pension liability reported by KPERS was $1,450,092. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2024, which was rolled forward to June 30, 2025. Southwest Guidance Center's proportion of the net pension liability was based on the ratio of Southwest Guidance Center's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kspers.org or can be obtained as described above.

Note 1: Summary of Accounting Policies (Continued)

I. Defined Benefit Pension Plan (Continued)

Southwest Guidance Center, Inc. has set up a 403(b)(7) retirement plan in which the employees can elect to contribute to after three months of employment. The agency no longer offers matching funds to employees that participate.

J. Compensated Absences

Professional staff hired prior to January 6, 2011 accrue vacation time at the rate of 1 2/3 vacation days per month or up to 20 working days per year. Professional staff hired after January 6, 2011 accrue vacation time at the rate of 1 1/4 vacation days per month or up to 15 working days per year.

Support staff hired prior to January 6, 2011 accrue vacation time at the rate of 1 1/4 vacation days per month or up to 15 working days per year. Support staff hired after January 6, 2011, accrue vacation time at the rate of .832 vacation days per month or up to 10 working days per year.

Regular part-time employees accrue vacation time prorated on the same basis as that for full-time employees.

Vacation time accumulated from and after the first month of employment was not available for use until after six months of employment.

Earned vacation time must be used and cannot accumulate in excess of the total allowed for one calendar year, which is 240 hours, except with the expressed permission of the executive director.

Liabilities for compensated absences have been inventoried at the end of the year and adjusted to current salary cost.

K. Uncompensated Absences

Upon termination, an employee shall not be paid for any accumulated unused compensatory or sick leave time.

Note 1: Summary of Accounting Policies (Continued)

L. Budget Information and Encumbrances

Annually a budget is approved by the governing body. This approved budget provides management with the total dollar amount that may be legally expended each year: to provide the documentation needed in requesting appropriations from all the participating counties; and to provide other necessary information for management purposes. The annual budget is not required to be filed with the County Clerk for submission to the Kansas Department of Administration.

The operating budget is prepared using the accrual basis of accounting.

M. Expendable Restricted Resources

Operating funds restricted by the grantor or other outside party for particular operating purposes are reported as revenues when earned. The funds incur expenditures in compliance with the specific restrictions of the grantor.

N. Allocation of Expenses

During operations in the year certain types of expenditures are allocated within the general fund. These expenditures are allocated so that the organization may match the expenditures with the appropriate grants. The organization's allocation is in proportion to the budgets that are approved by the grantor and time allocation reports.

O. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

P. Advertising

Advertising costs are expensed as incurred.

Note 1: Summary of Accounting Policies (Continued)

Q. Donated Services

Donated services of the board members were not recognized in the financial statements because they did not meet the criteria for recognition under FASB Codification 958-605-25-16.

R. Financial Statement Presentation

The Organization reports information regarding its financial position and activities to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions.

S. Contributions

Contributions received are recorded as increases in net assets without donor restrictions and net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions.

T. Concentration

The Organization receives a substantial amount of its support from patient fees and grants and contracts. If a significant reduction in the level of these revenues or delay in the timing of receipts were to occur, the Organization would curtail its programs and activities accordingly.

U. Subsequent Events

Management has evaluated subsequent events through June 2, 2026, the date which the financial statements were available to be issued.

Note 2: Fidelity Bonds of Officials at December 31, 2025

Office	Officer	Amount of Indemnity
Treasurer	Board Treasurer	$ 25,000
Office staff	All employees	10,000

Note 3: Investment in Partnership

Southwest Guidance Center invested $65,000 into a limited liability company called BrightEHR LLC in 2015 and a final $50,000 in 2016. It is accounted for on the financial statements under the equity method of accounting. BrightEHR LLC's purpose is to improve the existing electronic medical records software that is currently being used by Southwest Guidance Center and other various mental health centers. Southwest Guidance Center purchased a separate electronic medical records software. In 2024, BrightEHR LLC was dissolved.

Note 4: Reconciliation of Net Income to Net Cash Provided by Operating Activities

	2025	2024
Change in Net Assets	$1,379,568	$1,672,944
Adjustments to reconcile net income to net cash provided by operating activities:		
Depreciation	$ 93,463	$ 91,087
Partnership loss	-	5,050
Changes in assets and liabilities:		
(Increase) decrease in accounts receivable	(957,412)	(461,230)
(Increase) decrease in prepaid expenses	(1,899)	(5,224)
(Decrease) increase in accounts payable	62,375	5,959
(Decrease) increase in accrued compensated balances	(74,908)	461
(Decrease) increase in accrued salaries	17,193	34,770
Total adjustments	$ (861,188)	$ (329,127)
Net Cash Provided by Operating and Non-Operating Activities	$ 518,380	$1,343,817

There were no material noncash investing or financing transactions during 2025 or 2024.

Note 5: Leases

The Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-02, Leases (FASB ASC 842). The ASU and all subsequently issued clarifying ASU's replaced most existing lease guidance in U.S. GAAP. The ASU also required expanded disclosures relating to the nature, amount, timing and cash flows arising from leases.

The Organization determines if an arrangement contains a lease at inception. Leases are included in operating lease right-of-use (ROU) assets and lease liabilities in the combined statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term. Operating lease expense is recognized on a straight-line basis over the lease term. The Organization does not report ROU assets and lease liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term. The Organization does not have any long-term leases, only short-term less than 12 months.

The adoption of FASB ASC 842 did not have a material impact on the Organization's results of operations, cash flows or debt covenants and there was no change to the net assets due to this change. As such, no additional amount or disclosures are included in the financial statements.

Note 6: Availability of Financial Assets and Liquidity

The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date.

	2025	2024
Financial assets at year end:		
Cash	$1,958,533	$1,536,188
Accounts receivable	2,317,013	1,359,676
Total	$4,275,546	$2,895,864

Note 6: Availability of Financial Assets and Liquidity (Continued)

None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the balance sheet date. The accounts receivable are subject to implied time restrictions but are expected to be collected or realized within one year.

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Southwest Guidance Center
PO Box 2945
Liberal, KS 67905-2945

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Southwest Guidance Center's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Southwest Guidance Center's major federal programs for the year ended December 31, 2025. Southwest Guidance Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Southwest Guidance Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

21 PLAZA DRIVE P.O. BOX 2707 LIBERAL, KS 67905-2707 (620) 624-8471 FAX (620) 624-9260 HRA@hayrice.com
Members of the American Institute and of the Kansas Society of Certified Public Accountants
Member of Private Practice Section

We are required to be independent of Southwest Guidance Center and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Southwest Guidance Center's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Southwest Guidance Center's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Southwest Guidance Center's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Southwest Guidance Center's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Southwest Guidance Center's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

- Obtain an understanding of Southwest Guidance Center's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Southwest Guidance Center's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the year ended December 31, 2025

Note A: General

The schedule of expenditures of federal awards presents the activity of the federal financial assistance programs of Southwest Guidance Center. No funds were passed through to subrecipients.

Note B: Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal award activity of Southwest Guidance Center under programs of the federal government for the year ended December 31, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Southwest Guidance Center, it is not intended to and does not present the financial position, changes in net position, or cash flows of Southwest Guidance Center.

Note C: Summary of Significant Accounting Policies

Expenditures reported on the accompanying Schedule of Expenditures of Federal Awards are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein, certain types of expenditures are not allowable or are limited as to reimbursement.

Note D: Indirect Cost Rate

Southwest Guidance Center has elected to use up to 15% de minimis indirect cost rate allowed under the Uniform Guidance.

SOUTHWEST GUIDANCE CENTER

Schedule 3

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
For the year ended December 31, 2025

A. SUMMARY OF AUDITOR'S RESULTS

1. The auditor's report expresses an unmodified opinion on the financial statements of Southwest Guidance Center as prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

2. No significant deficiencies were disclosed during the audit of the financial statement that would be required to be reported in the Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*. No material weaknesses are reported.

3. No instances of noncompliance material to the financial statements of Southwest Guidance Center, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.

4. No significant deficiencies in internal control over major federal award programs disclosed during the audit is reported in the Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance. No material weaknesses are reported.

5. The auditor's report on compliance for the major federal award programs for Southwest Guidance Center expresses an unmodified opinion on all major federal programs.

6. Audit findings that are required to be reported in accordance with 2 CFR Section 200.516(a) are reported in this Schedule.

7. The program tested as a major program was:

   Certified Community Behavioral Health Clinics – Assistance Listing No. 93.696

8. The threshold for determining type A and B programs was $1,000,000.

9. Southwest Guidance Center did not qualify as a low-risk auditee.
