INDEPENDENT AUDITORS' REPORT

Board of Education
Unified School District No. 436
Caney, Kansas 67333

Report on the Financial Statement

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the Unified School District No. 436 Caney, Kansas, as of and for the year ended June 30, 2021 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the applicable audit requirements of the *Kansas Municipal Audit and Accounting Guide*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express

no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the Unified School District No. 436 on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Unified School District No. 436, as of June 30, 2021 or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Unified School District No. 436, as of June 30, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures – actual and budget, individual fund schedules of regulatory basis receipts and expenditures – actual and budget, summary of regulatory basis receipts and disbursements – agency funds, and schedule of regulatory basis receipts and expenditures and unencumbered cash – district activity funds, (Schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. The schedule of expenditures of federal awards (Schedule 5 as listed in the table of contents) is presented for the purpose of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly

to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of Unified School District No. 436, Caney, Kansas as of and for the year ended June 30, 2020 (not presented herein), and have issued our report thereon dated February 15, 2021 which contained an unmodified opinion on the basic financial statement. The June 30, 2020 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://admin.ks.gov/offices/chief-financial-officer/municipal-services>. The June 30, 2020 Actual column (2020 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended June 30, 2020 (Schedule 2 as listed in the table of contents) is presented for the purposes of additional analysis and is not a required part of the basic financial statement. Such 2020 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 basic financial statement. The 2020 comparative information was subjected to the auditing procedures applied in the audit of the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2020 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended June 30, 2020 on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2022, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Cooperative's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Cooperative's internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1A. FINANCIAL REPORTING ENTITY

Unified School District No. 436 is a municipal corporation governed by an elected seven-member board. This financial statement includes transactions of the primary government only.

The District's summary statement of receipts, cash disbursements and unencumbered cash includes the accounts of all District operations. The District's major operations include primary and secondary education of young people in the Caney, Kansas school district area. The scope of the entity for financial reporting purposes is designed as those funds for which the District has oversight responsibility and is primarily accountable. Oversight responsibility includes budgetary authority and fiscal management responsibility. Budgetary authority is defined as authority for final approval of budgetary appropriations and revisions. Fiscal management responsibility is control of the collection and disbursement of funds.

1B. BASIS OF PRESENTATION AND BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

The accounts of the reporting entity are organized into funds, each of which is considered to be separate accounting entities.

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

CANEEY, KANSAS

NOTES TO FINANCIAL STATEMENT

June 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd.)

The following types of funds comprise the financial activities of Unified School District No. 436, for the year ended June 30, 2021:

REGULATORY BASIS FUND TYPES

General Fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Funds - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Trust Funds - funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.)

Agency Funds - funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

1C. REIMBURSEMENTS

The District records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

2A. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.

UNIFIED SCHOOL DISTRICT NO. 436
CANEEY, KANSAS

NOTES TO FINANCIAL STATEMENT

June 30, 2021

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY (cont'd)

2A. BUDGETARY INFORMATION (cont'd)

3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. The budget was not amended.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for Trust Funds and the following Special Purpose Funds:

Contingency Reserve Fund
Textbook & Student Material Fund
Indian Education Fund
Carl Perkins Consortium Fund
Title I Fund
Title II - A Teacher Quality Fund
Bond Construction Fund
District Activity Funds
21st Century Grant Fund
Spark Grant Fund
ESSER Fund

Spending in funds which are not subject to the legal annual operating budget requirement, is controlled by federal regulations, other statutes, or by the use of internal spending limit established by the governing body.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY (cont'd)

2B. COMPLIANCE WITH KANSAS STATUTES AND OTHER FINANCE RELATED
LEGAL MATTERS

Kansas municipalities are subject to the cash-basis law as stated in Kansas Statute 10-1113. The Elementary and Secondary School Emergency Relief Fund has a negative unencumbered cash balance at June 30, 2021, which is allowable under Kansas Statute 12-1663. This fund will be reimbursed in the following fiscal year from federal grant programs.

Management of the District is not aware of any other violations of compliance with Kansas Statutes or violations of other finance related legal matters.

NOTE 3 - DEPOSITS AND INVESTMENTS

At June 30, 2021, the District had no investments.

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%.

UNIFIED SCHOOL DISTRICT NO. 436
CANEE, KANSAS

NOTES TO FINANCIAL STATEMENT

June 30, 2021

NOTE 3 - DEPOSITS AND INVESTMENTS (cont'd)

At June 30, 2021, the District's carrying amount of deposits was \$2,990,031.27 and the bank balance was \$3,488,351.82. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. The bank balance was held by two banks. The entire bank balance was covered by federal depository insurance of \$325,719.91 creating a custodial credit risk; however, the remaining balance was covered with a Sweep Purchase Agreement covering \$3,162,631.91, and Pledged Securities covering \$152,067.01. All deposits were legally secured at June 30, 2021.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

NOTE 4 – IN-SUBSTANCE RECEIPT IN TRANSIT

The District received \$411,049.00 subsequent to June 30, 2021 and as required by K.S.A. 72-6417 and 72-6434 the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2021.

NOTE 5 – LONG-TERM DEBT

SEE SCHEDULES ON PAGES 15 and 16.

NOTE 6 - DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description. The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 S. Kansas, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3

member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after January 1, 2009 and KPERS 3 members were first employed in a covered position on or after

January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate of 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code. State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 16.15% and 14.41%, respectively, for the fiscal year ended June 30, 2020. The actuarially determined employer contribution rate and the statutory contribution rate was 15.59% and 14.23% for the fiscal year ended June 30, 2021.

Senate Substitute for House Bill 2052 authorized the delay of \$64.1 million in fiscal year 2017 contributions. These contributions were set up as a long-term receivable. Payment is scheduled to be made in a series of twenty annual payments of \$6.4 million dollars per year beginning in fiscal year 2018. Senate Substitute for House Bill 2002 authorized the delay of \$194.0 million in fiscal year 2019 contributions. Payment is scheduled to be made in a series of twenty annual payments of \$19.4 million starting in fiscal year 2020.

House Substitute for Senate Bill 109 from the 2018 Legislative session provided for additional funding for the KPERS School Group. A payment of \$56 million was paid in fiscal year 2018. This bill also authorized a payment of \$82 million in fiscal year 2019. The 2019 legislative session authorized an additional fiscal year payment for the KPERS School Group. 2019 Senate Bill 9 authorized a payment of \$115 million for the KPERS School Group. House Substitute for Senate Bill 25 from the 2019 Legislative session authorized additional funding for the KPERS School Group in fiscal year 2020 of \$51 million.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$711,872.02 for the year ended June 30, 2021.

Net Pension Liability

At June 30, 2021, the District's proportionate share of the collective net pension liability reported by KPERS was \$7,645,804.00.00. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2019, which was rolled

forward to June 30, 2020. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2020. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements. The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 7 - RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of; damage to and destruction of assets; errors and omissions; injuries to employees, and natural disasters for which the District carries commercial insurance. Settlements of claims resulting from these risks have not exceeded coverage in any of the past three fiscal years.

NOTE 8 – FLEXIBLE BENEFIT PLAN (I.R.C. SECTION 125)

The Board adopted a salary-reduction flexible benefit plan under Section 125 of the Internal Revenue Code. All full-time employees of the District are eligible to participate in the plan beginning the first day of the month following employment. Each employee may elect to reduce his or her salary to purchase benefits through the plan. Currently, benefits offered through the plan include health insurance, cancer insurance, and advantage disability insurance.

NOTE 10 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post Employment Benefits. As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the District under this program.

Compensated Absences. All non-certified employees plus the Superintendent rendering service throughout the entire year are eligible for vacation benefits varying from one (1) week vacation to four (4) weeks vacation.

Vacation benefits are determined based on years of employment. Unused vacation earned during the current year may be carried past June 30, but must be used by the following December 31st. After this date, the leave will be forfeited. Employees leaving the District shall be paid for accrued vacation leave at the employee's regular daily rate of pay.

The municipality's compensated absence policy permits employees to one (1) day of sick leave for each month contracted plus one day. Unused sick leave may accumulate to 50 days. The Board of Education will pay 100% of the substitute teacher rate for loss of sick leave over 50 days. This amount will be paid in June based on the current year's substitute rate for full time employees.

Upon retirement, if the employee has ten (10) years of continuous service to the School District and qualifies for KPERS Retirement, the Board of Education will purchase unused sick leave at a rate based on 100% of the substitute teachers' rate of pay.

NOTE 10 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (cont'd)

All full-time personnel shall be entitled to four (4) days personal leave with pay per year. The four days shall be used at the discretion of each employee, except that personal leave shall be limited during the last two weeks of school and the duty day before or after a holiday. At the end of the year, classified staff and special services employees will be compensated for unused personal leave at the substitute daily pay rate. Payment will be included in the June payroll. Personal leave will not accumulate. The liability for accrued vacation and sick pay is not reflected on the financial statements. Neither the actual nor estimated amount of the liability could be reasonably estimated at June 30, 2021. The cost of vacation and sick pay are recognized as expenditures when paid.

NOTE 11 – USE OF ESTIMATES

The preparation of statutory basis financial statements required management to make estimates and assumptions that affect the reported amounts of expenditures during the audit period, encumbrances outstanding and disclosure of contingencies at the end of the audit period. Actual results could differ from the estimates.

NOTE 12 – DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through the date of financial statement issuance May 24, 2022.

Notes to the Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2021

Note 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Unified School District No. 436 Caney, Kansas (the District) under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the District, it is not intended to and does not present the financial position, changes in fund balances, or cash flows of the District.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on a basis of accounting which demonstrates compliance with the cash basis and budget laws of Kansas (regulatory basis) with exceptions as noted in Note 3 below. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, or the cost principles contained in the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The District did not elect to use the 10% de minimis indirect cost rate.

Note 3. Reconciliation of the Schedule of Expenditures of Federal Awards to the Financial Statements

Federal funds are intermingled with non-federal funds. The federal portion of funds is assumed to be spent before other funding sources. Therefore, all federal fund requests are considered expended based on draw down requests approved by the pass-through entity.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditors' Report

Board of Directors
Unified School District No. 436
Caney, Kansas 67333

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*, the regulatory basis financial statement of Southeast Kansas Education Service Center, as of and for the year ended June 30, 2021, and the related notes to the financial statement, which collectively comprise Unified School District No. 436 Caney, Kansas' basic financial statement, and have issued our report thereon dated May 24, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's regulatory basis financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditors' Report

Board of Directors
Unified School District No. 436
Caney, Kansas 67333

Report on Compliance for Each Major Federal Program

We have audited the Unified School District No. 436 Caney, Kansas' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the District's major federal program for the year ended June 30, 2021. The District's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the District's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations Requirements for Federal Awards* (Uniform Guidance); and the *Kansas Municipal Audit and Accounting Guide*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on the District's compliance.

Opinion on Each Major Federal Program

In our opinion, the Unified School District No. 436 Caney, Kansas complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Unified School District No. 436 Caney, Kansas is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report in internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
