INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Council
City of Osage City, Kansas

Adverse and Unmodified Opinions
We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Osage City, Kansas, as of and for the year ended December 31, 2025 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles
In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Osage City, Kansas as of December 31, 2025, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting
In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Osage City, Kansas as of December 31, 2025, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles
As discussed in Note 1 of the financial statement, the financial statement is prepared by the City of Osage City, Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement
Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, and schedule of regulatory basis receipts and expenditures-agency funds (Schedules 1, 2, and 3 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of City of Osage City, Kansas as of and for the year ended December 31, 2024 (not presented herein), and have issued our report thereon dated April 2, 2025, which contained an unmodified opinion on the basic financial statement. The 2024 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link https://admin.ks.gov/offices/accounts-reports/local-government/municipal-services. The 2024 actual column (2024 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2025 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2024 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 basic financial statement. The 2024 comparative information was subjected to the auditing procedures applied in the audit of the 2024 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 basic financial statement or to the 2024 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2024 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2024, on the basis of accounting described in Note 1.

The notes to the financial statement
are an integral part of this statement.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statement and schedules of the City of Osage City, Kansas, have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow. Note 1 describes how the City's accounting policies differ from accounting principles generally accepted in the United States of America.

Financial Reporting Entity

The City of Osage City, Kansas, is a second class City governed by a Mayor-Council form of government. The Council consists of eight elected officials. The City has adopted the City-Manager plan of government and employs a manager for the administration of the City's business. This financial statement presents the City of Osage City, Kansas as the primary government and does not include any related municipal entities.

Related Municipal Entities: A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

Osage City Public Library. The City of Osage City, Kansas, Library Board operates the City's public library. Acquisition or disposition of real property by the Board must be approved by the City. Bond issuances must also be approved by the City. The City levies taxes for the Library Board and significantly influences the Library's operations. Separate internal financial statements are available from the Library.

Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the City of Osage City, Kansas, for the year of 2025:

General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Capital Project fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Bond and Interest fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Business fund – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Regulatory Basis Fund Types (Continued)

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Basis of Presentation – Regulatory Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(C), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

Pension Plan

Substantially all full-time City employees are members of the State of Kansas Public Employees Retirement System, which is a multi-employer state-wide pension plan. The City's policy is to fund all pension costs accrued. Such costs to be funded are actuarially determined annually by the State of Kansas.

Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a cash receipt source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of the taxes levied on or before December 20th during the year levied with the balance to be paid on or before May 10th of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for the receipt recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31st such taxes are a lien on the property.

Reimbursed Expenses

The City records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under the KMAAG regulatory basis of accounting.

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following timetable in the adoption of the legal annual operating budget:

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Information (Continued)

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the public hearing shall be no sooner than August 20th and no later than September 20th, but at least ten days after all statutory notification and publication requirements have been met. Municipal budgets requiring a hearing to exceed the revenue neutral rate should be adopted on or before October 1st but may not be adopted prior to the revenue neutral rate hearing. The City did not hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. The City amended the General Fund, Electric Utility Fund, and Sanitation Utility Fund during the year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of the individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital projects funds, trust funds, permanent funds, and the following special purpose funds:

- Capital Improvement Fund
- Pool Capital Improvement Fund
- Equipment Reserve Fund
- Energy Efficiency Fund
- CDBG Fund
- ARPA Fund
- Public Building Commission Fund
- MIH Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Compliance with Kansas Statutes

Statement 1 and Schedule 1 have been prepared in order to show compliance with the cash basis and budget laws of Kansas. As shown in Statement 1 and Schedule 1, the City was in compliance with the cash basis and budget laws of Kansas.

3. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main branch or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2025.

At year-end, the City's carrying amount of deposits was $21,338,779.05 and the bank balance was $21,474,294.19. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, $500,000.00 was covered by FDIC insurance and $20,974,294.19 was collateralized with securities held by the pledging financial institution's agents in the City's name.

4. RIGHT TO USE CONTRACTS

The City has entered into various contracts for office equipment. Right to use expenditures for the year ended December 31, 2025, was $32,690.90. Under the current agreements, the future minimum payments are as follows:

2026	$ 17,685.36
2027	16,763.40
2028	16,763.40
2029	16,763.40
2030	16,763.40

5. LONG-TERM DEBT

Changes in long-term liabilities for the City for the year ended December 31, 2025, were as follows:

Issue	Interest Rates	Date of Issue	Original Amount of Issue	Date of Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
General Obligation Bonds:									
Paid with Tax Levies									
Series 2013	1.40-3.50%	February 1, 2013	$ 665,000.00	December 31, 2028	$ 205,000.00	$ -	$ 50,000.00	$ 155,000.00	$ 6,412.50
Series 2016	2.00-4.00%	February 1, 2016	1,805,000.00	September 1, 2031	805,000.00	-	125,000.00	680,000.00	25,125.00
Series 2018	2.00-4.00%	February 1, 2018	3,000,000.00	September 1, 2038	2,325,000.00	-	130,000.00	2,195,000.00	83,825.00
Paid with Utility Receipts									
Series 2025	4.00 - 5.00%	May 29, 2025	3,080,000.00	September 1, 2035	-	3,080,000.00	-	3,080,000.00	-
State Revolving Loans:									
Paid with Utility Receipts									
No. 1677-01	2.020%	April 25, 2017	3,174,104.79	March 1, 2038	534,016.43	2,125,090.38	210,566.06	2,448,540.75	18,409.70
No. 3084-01	2.270%	January 30, 2024	714,199.00	September 1, 2045	118,873.00	449,150.49	-	568,023.49	2,985.41
State Low Interest Loan:									
Paid with Utility Receipts	0.250%	March 22, 2021	1,650,000.00	March 1, 2031	1,074,269.19	-	164,772.07	909,497.12	21,279.53
Total Contractual Indebtedness					$ 5,062,158.62	$ 5,654,240.87	$ 680,338.13	$ 10,036,061.36	$ 158,037.14

5. LONG-TERM DEBT (Continued)

Current maturities of long-term liabilities and interest for the next five years and in five year increments through maturity is as follows:

Issue	2026	2027	2028	2029	2030	2031-2035	2036-2040	2041-2045	Total
Principal

6. DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kspers.gov or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1 and KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 9.71% for the fiscal year ended December 31, 2025. Contributions to the pension plan from the City were $178,179.87 for the year ended December 31, 2025.

Net Pension Liability

At December 31, 2025, the City's proportionate share of the collective net pension liability reported by KPERS was $1,365,974.00. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2024, which was rolled forward to June 30, 2025. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kspers.gov or can be obtained as described above.

7. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Death and Disability Other Post-Employment Benefits: As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2025.

7. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

Compensated Absences
Regular full time employees earn and accumulate vacation leave as follows:

Years of Employment	Hours Earned Per Pay Period	Maximum Hours Accrued
0 – 9	4	140
10 – 14	6	160
15 and Over	8	180

No paid vacation leave time may be taken during the first six (6) months of employment. An employee will be allowed to carryover vacation leave from one employment anniversary year period to the next, to a maximum amount of vacation leave earned in the employee's preceding anniversary date period.

Regular full time employees earn and accumulate sick leave from the beginning of employment as follows:

Years of Employment	Hours Earned Per Pay Period	Maximum Days Accrued
0 – 9	4	90
10 – 19	4	120
20 and Over	4	160

When an employee retires or terminates employment with the City in good standing, then the employee shall be compensated for unused sick leave upon leaving based on the years of service and amount of accrued hours.

The City has no formal policy regarding compensatory time, however it is accumulated.

The City estimates a liability for compensated absences which meet the following criteria:

1. The City's obligation relating to employees' rights to receive compensation for future absences is attributable to employees' services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated and, is material.

In accordance with the above criteria, the City has estimated a liability for annual leave which has been earned, but not taken, by City employees. The estimated liability for accrued annual leave at December 31, 2025, was $86,542.68. The City has estimated a liability for sick leave earned, but not taken by City employees in the amount of $62,589.12 at December 31, 2025. The estimated liability for compensatory time at December 31, 2025, was $7,740.93.

Other Post Employment Benefit Obligations:
As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the city is subsidizing the retirees because each participant is charged a level premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the Federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

7. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. Those individuals that retire on or after January 1, 2004, the City will cover one-half of the cost of a single health insurance plan until the retiree reaches the age of 65. The City has estimated a liability in the following schedule of benefits paid and payable for eligible employees which have taken the retirement option as of December 31, 2025:

Paid or Payable	Year Ended	Amount
Paid	2025	$ 4,832.64
Payable	2026	4,832.64
Payable	2027	4,832.64
Payable	2028	4,832.64
Payable	2029	4,832.64
Payable	2030	3,624.48

8. LEASING ACTIVITIES

The City has leased various property and buildings and collected rent for the year ended December 31, 2025 of $83,601.18. Future minimum lease payments under the lease agreements are as follows:

2026	$ 59,304.68
2027	54,304.68
2028	54,304.68
2029	54,004.68

9. CAPITAL PROJECTS

The following is a summary of capital project authorizations and expenditures to date:

PROJECT NAME	AUTHORIZED	EXPENDED THRU 12/31/25	ESTIMATED COMPLETION
Sanitary Sewer Improvements Phase 2	$ 4,023,465.79	$ 3,502,423.57	Completed
Sanitary Sewer Improvements Phase 4	1,185,000.00	926,523.14	Completed
Sanitary Sewer Improvements Phase 5	1,600,000.00	8,574.00	2026
Electric Utility System Improvements	3,265,000.00	2,915,698.11	2026

10. CONTINGENT LIABILITIES

In the normal course of operations, the City receives grant funds from various federal agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as the result of these audits is not believed to be material.

11. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

11. RISK MANAGEMENT (Continued)

The City has been unable to obtain workers' compensation insurance at a cost it considers to be economically justifiable. For this reason, the City has joined together with other cities in the State to participate in Kansas Municipal Insurance Trust (KMIT), a public entity risk pool currently operating as a common risk management and insurance program for participating members. The City pays annual premium to KMIT for its workers' compensation insurance coverage. The agreement to participate provides that KMIT will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KMIT management.

12. ECONOMIC DEPENDENCY

In 2025 the City sold 61,399,000 gallons to Osage County Rural Water Supply District No. 7, which accounted for 37.56% of the total gallons sold and sold 32,450,000 gallons to the City of Burlingame, which accounted for 19.85% of the total gallons sold.

In 2025, 7.29% of kilowatt hours of electricity sold by the City was purchased by Orbis Corporation.

In 2025, the City purchased and generated 25,620,277 KWH's of energy as follows:

	KWH's			
	Purchased	Generated	Total	Percent
GRDA	19,417,248	- -	19,417,248	75.79%
WAPA	2,422,308	- -	2,422,308	9.45%
Solar	3,059,088	- -	3,059,088	11.94%
EMP-3	721,633	- -	721,633	2.82%
Total	25,620,277	- -	25,620,277	100.00%

13. COMMITMENTS AND CONTINGENCIES

The City has entered into a ten year agreement with Osage County Rural Water Supply District No. 7 for the maximum water supply of 87,600,000 gallons annually effective until June 30, 2036, with an automatic five year renewal at a price of $5.25 per thousand gallons.

The City has entered into a forty year agreement with City of Burlingame, Kansas for the maximum daily water supply of 250,000 gallons effective until 2032. The City reached an agreement on October 14, 2005 to increase the maximum daily water supply to 350,000 gallons due to the addition of the City of Harveyville, which flows through the City of Burlingame. In exchange for the sale of water, the City of Burlingame will pay to the City a base fee of $1,418.49 monthly.

The City has entered into a forty year agreement with the State of Kansas for the purchase of water up to 100 million gallons annually from Melvern Lake effective until 2033.

The City has entered into two long term base load energy contracts both are administered by (KMEA) Kansas Municipal Energy Agency. The first is for 2.75 MW of energy supplied by GRDA (Grand River Dam Authority) and the second one is for 0.70 MW of energy supplied by WAPA (Western Area Power Administration). These arrangements are in place through 2026 and midnight September 30, 2054, respectively. The City also has an energy only purchase contract with KMEA, through the EMP-3 Project for .75 MW supplied by NextEra, this contract terminates on December 31, 2027. If the City has energy requirements beyond these contracts, that energy will come from the SPP (Southwest Power Pool) Day Two Market or from the City's own generation fleet.

14. INTERFUND TRANSFERS

Operating transfers were as follows:

From Fund:	To Fund:	Statutory Authority	Amount
Natural Gas Utility	Bond and Interest	K.S.A. 12-825d	$ 60,000.00
