INDEPENDENT AUDITOR'S REPORT

Mayor and City Council  
City of Elwood, Kansas

***Adverse and Unmodified Opinions***

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Elwood, Kansas and its related municipal entity, the Elwood Public Housing Authority, (collectively, the City), as of and for the year ended December 31, 2021 and the related notes to the financial statement.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse and Unmodified Opinions" section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City as of December 31, 2021, or the changes in financial position and cash flows thereof for the year then ended.

***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City as of December 31, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

***Basis for Adverse and Unmodified Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statement" section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified opinions.

***Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## **Responsibilities of Management for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## **Auditor's Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget and individual fund schedules of regulatory basis receipts and expenditures-actual and budget (Schedules 1, 2, and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

### **Other Matter**

The 2020 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget (Schedule 2 as listed in the table of contents) for the year ended December 31, 2020, is presented for purposes of additional analysis and is not a required part of the basic financial statement.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the City of Elwood, Kansas as of and for the year ended December 13, 2020 (not presented herein), and have issued our report thereon dated October 19, 2021, which contained an unmodified opinion on the basic financial statement. The 2020 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <https://admin.ks.gov/offices/oar/municipalservices>. The 2020 actual column (2020 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended December 31, 2021 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2020 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 basic financial statement. The 2020 comparative information was subjected to the auditing procedures applied in the audit of the 2020 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2020 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2020, on the basis of accounting described in Note 1.

CITY OF ELWOOD, KANSAS  
Notes to the Financial Statements  
December 31, 2021

NOTE 1 - Summary of Significant Accounting Policies

Financial Reporting Entity

The City of Elwood (City) is a municipal corporation governed by a mayor and a five-member council. These financial statements present the City and its related municipal entity. The related municipal entity is included in the City's reporting entity because they were established to benefit the City and/or its constituents. The discretely presented related municipal entity, the Elwood Public Housing Authority, has a June 30, 2021, year-end.

The Elwood Public Housing Authority (the Housing Authority) operates the City's housing projects. The Housing Authority can sue and be sued, and can buy, sell or lease real property. Bond issuances must be approved by the City.

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The *Kansas Municipal Audit and Accounting Guide* (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

Regulatory Basis Fund Types

The following types of funds comprise the financial activities of the City for the year ended December 31, 2021:

General Fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund - used to account for the proceeds of specific tax levies and other specific regulatory receipts sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Business Fund - funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.)

CITY OF ELWOOD, KANSAS  
Notes to the Financial Statements  
December 31, 2021

NOTE 1 - Summary of Significant Accounting Policies (Continued)

Reimbursed Expense

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as cash receipts. In the financial statement and budget schedule comparisons presented in this report, reimbursements and refunds are recorded as cash receipts. The reimbursements are recorded as cash receipts when received by the City Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the City is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The City did not hold a revenue neutral rate hearing for this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held, and the governing body may amend the budget at that time. The original budget was amended for the Electric Utility Fund and Water Utility Fund budget during the year ended December 31, 2021.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the City for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for the ARPA Grant Fund.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

CITY OF ELWOOD, KANSAS  
Notes to the Financial Statements  
December 31, 2021

NOTE 2 - Deposits and Investments

*Deposits.* K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

*Investments.* K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices. As of December 31, 2021, the City held no such investments.

*Concentration of credit risk.* State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk - deposits.* Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The City has no designated "peak periods." All deposits were legally secured at December 31, 2021.

At December 31, 2021, the City's carrying amount of deposits was \$651,944 and the bank balance was \$861,932. The bank balance was held by one banks, resulting in a concentration of credit risk. Of the bank balance, \$250,000 was covered by federal depository insurance and the balance of \$611,932 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

At December 31, 2021, the Housing Authority's carrying amount of deposits was \$13,085 and the bank balance was \$13,085. The bank balance was held by one bank, resulting in a concentration of credit risk. Of the bank balance, \$13,085 was covered by federal depository insurance.

*Custodial credit risk - investments.* For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. The City held no investments at December 31, 2021

NOTE 3 - Compensated Absences

The City's personnel policy grants employees annual vacation in varying amounts depending on length of service. Annual vacation leave is accumulated at the rate of 10 days after year one; 15 days after year 5; and 20 days after year 10. Any unused vacation leave at year-end is paid out to the employee at the employee's pay rate on December 31. As of December 31, 2021, the liability for this vacation leave policy was \$11,020.

The City's personnel policy also grants employees annual sick leave at a rate of 40 hours after the first year of service. Any unused sick leave is paid out to the employee at the employee's rate of pay on April 1 of the following year. As of December 31, 2021, the liability for this sick leave policy was \$5,335.

CITY OF ELWOOD, KANSAS  
Notes to the Financial Statements  
December 31, 2021

**NOTE 4 - Retirement Plans**

*Plan Description.* The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

*Contributions.* K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for the fiscal year ended December 31, 2021. Contributions to the pension plan from the City were \$37,925 for the year ended December 31, 2021.

*Net Pension Liability.* At December 31, 2021, the City's proportionate share of the collective net pension liability reported by KPERS was \$276,842. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup of KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report, including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the KPERS website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

**NOTE 5 - Other Long-Term Obligations from Operations**

*Other Post-Employment Benefits.* As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the City under this program.

*Death and Disability Other Post-Employment Benefits.* As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2021.

CITY OF ELWOOD, KANSAS  
Notes to the Financial Statements  
December 31, 2021

NOTE 6 - Long-term Debt

The following table summarizes changes in long-term debt for the year ended December 31, 2021:

	Beginning Principal	Additions to Principal	Reductions of Principal	Ending Principal	Interest Paid
<u>Type of Issue</u>	<u>Outstanding</u>	<u>Principal</u>	<u>Principal</u>	<u>Outstanding</u>	
General Obligation Bonds	\$1,795,000	\$ -	\$ 50,000	\$1,745,000	\$ 41,440

*General Obligation Debt.* The following table details the City's outstanding general obligation debt as of December 31, 2021:

	Interest Rates	Date of Issue	Final Maturity	Original Amount	Amount Outstanding
<u>General Obligation Bonds</u>					
Series 2020 Refunding Bonds	2.00% - 2.65%	3/18/2020	10/1/2048	\$1,860,000	\$1,745,000

The annual debt service requirements to maturity for the general obligation bonds are as follows:

Year Ending	Principal	Interest	Total
<u>December 31,</u>			
2022	\$ 50,000	\$ 40,440	\$ 90,440
2023	50,000	39,440	89,440
2024	50,000	38,440	88,440
2025	50,000	37,440	87,440
2026	55,000	36,440	91,440
2027 - 2031	280,000	165,700	445,700
2032 - 2036	310,000	136,138	446,138
2037 - 2041	340,000	99,350	439,350
2042 - 2046	390,000	53,815	443,815
2047 - 2048	170,000	6,758	176,758
	<u>\$1,745,000</u>	<u>\$653,961</u>	<u>\$2,398,961</u>

NOTE 7 - Interfund Transfers

A reconciliation of transfers by fund for the year ended December 31, 2021 follows:

<u>From</u>	<u>To</u>	<u>Amount</u>	<u>Regulatory Authority</u>
General Fund	Bond and Interest Fund	\$ 75,453	Bond Covenant
Sewer Utility Fund	Employee Benefit Fund	77,403	K.S.A. 12-825d
Total		<u>\$152,856</u>	

CITY OF ELWOOD, KANSAS  
Notes to the Financial Statements  
December 31, 2021

NOTE 8 - Risk Management

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City carries commercial insurance for these risks of loss with the exception of loss from damage to or destruction of the electrical distribution system, including related lost regulatory receipts. No significant reductions in insurance coverage from that of the prior year have occurred. Settlements have not exceeded insurance coverage for each of the last three years.

During the ordinary course of its operations, the City is a party to various claims, legal actions and complaints. In the opinion of management and legal counsel, no such claims, legal actions or complaints would not have a material effect on any of the financial statements of the City at December 31, 2021.

NOTE 9 - Statutory Violations

The Water Fund had negative ending unencumbered cash as of December 31, 2021, which is a violation of K.S.A. 10-1113.

NOTE 10 - Subsequent Events

On February 1, 2022, the City entered into a \$180,010 lease purchase agreement with a local bank for the purchase and installation of equipment. Terms of the lease call for annual principal payments and carries a 3.5% interest rate. The lease is scheduled to mature on February 1, 2032.
