INDEPENDENT AUDITOR'S REPORT

Unified School District No. 210 Recreation Commission Hugoton, Kansas 67951

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the Unified School District No. 210 Recreation Commission, Hugoton, Kansas, a related municipal entity of Unified School District No. 210, Hugoton, Kansas, as of and for the year ended June 30, 2019 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

Unified School District No. 210 Recreation Commission Hugoton, Kansas 67951

Page 2

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the Unified School District No. 210 Recreation Commission on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Unified School District No. 210 Recreation Commission as of June 30, 2019, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Unified School District No. 210 Recreation Commission as of June 30, 2019, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Other Matters Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget and individual fund schedules of regulatory basis receipts and expenditures-actual and budget, (Schedules 1 and 2 as listed

Unified School District No. 210 Recreation Commission Hugoton, Kansas 67951

Page 3

in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of Unified School District No. 210 Recreation Commission as of and for the year ended June 30, 2018 (not presented herein), and have issued our report thereon dated October 4, 2018, which contained an unmodified opinion on the basic financial statement. The 2018 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link http://www.admin.ks.gov/offices/chief-financial-officer/municipal-services. The 2018 actual column (2018 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures-actual and budget for the year ended June 30, 2019 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2018 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2018 basic financial statement. The 2018 comparative information was subjected to the auditing procedures applied in the audit of the 2018 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2018 basic financial statement or to the 2018 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2018 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended June 30, 2018, on the basis of accounting described in Note 1.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019

Note 1: Summary of Significant Accounting Policies

Municipal Financial Reporting Entity

The Unified School District No. 210 Recreation Commission oversees recreational activities. The Unified School District No. 210 Recreation Commission operates as a separate governing body, but the USD levies the taxes for the Recreation Commission and the Recreation Commission has only the powers granted by statute K.S.A. 12-1928. The Unified School District No. 210 Recreation Commission is a jointly governed organization of Unified School District No. 210. The governing body of the Recreation Commission consists of five members of which the Unified School District No. 210 school board appoints two members, the Hugoton City Council appoints two members and one member is selected at large.

Fund Descriptions

In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

Regulatory Basis Fund Types

The following types of funds comprise the financial activities of the Recreation Commission for the year ending June 30, 2019:

<u>General Fund – The Chief Operating Fund</u> – used to account for all resources except those required to be accounted for in another fund.

<u>Employee Benefits Contribution Fund</u> – used to account for resources to be used for the Recreation Commission's share of employee benefits.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 1: <u>Summary of Significant Accounting Policies</u> (Continued)

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

The basis of accounting described above results in a financial statement presentation which shows cash receipts, cash expenditures, cash and unencumbered cash balances, and expenditures compared to budget. Balance sheets that would have shown noncash assets such as receivables, inventories and prepaid expense, liabilities such as deferred revenue and matured principal and interest payable, and reservations of the fund balance are not presented. Under accounting principles generally accepted in the United States of America, encumbrances are only recognized as a reservation of fund balance; encumbrances outstanding at year end do not constitute expenditures or liabilities. Consequently, the expenditures as reported do not present the cost of goods and services received during the fiscal year in accordance with generally accepted accounting principles. General capital assets that account for the land, buildings and equipment owned by the municipality are not presented in the financial statements. Also, general long-term debt such as general obligation bonds, revenue bonds, capital leases, temporary notes and compensated absences are not presented in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 1: <u>Summary of Significant Accounting Policies</u> (Continued)

Other Accounting Policies

Cash and Time Deposits

These liquid assets are shown in aggregate. K.S.A. 12-1671 and 12-1672 allow these assets to be shown in aggregate.

Time deposits are carried at cost plus accrued interest. The carrying amount of deposits is separately displayed as "cash and time deposits".

Vouchers Payable

Vouchers payable are classified on the basis of a claim for payment resulting from legal title to property.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in the governmental funds.

In addition, encumbrances do constitute expenditures of a fund.

Unencumbered Cash Balances

The unencumbered cash balance is the unobligated resources of cash and time deposits of a fund.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 1: <u>Summary of Significant Accounting Policies</u> (Continued)

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the General Fund. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for the prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 1: <u>Summary of Significant Accounting Policies</u> (Continued)

Budgetary Information (Continued)

Tax Cycle

In Kansas, the County Clerk calculates the final tax levy rates necessary to finance the budget subject to any legal limitations. The clerk then certifies the tax roll to the County Treasurer, who prepares tax statements and receives payments. Taxes are levied in November and are due by December 20. Taxpayers may elect to pay in two installments, with the second half due by May 10.

Note 2: Stewardship, Compliance and Accountability

Compliance with Kansas Statutes

Contrary to the provisions of KSA 10-1117 and KSA 79-2934, the Recreation Commission did not maintain a formal encumbrance record or an unencumbered budget balance record.

Note 3: Deposits and Investments

K.S.A. 9-1401 establishes the depositories which may be used by the Unified School District No. 210 Recreation Commission. The statute requires banks eligible to hold the Unified School District No. 210 Recreation Commission's funds have a main or branch bank in the county in which the Recreation Commission is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Unified School District No. 210 Recreation Commission has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Unified School District No. 210 Recreation Commission's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Unified School District No. 210 Recreation Commission has no investment policy that would further limit its investment choices.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 3: <u>Deposits and Investments</u> (Continued)

<u>Concentration of Credit Risk</u> – State statutes place no limit on the amount the Unified School District No. 210 Recreation Commission may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

<u>Custodial Credit Risk – Deposits</u> – Custodial credit risk is the risk that in the event of a bank failure, the Unified School District No. 210 Recreation Commission's deposits may not be returned to it. State statutes require the Recreation Commission's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The Unified School District No. 210 Recreation Commission has no "peak periods". All deposits were legally secured at June 30, 2019.

At June 30, 2019, the Unified School District No. 210 Recreation Commission's carrying amount of deposits, including certificates of deposit, was \$981,689 and the bank balance was \$1,004,075. Of the bank balance, \$500,000 was covered by federal depository insurance and the remaining \$504,075 was collateralized with securities held by the pledging financial institutions' agents in the Unified School District No. 210 Recreation Commission's name.

<u>Custodial Credit Risk – Investments</u> – For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the Unified School District No. 210 Recreation Commission will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 4: Defined Benefit Pension Plan

General Information about the Pension Plan

Plan Description

Unified School District No. 210 Recreation Commission participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.39% for the fiscal year ended December 31, 2018. Contributions to the pension plan from the Recreation Commission were \$16,714 for the year ended December 31, 2018.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 4: <u>Defined Benefit Pension Plan</u> (Continued)

Net Pension Liability

At December 31, 2018, the Recreation Commission's proportionate share of the collective net pension liability reported by KPERS was \$133,232. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2017, which was rolled forward to June 30, 2018. The Recreation Commission's proportion of the net pension liability was based on the ratio of the Recreation Commission's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

Note 5: Other Long-Term Obligations from Operations

Compensated Absences

Vacation and Sick Leave

The Recreation Commission's policy regarding vacations permits a maximum of four weeks depending on tenure, for any full-time employee. Two weeks are given for 1-9 years of tenure, three weeks for 10-19 years, and four weeks for tenure over 20 years.

Full-time employees earn one sick day per month and can accumulate up to sixty days. Any days over sixty may not be carried over.

Upon termination, retirement, or resignation, no unused vacation, personal leave, or sick leave days are paid.

The Recreation Commission does not accrue compensated absences. These costs are expensed as paid.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended June 30, 2019 (Continued)

Note 6: <u>Subsequent Events</u>

Unified School District No. 210 Recreation Commission's management has evaluated events and transactions through August 26, 2019, the date which the financial statement was available to be issued.
