INDEPENDENT AUDITOR'S REPORT

To the Board of Education
Unified School District No. 495
Larned, Kansas 67550

Report on the Financial Statement

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Unified School District No. 495, Larned, Kansas, a Municipality, as of and for the year ended June 30, 2017, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the Kansas Municipal Audit and Accounting Guide. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by Unified School District No. 495, Larned, Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Unified School District No. 495, Larned, Kansas as of June 30, 2017 or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Unified School District No. 495, Larned, Kansas as of June 30, 2017, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, summary regulatory basis receipts and disbursements-agency funds and schedule of receipts, expenditures and unencumbered cash-district activity funds (Schedules 1, 2, 3 and 4 as listed in the table of contents) are presented for additional analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The schedule of expenditures of federal awards is also presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statement. The supplementary information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the 2017 basic financial statement. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 27, 2017, on our consideration of Unified School District No. 495's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Unified School District No. 495's internal control over financial reporting and compliance.

UNIFIED SCHOOL DISTRICT NO. 495, LARNED, KANSAS
NOTES TO THE FINANCIAL STATEMENT
June 30, 2017

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

Unified School District No. 495, Larned, Kansas (District) is a municipal corporation governed by an elected seven-member board. This financial statement presents Unified School District No. 495 (the municipality) and does not include any of its related municipal entities.

B. REGULATORY BASIS FUND TYPES

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project fund - used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Trust fund - funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Agency fund - funds used to report assets held by the municipality in a purely custodial capacity (payroll clearing fund, student activity accounts, etc.).

C. BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

D. CASH AND INVESTMENTS

Cash balances from all funds are combined and invested to the extent available. Cash and investments consist of checking accounts, interest bearing checking accounts, savings accounts and certificates of deposit. Earnings from these investments are allocated to designated funds. Cash and investments are stated at cost.

E. AD VALOREM TAX REVENUE

The determination of assessed valuation and the collection of property taxes for all political subdivisions in the State of Kansas are the responsibility of the various counties. The County Appraiser annually determines assessed valuation and the County Clerk spreads the annual assessment on the tax rolls. One-half of the property taxes are due December 20 and distributed to the District by January 20. The second half is due May 10 and distributed to the District by June 5. The District Treasurer draws available funds from the County Treasurer at designated times throughout the year.

F. REIMBURSED EXPENSES

The District records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

G. USE OF ESTIMATES

The preparation of the financial statement on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas requires management to make estimates and assumptions that affect the amounts reported in the financial statement and accompanying notes. Actual results may differ from those estimates.

Note 2 - BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

Adjustment to Comply with Legal Max: Districts should use this line item (for use in the budget column only) to adjust the certified budget to comply with the "Legal Max" budget. The State Board of Education calculates the "Legal Max" budget using enrollment figures. The District's budgeted expenditures are limited to the lower of the published budget or the "Legal Max" budget.

Note 2 - BUDGETARY INFORMATION (Cont'd.)

Adjustment for Qualifying Budget Credits: Districts may use this line item for any budgeted fund. The adjustment would be a positive amount. All budget adjustments must be authorized by Kansas statutes. Examples include: expenditure of federal grant monies, reimbursements, gifts and donations and receipts authorized by law to be spent as if they were reimbursed expenses.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds:

Gifts and Grants Fund	Title II-A Fund
Contingency Reserve Fund	Miscellaneous Federal Grants Fund
Textbook Rental Fund	District Activity Funds
Title I Fund	

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Note 3 - COMPLIANCE WITH KANSAS STATUTES

Management is aware of no statutory violations for the period covered by the audit.

Note 4 - DEPOSITS

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC Coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investments of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

Concentration of credit risk . State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk - deposits . Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance, bank guarantee bonds, or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All deposits were legally secured at June 30, 2017.

Note 4 - DEPOSITS (Cont'd.)

At June 30, 2017 the District's carrying amount of deposits was \$9,608,056.38 and the bank balance was \$10,576,511.59. The bank balance was held by four banks resulting in a concentration of credit risk. Of the bank balance, \$1,306,725.11 was covered by federal depository insurance, and \$9,269,786.48 was collateralized with securities held by the pledging financial institution's agents in the District's name.

Note 5 - IN-SUBSTANCE RECEIPT IN TRANSIT

The District received \$531,022.00 subsequent to June 30, 2017 and as required by K.S.A. 72-6466 and K.S.A. 72-6483 the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2017.

Note 6 - CAPITAL PROJECTS

Capital project authorizations with approved change orders compared with cash disbursements and accounts payable from inception are as follows:

	Project Authorization	Reimb. and Interest Credited To Fund	Total Project Authorization	Cash Disbursements and Accounts Payable To Date
School Project Series A	\$ 19,400,000.00	\$ 321,557.35	\$ 19,721,557.35	\$ 19,390,388.24
School Project Series B	2,800,000.00	58,724.29	2,858,724.29	2,839,655.69

Note 7 - SUMMARY OF INDEBTEDNESS

The District is subject to the statutes of the State of Kansas that limits the net bonded debt. The debt outstanding may not exceed 14% of the assessed value of all tangible taxable property within the District unless additional authority is granted by the Kansas State Board of Education. The amount of bonds outstanding is computed exclusive of certain bonds specifically exempted from this limitation. At June 30, 2017, the statutory limit for the District was \$7,957,826.80. The outstanding bond principal represents 38.39% of the District valuation. The District received a waiver from the Kansas Department of Education to exceed the bond debt limit.

Note 8 - LONG-TERM DEBT

Changes in long-term liabilities for the District for the year ended June 30, 2017 were as follows:

Issue	Interest Rates	Date of Issue	Amount of Issue	Date of Final Maturity
General obligation bonds:				
Series 2015-A	3.00 - 5.00%	6/24/2015	\$ 19,400,000.00	10/01/2035
Series 2015-B	2.00%	6/24/2015	2,800,000.00	10/01/2019

Total contractual indebtedness

Current maturities of long-term debt and interest for the next five years and in five year increments through maturity are as follows:

	06/30/2018	06/30/2019	06/30/2020	06/30/2021
Principal:				
General obligation bonds	\$ 845,000.00	\$ 855,000.00	\$ 875,000.00	\$ 890,000.00
Total principal	845,000.00	855,000.00	875,000.00	890,000.00
Interest:

Note 10 - OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post Employment Benefits. As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Termination Benefits. An employee is eligible for early retirement if such employee is currently a full-time certified teacher of the school district, at least 62 years of age, has at least fifteen (15) years or more of teaching experience with the district and provides proof of retirement according to KPERS. An eligible employee who takes early retirement is entitled to receive annually from the school district a sum of money (early retirement benefit) equal to the product of: First Year - 10% of their base salary at retirement; Second Year - 10% of their base salary at retirement; Third year - 10% of their base salary at retirement or the amount of the annual reduction in benefits from KPERS and/or Social Security, whichever may be less. Early retirement cash benefits will cease when retiree reaches age 65. To receive the same health insurance benefit afforded to all continuing contract teachers enrolled in the District's group health insurance plan, the retiring teacher must have been enrolled in the plan the two consecutive school years that are immediate to the retirement. The amount paid by the Board under this provision is fixed at the date of retirement. As of June 30, 2017 there was one employee participating in the program. Amount paid during the fiscal year ended June 30, 2017 under this plan was \$4,548.60. The liability for early retirement payments at June 30, 2017 was \$1,895.25.

Compensated Absences.

Vacation Policy. After one year of employment all full-time twelve month employees will receive five days of paid vacation per year. After the second year full-time twelve month employees will receive ten days paid vacation. After working ten consecutive years full-time twelve month employees will receive fifteen days paid vacation. All full-time twelve month employees can accumulate vacation days up to the amount of the previous year plus current year's entitlement. Upon retirement, death or separation of employment after five continuous years of service the employee will be compensated for all unused and accumulated vacation days. The potential liability for vacation leave as of June 30, 2017 is \$22,106.31.

Note 10 - OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Cont'd.)

Compensated Absences (Cont'd.).

Sick Leave. All classified employees will be credited with nine sick days per year. If hired during the school year those days will be prorated at a rate of one day per month for the remainder of the school year. Classified employees can accumulate sick days to a total of one half of the employee's contracted days. Upon retirement, death or separation of employment after five continuous years of service the employee will be compensated for all unused and accumulated sick leave at the rate of \$10.00 per day.

All certified employees will be credited with six days of sick leave at the beginning of the school year. Certified employees can accumulate sick days up to a total of ninety days. Upon retirement, death or separation of employment after five continuous years of service the employee will be compensated for all unused and accumulated sick leave at the rate of \$50.00 per day.

The potential liability for sick leave as of June 30, 2017 is \$213,408.57.

Earned Leave. At the beginning of each contract year all twelve month salaried personnel, administrators and directors will be credited with fifteen to nineteen days of earned leave depending on the length of their contract. Earned leave can accumulate up to a total of one half of the employee's contracted days. Earned leave includes but is not limited to personal leave or sick leave. Upon retirement, death or separation of employment after five continuous years of service the employee will be compensated for all unused and accumulated earned leave at the rate of \$20.00 per day. The potential liability for earned leave as of June 30, 2017 is \$28,400.00.

Personal Leave. Classified employees will be credited with three days of personal leave per school year. Any unused personal leave will be added to the employee's sick leave balance subject to the maximum accumulation provisions described above. After five years of employment an employee may choose to be compensated for unused personal leave to be added to the employee's final check of the school year. Employee's will be compensated for unused personal leave at their regular rate of pay per day up to \$50.00 per day.

Certified employees will be credited with six days of personal leave per school year. Any unused personal leave will be added to the employee's sick leave subject to the maximum accumulation of ninety days. Employees may choose to be compensated for unused personal leave to be added to the employee's final check of the school year. Employee's will be compensated for unused personal leave at the rate of \$75.00 per day.

Note 11 - DEFINED BENEFIT PENSION PLAN

Plan description. The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, etc. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

Note 11 - DEFINED BENEFIT PENSION PLAN (Cont'd.)

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate through March 31, 2016 with a 0% moratorium until June 30, 2017 for the Death and Disability Program) and the statutory contribution rate was 16.00% and 10.91%, respectively, for the fiscal year ended June 30, 2016. The actuarially determined employer contribution rate and the statutory contribution rate was 16.03% and 10.81%, respectively, for the fiscal year ended June 30, 2017. Per 2016 House Substitute for Senate Bill 161, Section 98(a)(1), state general fund and expanded lottery act revenue funds for employer contributions to KPERS were deferred. The amount deferred for school contributions was \$92,917,091.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$646,652.37 and \$688,906.59, respectively, for the fiscal year ended June 30, 2017 and 2016.

Net Pension Liability. At June 30, 2017 the District's proportionate share of the collective net pension liability reported by KPERS was \$12,363,996. The net pension liability was measured as of June 30, 2016 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2015, which was rolled forward to June 30, 2016. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2016. Since KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

Note 12 - CONTINGENCIES

During the ordinary course of its operations the District is a party to potential claims, legal actions and complaints. It is the opinion of the District's management and legal counsel that these matters are not anticipated to have a material effect on the District's financial statement.

Note 13 - RISK MANAGEMENT

The District is exposed to various risks of losses related to torts; thefts of, damages to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District has been unable to obtain workers compensation insurance at a cost it considered to be economically justifiable. For this reason, the District joined together with other school districts in the State to participate in KASB Risk Management Services, Inc., a public entity risk pool currently operating as a common risk management and insurance program for participating members.

The District pays an annual premium to KASB Risk Management Services, Inc. for its workers compensation insurance. The agreement to participate provides that the KASB Risk Management Services, Inc. will be self-sustaining through member premiums and will reinsure through commercial companies for excess claims for each insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KASB Risk Management Services, Inc.'s management.

The District continues to carry commercial insurance for all other risks of loss, including equipment, property and building coverage. There have been no significant reductions in coverage from the prior year and settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

Note 14 - LEASE COMMITMENTS

Operating Leases:

The District has entered into operating leases for the district office and school copiers which contain cancellation provisions and are subject to annual appropriations. For the reporting period, rent expenditures were \$29,135.21. Of this amount \$25,457.23 was made from the General Fund and \$3,677.98 was made from Co-op Special Education Fund.

Note 15 - SUBSEQUENT EVENTS

The District has evaluated events subsequent to year end through November 27, 2017, and does not believe any events have occurred which affect the financial statement as presented.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Education
Unified School District No. 495
Larned, Kansas 67550

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Unified School District No. 495, Larned, Kansas (the District), a Municipality, as of and for the year ended June 30, 2017, and the related notes to the financial statement and have issued our report thereon dated November 27, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered Unified School District No. 495's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

To the Board of Education
Unified School District No. 495
Larned, Kansas 67550

Report on Compliance for Each Major Federal Program

We have audited Unified School District No. 495's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Unified School District No. 495's major federal programs for the year ended June 30, 2017. Unified School District No. 495's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Unified School District No. 495's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Unified School District No. 495's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Unified School District No. 495's compliance.

Opinion on the Major Federal Program

In our opinion, Unified School District No. 495 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Unified School District No. 495 is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Unified School District No. 495's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal programs to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal programs and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Unified School District No. 495's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

The notes to schedule of expenditures of federal awards are in integral part of this statement

UNIFIED SCHOOL DISTRICT NO. 495, LARNED, KANSAS
Notes to Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2017

Note A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Unified School District No. 495, Larned, Kansas (the District) under programs of the federal government for the year ended June 30, 2017. The information in the Schedule is presented on the Kansas regulatory basis of accounting as described in Note 1 to the financial statement and includes cash receipts, disbursements and encumbrances. The information in this Schedule is also presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of the basic financial statement. The District elected not to use the 10% de minimus indirect cost rate.

Note B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures in the Schedule are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
