## INDEPENDENT AUDITOR'S REPORT

---

Honorable Mayor and City Commission  
McPherson, Kansas 67460

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of McPherson, Kansas, a Municipal Financial Reporting Entity as of and for the year ended December 31, 2020 and the related notes to the financial statement.

### *Management's Responsibility for the Financial Statement*

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 1 of the financial statement, the financial statement is prepared by the City of McPherson, Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

[www.sjhl.com](http://www.sjhl.com)

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of McPherson, Kansas as of December 31, 2020, or changes in financial position and cash flows thereof for the year then ended.

### ***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of McPherson, Kansas as of December 31, 2020, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

### ***Other Matters***

#### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the 2020 fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and expenditures-actual-related municipal entity (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the 2020 basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 basic financial statement. The 2020 information has been subjected to the auditing procedures applied in the audit of the 2020 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the 2020 basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the City of McPherson, Kansas as of and for the year ended December 31, 2019 (not presented herein), and have issued our report thereon dated June 1, 2020, which contained an unmodified opinion on the basic financial statement. The 2019 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://www.admin.ks.gov/offices/oar/municipal-services>. The 2019 actual column (2019 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended December 31, 2020 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2019 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2019 basic financial statement. The 2019 comparative information was subjected to the auditing procedures applied in the audit of the 2019 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2019 basic financial statement or to the 2019 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2019 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2019, on the basis of accounting described in Note 1.

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statement that collectively comprise City of McPherson, Kansas' basic financial statement. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statement of the City of McPherson, Kansas.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated, in all material respects, in relation to the basic financial statement taken as a whole, on the basis of accounting described in Note 1.

### *Other Reporting Required by Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2021, on our consideration of the City of McPherson, Kansas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of City of McPherson, Kansas' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of McPherson, Kansas' internal control over financial reporting and compliance.

**CITY OF MCPHERSON, KANSAS**  
**NOTES TO FINANCIAL STATEMENT**  
**For the Year Ended December 31, 2020**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**(a) *Municipal Financial Reporting Entity***

The City of McPherson, Kansas (the City) is a municipal corporation governed by an elected three-member commission. The financial statement presents the City of McPherson (a municipal financial reporting entity) and its related municipal entities. The Board of Public Utilities of McPherson, Kansas (the BPU) consists of the municipal electric and water utilities that provide services to approximately 8,700 electric and 5,900 water customers. The BPU's operational control and administration is under a three-member appointed Board of Directors. However, the BPU is owned by and is a part of the municipality of the City because the City holds the corporate powers of the BPU. The BPU is considered an administrative agency of the City by statute. The City has the following related municipal entity shown on Schedule 3.

Library Board. The City of McPherson Library Board operates the City's public library. Acquisition or disposition of real property by the Library Board must be approved by the City. Bond issuances must also be approved by the City. Complete financial records for the Library Board may be reviewed at the administrative offices of the entity at 214 W. Marlin, McPherson, Kansas, 67460.

The City also has a related municipal entity as follows shown on Schedule 2 as a Special Purpose Fund.

McPherson Landfill Improvement Corporation. The City of McPherson owns a former landfill site south of McPherson. Complete financial records for the McPherson Landfill Improvement Corporation may be reviewed at the administrative offices of the entity at 400 E. Kansas, McPherson, Kansas, 67460.

**(b) *Regulatory Basis Fund Types***

**General Fund** – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

**Special Purpose Fund** – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

**Bond and Interest Fund** – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

**Capital Project Fund** – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

**Business Fund** – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund, etc.).

**Trust Fund** – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

**Agency Fund** – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (i.e. payroll clearing fund, county treasurer tax collection accounts, etc.).

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

### **(c) Basis of Accounting**

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The *Kansas Municipal Audit and Accounting Guide (KMAAG)* regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The City has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for the application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

### **(d) Budgetary Information**

Kansas statutes require that an annual operating budget be legally adopted for the General Fund, Special Purpose Funds (unless specifically exempted by statute), Bond and Interest Funds and Business Funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1) Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2) Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3) Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4) Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There was one such budget amendment for the year 2020.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for Capital Project Funds, Agency Funds, Trust Funds and certain Special Purpose Funds and the Related Municipal Entity as noted in the presentation of the appropriate Schedule 2.

Spending in funds which are not subject to the legal annual operating budget requirement are controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

## 2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

### *Compliance with Kansas Statutes*

No statute violations noted in 2020.

## 3. DEPOSITS AND INVESTMENTS

As of December 31, 2020, the City had the following investments:

Investment Type	Fair Value	Investment Maturities (in Years)				Rating
		Less than 1	1-5	6-10	More than 10	
Kansas Municipal Investment Pool	\$ 3,640,395	\$ 3,640,395	\$ -	\$ -	\$ -	N/A

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has an investment policy that does not further limit its investment choices.

*Concentration of credit risk.* State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of investments as of December 31, 2020, is as follows:

Investments	Percentage of Investments
Kansas Municipal Investment Pool	100%

*Custodial credit risk – deposits.* Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured by December 31, 2020.

At December 31, 2020, the City's and Library's carrying amount of deposits was \$80,874,675 and the bank balance was \$82,274,274. The bank balance was held by eight banks resulting in a concentration of credit risk. Of the bank balance, \$2,002,137 was covered by federal depository insurance and \$80,272,137 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

*Custodial credit risk – investments.* For an investment, this is the risk that in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At December 31, 2020, the City had invested \$3,640,395 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

## 4. LONG-TERM DEBT

Changes in long-term liabilities for the City for the year ended December 31, 2020 were as follows:

Issue	Interest Issue	Date of Issue	Amount of Issue	Original Date of Final Maturity	Balance Beginning of Year	Additions	Reductions of Principal	Balance End of Year	Interest Paid
General Obligation Bonds:									
Series 135 of 2012	2.00% to 3.10%	8/1/12	\$ 340,000	8/1/32	\$ 240,000	\$ -	\$ 240,000	\$ -	\$ 7,440
Series 136 of 2013	2.00% to 4.00%	8/15/13	9,585,000	8/1/33	4,090,000	-	4,090,000	-	131,113

### Continuing Disclosure Requirements

The City of McPherson as Issuer and Dissemination Agent, posted the prior year Annual Audit Report to EMMA (Electronic Municipal Market Access) on a timely basis (a requirement of no later than 210 days after the year-end) as reflected in the continuing disclosure instruction of the City's bond documents. The 2019 Annual Audit Report was posted to EMMA on July 28, 2020.

### Arbitrage Calculations

Based on the opinion letters from Gilmore & Bell, P.C. of Kansas City, MO, the City of McPherson, as Issuer, is in compliance with the arbitrage rebate calculations pursuant to Code Section 148(f) of the Internal Revenue Code of 1986 as amended.

## 4. LONG-TERM DEBT (CONT.)

Current maturities of long-term debt and interest for the next five years and in five year increments through maturity are as follows:

	Year								
	2021	2022	2023	2024	2025	2026-2030	2031-2035	2036-2040	Total

## 5. PENSION COSTS AND EMPLOYEE BENEFITS

### ***(a) Defined Benefit Pension Plan***

**Plan Description.** The City and the BPU participate in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

**Contributions.** K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1 and KPERS 2 and KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.61% for KPERS and 21.93% for KP&F for the fiscal year ended December 31, 2020. Contributions to the pension plan from the City and BPU were \$828,935 for KPERS and \$640,781 for KP&F (Library was \$41,322) for the year ended December 31, 2020.

**Net Pension Liability.** At December 31, 2020, the City and BPU's proportionate share of the collective net pension liability reported by KPERS was \$9,071,882 and \$6,753,262 for KP&F (Library was \$426,704). The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2019, which was rolled forward to June 30, 2020. The City and BPU's proportion of the net pension liability was based on the ratio of the City and BPU's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

### ***(b) Death and Disability Other Post Employment Benefits***

K.S.A. 74-4927, disabled members in KPERS receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2020.

### ***(c) Deferred Compensation Plan***

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan is available to all employees who qualify under the plan terms, and permits employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

## 5. PENSION COSTS AND EMPLOYEE BENEFITS (CONT.)

### **(d) Other Employee Benefits**

Vacation – Vacation leave shall be accrued from the employee's date of employment as stipulated hereinafter. If not taken, vacation leave shall accrue from year to year up to the maximum provided depending upon the employee's years of service. No vacation leave shall be taken until a new employee has completed the evaluation period.

Each permanent full-time employee will accrue vacation leave as follows:

<u>Maximum Years of Service</u>	<u>Hours Accrued Per Year</u>	<u>Maximum Accumulation</u>
0 to 5 years	80 working hours	120 working hours
5 to 10 years	120 working hours	180 working hours
10 to 15 years	144 working hours	216 working hours
15 to 20 years	160 working hours	240 working hours
After 20 years	200 working hours	300 working hours

An employee shall be paid for all accumulated unused vacation leave upon termination.

Sick leave – All full and part-time employees shall be entitled to sick leave with pay for absences resulting from personal illness, injuries, accidents or other physical incapacities, occurring either on or off the job. Full-time employees shall earn one working day of sick leave for each full month of service. Part-time employees shall receive the equivalent of a regularly scheduled day for each full month of service. Other employees shall not have paid sick leave. An employee beginning work on or before the 15th of the month shall get credit for a full month. On termination of employment an employee shall not be paid for accumulated sick leave. Accordingly, no disclosure for accumulated sick leave has been made in the accompanying financial statement.

### **(e) Other Post Employment Benefits**

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan until they reach 65 years of age. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

## 6. SELF-INSURANCE PROGRAM

The City is responsible for a potential liability up to \$100,000 per individual per year for health care claims. This plan had fixed costs of \$145,899. Management believes claims incurred, but not reported, are insignificant at December 31, 2020. Starting December 31, 2007, the City chose to not self-insure for workers' compensation. Changes in health insurance claims liability for 2020 and 2019 were as follows:

	<u>2020</u>	<u>2019</u>
Beginning Balance	\$ 100,000	\$ 70,000
Additions	1,852,162	1,706,329
Payments	<u>(1,852,162)</u>	<u>(1,676,329)</u>
Ending Balance	<u>\$ 100,000</u>	<u>\$ 100,000</u>

## **7. SUMMARY DISCLOSURE OF SIGNIFICANT CONTINGENCIES**

The McPherson Area Solid Waste Utility (the Utility), of which the City of McPherson is a member, is subject to the U.S. Environmental Protection Agency rule "Solid Waste Disposal Facility Criteria" which establishes closure requirements for all municipal solid waste landfills that receive solid waste after October 9, 1991. The Utility is responsible for operating and other costs including postclosure costs while it is in existence. Any possible contributions by Utility members required to fund postclosure requirements is not determinable at this time.

The City is subject to various laws and regulations with respect to environmental matters such as air and water quality. The effect of any future changes in environmental laws and/or regulations cannot be estimated. However, compliance with such changes may necessitate substantial expenditures.

## **8. CLAIMS AND JUDGMENTS**

The City participates in federal, state and county programs that are fully or partially funded by grants received from other governmental units. Expenditures financed by grants are subject to audit by the appropriate grantor government. If expenditures are disallowed due to noncompliance with grant program regulations, the City may be required to reimburse the grantor government. As of the date of this report, grant expenditures have not been audited, but the City believes that disallowed expenditures, if any, based on subsequent audits will not have a material effect on any of the individual governmental funds or the overall financial position of the City.

Notwithstanding anything to the contrary, 2020 was marked by the COVID-10 pandemic and the unique responses at all levels of government and society. The City participated in various activities and governmental programs to address the public health, economic and societal well-being issues presented. The pandemic continues at the end of 2020 and the governmental program requirements are continuously evolving and unclear. The City does not currently anticipate material liability from its pandemic response.

The City is exposed to various risks of loss related to property loss; torts; theft of, damage to, and destruction of assets; errors and omissions; employee injuries and natural disasters. The City has purchased commercial insurance for these potential risks. There have been no significant reductions in insurance coverage from 2019 to 2020 and there were no settlements that exceeded insurance coverage in the past three years.

During the ordinary course of its operations, the City is a party to various claims, legal actions and complaints. It is the opinion of the City's management and legal counsel that these matters are not anticipated to have a material impact on the City. There were no insurance settlements during 2020 nor were there any pending settlements as of December 31, 2020.

## **9. LANDFILL CLOSURE AND POSTCLOSURE CARE COST**

The City of McPherson and the Kansas Department of Health and Environment (KDHE) entered into a voluntary settlement agreement as of November 6, 1992. The settlement agreement concerns the preparation of a remedial investigation and feasibility study, and participation in good faith negotiations for remedial activities, if required, to be determined following opportunity for public involvement for an area known as the "McPherson City Landfill" located near McPherson, Kansas.

In entering into this settlement agreement, the KDHE and the City of McPherson were going to determine the nature and extent of contamination and any threat to the public health, welfare or the environment caused by the release or threatened release of hazardous substances, pollutants or contaminants at or from the McPherson City Landfill. Once these determinations were made the City of McPherson submitted a work plan for Phase I activities. They were also required to submit plans for Phase II, III and IV, which dealt with closure and postclosure activities. As of July 29, 2005, the City of McPherson had performed entirely the closure activities of the settlement agreement at a total cost of approximately \$424,000. Postclosure expenditures are estimated to be approximately \$450,000 spread over a twenty-year period.

## 10. CAPITAL LEASE – RECREATION COMPLEX

During the year ended December 31, 1996, the City entered into a Lease Purchase Agreement with Security Bank of Kansas City, as lessor, providing for the acquisition and construction of an outdoor recreational complex (the "Project") to be operated and maintained by the McPherson Recreation Commission (the "Commission"). Funds for acquisition and construction were raised by the lessor by the issuance of Certificates of Participation in the Lease Purchase Agreement in the amount of \$1,000,000. As part of this financing structure, the bank, acting as lessor and trustee for the owners of the Certificates of Participation, paid the purchase price for the site for the Project, which was deeded to the City. The City then leased the site to the bank under a Site Lease, and leased it and the improvements constructed back from the bank under the Lease Purchase Agreement. The terms of the Site Lease and the Lease Purchase Agreement run simultaneously. Rentals payable under the Lease Purchase Agreement will be adequate to pay the owners of the Certificates of Participation their original investment plus interest. Upon payment of all rental payments under the Lease Purchase Agreement, the City has the right to own the Project free of any claims of the bank.

On November 12, 2013, the Certificates of Participation were paid in full. This fulfilled the contractual obligations of the Lease Purchase Agreement.

On August 15, 2013, the City issued General Obligation Bonds Series 136, of which, \$800,000 of the bond proceeds were for the purpose of funding a large portion of public building improvements to the existing Grant Field Complex in the form of additional restrooms and storage, additional ball fields including fences, dugouts, and bleachers, as well as an irrigation system to the new and existing fields and a project drainage system. The total estimated cost of the project was \$976,500. The \$800,000 portion of the bond issue is funded by 20-year bonds and is scheduled to be paid by lease payments from the Commission. In June 2013, the Commission entered into a 10-year lease ending May 31, 2023 to lease Grant Field Complex from the City. The lease will automatically renew for a second 10-year term unless either party notifies the other in writing 90 days or more before the end of the first term. The Commission shall pay the City annual rental payments enough to pay all debt services related to, or associated with, the facility and are summarized below:

<u>Year</u>	<u>Total Basic Rental Payment</u>	<u>Principal Component</u>	<u>Interest Component</u>
2021	\$ 57,300	\$ 35,000	\$ 22,300
2022	56,250	35,000	21,250
2023	60,200	40,000	20,200
2024	59,000	40,000	19,000
2025	57,400	40,000	17,400
2026-2030	286,800	225,000	61,800
2031-2033	173,813	160,000	13,813
	<u>\$ 750,763</u>	<u>\$ 575,000</u>	<u>\$ 175,763</u>

## 11. REVENUE BONDS

The various bond ordinances require that certain restricted funds be established to ensure the payment of bonds and interest and to enable the City to meet future needs arising from unusual maintenance requirements or income shortfalls. The ordinances also require the City, among other things, to establish rates and collect charges sufficient to pay the operating maintenance and debt service costs of the utilities and to provide net operating income before depreciation and payment in lieu of taxes, of at least 125% for the electric fund and 125% for the water fund of the maximum annual debt service due on the outstanding bonds. As of December 31, 2020, the City exceeded this coverage requirement for electric and water debt. All of the City's utility plant facilities are pledged under the terms of the ordinances. The City was in compliance with all other requirements of the revenue bond ordinances at December 31, 2020.

## 12. INTERFUND TRANSFERS

Operating transfers were as follows:

## 13. OTHER RELATIONSHIPS

### ***McPherson Area Solid Waste Utility***

The City of McPherson along with McPherson County and seven other cities located within McPherson County entered into an interlocal agreement, authorized by State Statute, to form the McPherson Area Solid Waste Utility (the Utility) effective July 17, 1991. The purpose of the Utility is to assist its Members in planning, technical and financial matters for comprehensive solid waste management and accomplish the desired objectives of an effective county-wide solid waste management program, including the operation of a cooperative solid waste management program and the operation of a cooperative solid waste processing and disposal system for the benefit of its Members.

Management of the Utility is carried out by an appointed three member Board of Directors. The City appoints one member to the Board of Directors, McPherson County appoints a second Director and the third Director is appointed collectively by the other seven Members of the Utility.

The agreement and the Utility may be terminated by written consent of at least two-thirds of the Members, provided that prior to such termination all contractual obligations and indebtedness of the Utility have been paid in full or sufficient resources have been escrowed for the payment of such obligations in full when due. Upon such termination, the Board of Directors shall liquidate the Utility and distribute the assets in a manner that, in its discretion, it deems appropriate. Accordingly, any ongoing financial interest or access to the Utility's resources is indeterminable until such action is taken by its Board of Directors. In addition, no Member shall be permitted to withdraw for twenty years or such sooner time as provision is made for the payment or discharge of the debt incurred by the County or assumed by the Utility. Any withdrawing Member shall not be entitled to distribution of any real or personal property of the Utility by reason of its withdrawal.

The Board of Directors shall determine the methods of obtaining financing for the Utility. The County provided the initial financing for the acquisition of land to be used as a site for disposal of refuse, constructing structures and acquiring equipment necessary for the sanitary disposal of refuse in McPherson County. Effective January 1, 1992, the fiscal accounting and operations of the Utility were transferred from McPherson County to management of the Utility.

Financial information of the McPherson Area Solid Waste Utility is not included in this report. Complete financial statements may be obtained from the administrative offices of the entity at 1431 17th Ave, McPherson, KS 67460.

### ***McPherson City/County Airport***

The McPherson Airport Authority (the Authority) was established as provided for by applicable State Statutes. The property and business of the Authority is managed by its Board of Directors. The Board consists of five directors. Four directors are selected by the governing bodies of the City and County, two by the City and two by the County, and one at-large director is selected by the other four. Each entity provides ongoing financial responsibility through annual appropriations for the operation of the airport on an equal basis, as determined through the preparation of an annual operating budget. The City levies property taxes for its allocation and McPherson County funding is provided from the County's General Fund.

The Authority is authorized only to issue revenue bonds, notes or other evidence of indebtedness payable from airport revenues. Title to the airport property remains with the City and County as equal co-owners. Title to all real and personal property purchased with funds of the Authority will be acquired, held and disposed of in the name of the Authority unless otherwise required by law or by the terms of a gift or grant. The Authority may be dissolved by vote of at least two-thirds (2/3) of the respective governing body members of each owner. The Board of Directors of the Authority shall liquidate the assets of the Authority and distribute the assets of the Authority or the net proceeds thereof to the City and County in a manner to be determined by it pursuant to law. Full possession and use of the Airport shall revert to the owners as equal tenants in common upon termination of the Authority.

### 13. OTHER RELATIONSHIPS (CONT.)

In 2020, the Authority was awarded a grant through the Federal Aviation Administration (FAA) in the amount of \$240,000. This grant will pay for the updated Airport Layout Planning Project - which the FAA requires every eight to 10 years. ADG out of Denver, Colorado was selected to manage the project. This project is expected to be completed by June of 2022. The authority also applied for CARES grant money through the FAA; they were awarded funding in the amount of \$30,000 in May of 2020. These grant monies covered replacement of the Authority's administration office HVAC system, a fuel card reader and some audit fees.

Complete financial information for the McPherson City/County Airport may be obtained from the administrative offices of the entity at 1000 S. Bypass, McPherson, KS 67460.

### 14. CAPITAL PROJECTS

Capital project authorizations with approved change orders compared with expenditures (excluding principal and interest, legal fees, etc.) from inception are as follows:

	Project Authorization	Expenditures to Date
Community Building Renovation	\$ 5,062,078	\$ 5,051,598
Chestnut Street CDBG 2019	784,906	784,906
Plaza East Place - CID	1,230,946	1,213,565
Grimes/Anna Paving & Storm Sewer	3,998,476	3,978,163
Hartup/Elizabeth Paving & Drainage	2,336,169	2,256,045
Hulse Area Drainage Improvement	4,019,456	4,017,764
Total	<u>\$ 17,432,031</u>	<u>\$ 17,302,041</u>

### 15. COVID-19 NOTE

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the City's financial condition, liquidity and future results of operations. Management is actively monitoring the global and local situation on its financial condition, liquidity, operations, suppliers, industry and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the City is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition or liquidity for fiscal year 2021. Future potential impacts may include a decrease in certain revenues, reduced customer traffic and the temporary closure of operating hours of our offices.

As a result of COVID-19, the State of Kansas has received Coronavirus Relief Funds (CRF) under the Coronavirus Aid, Relief and Economic Security (CARES) Act. The CRF were passed through to the counties of Kansas through Strengthening People and Revitalizing Kansas (SPARK). SPARK's first round distribution was to local governments in the amount of \$400 million. The City received CRF in the amount of \$600,000 during 2020. The City is encouraged to share the CRF with local businesses within the City. The CRF are to be used to strengthen health, to allow the economy to reopen safely and to remain open. The goals are to be fair, impactful and timely. Additional information and updates on SPARK, the CARES Act and CRF, which includes audit requirements, can be found at <https://covid.ks.gov/>.

## 16. SUBSEQUENT EVENTS

Management has evaluated the effects on the financial statement of subsequent events occurring through the date of this report, which is the date at which the financial statement was available to be issued.

On February 13, 2020, the Kansas Department of Commerce officially announced the awardees of the CDBG Grant for the 2020 round of funding. The City was awarded a \$300,000 Housing Rehabilitation Grant. This is the third CDBG Housing Rehabilitation Grant received by the City since 2016. The grant is a federal program designed to benefit low to moderate income families by providing specific home improvements. It will include rehabilitation work on 13 homes, including both rental and owner occupied, in a target area best described as bordered on the west by Main Street, on the north by Avenue A, on the east by both sides of Elm Street, and on the south by Avenue F. The grant needs to be completed by March 2022.

In March 2020, the City received word from Kansas Department of Transportation to receive fund reimbursement under the Federal-Aid Transportation Act for Transportation Alternatives (TA) projects by a pass-through Federal Surface Transportation Program (STP). This TA sidewalk project will be constructed from Main Street west to the Meadowlark Trail. The estimated cost of the project is \$751,000 with the City share estimated at \$240,600 which will be paid from the City's .5% Sales Tax. Design is anticipated to be complete in 2021 with letting of the project to follow.

In February 2021, the Commission authorized the Mayor and City Clerk to execute a Development Agreement with Ferguson Hotel Development totaling an estimated \$12.9M. The project consists of an estimated 92-room extended stay hotel and two restaurant pad sites bringing a significant value to the City and the general public as it will promote the economic welfare and the development of the City. The Developer and the City have agreed the development of the property is infeasible without the establishment of various economic development incentives offered by the City such as a Community Improvement District, Transient Guest Tax Rebate, KDOT cost share grant program for the roadway extension, the issuance of Industrial Revenue Bonds, and PILOT (Payment In Lieu of Taxes) payments which the City anticipates being finalized in 2021.

In July 2020, the City signed the McPherson County Coronavirus Relief Fund Agreement with the McPherson County Board of Commissioner's securing the health, safety, and economic well-being of the residents due to the public health emergency and pandemic of COVID-19. The agreement communicates that the County has undertaken as part of the CARES Act to receive funds for the State Finance Counsel Strengthening People and Revitalizing Kansas (SPARK) Taskforce to facilitate and provide for McPherson County population and impact from COVID-19 with funds provided for reimbursement of COVID-19 related costs. As a result of this agreement, the City received \$600,000 in SPARK funding from McPherson County in 2020. The allocation of the SPARK Funds was finalized in March of 2021 whereby the City received an additional \$11,512 in 2021 totaling \$611,512.

## **SINGLE AUDIT SECTION**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT  
AUDITING STANDARDS**

Honorable Mayor and City Commission  
City of McPherson, Kansas 67460

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the Kansas Municipal Audit and Accounting Guide, the financial statement of the City of McPherson, Kansas, (City) as of and for the year ended December 31, 2020, and the related notes to the financial statement which collectively comprise the City's basic financial statement, and have issued our report thereon dated May 24, 2021.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statement, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH  
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Honorable Mayor and City Commission  
McPherson, Kansas 67460

**Report on Compliance for Each Major Federal Program**

We have audited the City of McPherson, Kansas' (the City) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended December 31, 2020. The City's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the City, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

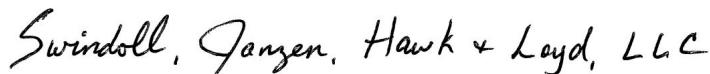

## Report on Internal Control Over Compliance

Management of the City of McPherson, Kansas, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Cooperative Fire Protection Program	10.664	BH0088	<u>4,000</u>
TOTAL SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS			<u>\$ 1,111,023</u>

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS****Note 1 - Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the City of McPherson, Kansas (the City), under programs of the federal government for the year ended December 31, 2020. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City. The Schedule is presented using a regulatory basis of accounting prescribed by the Kansas Municipal Audit and Accounting Guide (as described in Note 1 to the financial statement), which is the same basis of accounting as the financial statement accompanying this schedule.

**Note 2 - Summary of Significant Accounting Policies**

(1) Expenditures reported on the Schedule are reported on the regulatory basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(2) The City has not elected to use the 10 percent *de minimis* indirect cost rate as allowed under the Uniform Guidance.

**Note 3 - Funds Expended**

Funds where Federal expenditures were receipted and expended:

General Operating Fund	\$ 471,931
Consolidated Street and Highway Fund	18,761
Employee Benefits (Non-Public Safety) Contribution Fund	15,188
Employee Benefits (Public Safety) Contribution Fund	9,655
