SUMMARY:	Private Vehicle Mileage Reimbursement Rates Effective July 1, 1997

Private vehicle mileage reimbursement rates for travel taking place on, or after, July 1, 1997, have been established and appropriate amendments to K.A.R. 1-18-1a are in process. The amended rates are:

15¢ per mile for privately-owned motorcycles

31¢ per mile for privately-owned automobiles

43¢ per mile for privately-owned airplanes

43¢ per mile for privately-owned specially equipped vans for the physically handicapped

Note: The provision to reimburse mileage at the central motor pool rate for compact cars remains in effect for any state employee choosing to use a privately-owned automobile, when a state-owned or leased vehicle is available for use.

This document supersedes the mileage rates presented in Informational Circular 1343.
