INDEPENDENT AUDITOR'S REPORT

To the County Commissioners  
Sherman County, Kansas  
Goodland, Kansas 67735

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Sherman County, Kansas, a Municipality, as of and for the year ended December 31, 2018 and the related notes to the financial statement.

*Management's Responsibility for the Financial Statement*

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 1 of the financial statement, the financial statement is prepared by Sherman County, Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

*Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Sherman County, Kansas as of December 31, 2018, or changes in financial position and cash flows thereof for the year then ended.

*Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Sherman County, Kansas as of December 31, 2018, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

*Other Matters*

*Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget and summary regulatory basis receipts and disbursements-agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The graphical analysis (Schedule 4 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement nor required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of Sherman County, Kansas as of and for the year ended December 31, 2017 (not presented herein), and have issued our report thereon dated August 13, 2018 which contained an unmodified opinion on the basic financial statement. The 2017 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the website of the Kansas Department of Administration at the following link <http://www.admin.ks.gov/offices/chief-financial-officer/municipal-services>. The 2017 actual column (2017 comparative information) presented in the individual fund schedule of regulatory basis receipts and expenditures-actual and budget for the year ended December 31, 2018 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2017 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2017 basic financial statement. The 2017 comparative information was subjected to the auditing procedures applied in the audit of the 2017 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2017 basic financial statement or to the 2017 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2017 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2017 on the basis of accounting described in Note 1.

SHERMAN COUNTY, KANSAS  
NOTES TO FINANCIAL STATEMENT  
December 31, 2018

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

Sherman County, Kansas (County) is a municipal corporation governed by an elected three-member commission. This financial statement presents Sherman County, Kansas, a municipality, and does not include any of its related municipal entities.

B. REGULATORY BASIS FUND TYPES

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund - used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund - used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital project fund - used to account for the debt proceeds and other financial resources to be used for the acquisition or construction of major capital facilities or equipment.

Business fund - funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund, etc.)

Trust fund - funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

Agency fund - funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

C. BASIS OF ACCOUNTING

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

#### D. CASH AND INVESTMENTS

Cash balances from all funds are combined and invested to the extent available. Cash and investments consist of checking accounts, interest bearing checking accounts, savings accounts, and certificates of deposit. Earnings from these investments are allocated to designated funds. Cash and investments are stated at cost.

#### E. REIMBURSED EXPENSES

The County records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

#### F. USE OF ESTIMATES

The preparation of the financial statement on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas requires management to make estimates and assumptions that affect the amounts reported in the financial statement and accompanying notes. Actual results may differ from those estimates.

#### Note 2 - BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

Adjustment for Qualifying Budget Credits: Municipalities may use this line item for any budgeted fund. The adjustment would be a positive amount. All budget adjustments must be authorized by Kansas statutes. Examples include: expenditure of federal grant monies, reimbursements, gifts and donations and receipts authorized by law to be spent as if they were reimbursed expenses.

Note 2 - BUDGETARY INFORMATION (Cont'd.)

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds:

Special Machinery Fund	County Treasurer Technology Fund
Capital Improvement Fund	Micro Loans Fund
Equipment Reserve Fund	Smokey Gardens Fund
Sheriff Reward Fund	Fundraiser Donations Fire Fund
Prosecuting Attorney Training Fund	Fundraiser Donations EMS Fund
Register of Deeds Technology Fund	Grants Fund
County Clerk Technology Fund	

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Note 3 - COMPLIANCE WITH KANSAS STATUTES

1. Expenditures in the Bond and Interest Fund exceeded the adopted budget in violation of K.S.A. 79-2935.

Management is aware of no other statutory violations for the period covered by the audit.

Note 4 - DEPOSITS

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county in which the County is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC Coverage. The County has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the County's investments of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices.

*Concentration of credit risk.* State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk - deposits.* Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance, bank guarantee bonds, or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All deposits were legally secured at December 31, 2018.

Note 4 - DEPOSITS (Cont'd.)

At December 31, 2018 the County's carrying amount of deposits was \$18,228,283.40 and the bank balance was \$17,973,069.31. The bank balance was held by three banks resulting in a concentration of credit risk. Of the bank balance, \$15,275,848.60 was covered by federal depository insurance and \$2,697,220.71 was collateralized with securities held by the pledging financial institution's agents in the County's name.

Note 5 - CAPITAL PROJECTS

Pursuant to the Laws of the State of Kansas and the County's Resolution 06-10, the General Obligation Sales Tax Bond - Series 2006 was issued by the County on September 15, 2006. The Bonds, in the amount of \$12,000,000.00, constitute general obligations of the County, payable both as to principal and interest from a pledge of revenues received by the County from a special local retailers' sales tax, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the County. The bonds were issued for the purpose of providing permanent financing for the construction of certain street and roadways within Sherman County and the City of Goodland, Kansas.

Pursuant to the Laws of the State of Kansas and the County's Resolution 10-10, the General Obligation Bond - Series 2010 was issued by the County on June 28, 2010. The Bonds, in the amount of \$650,000.00, constitute general obligations of the County, payable both to principal and interest from a pledge of revenues received by the County from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the County. The bonds were issued for the purpose of providing permanent financing for improvements to the primary arterial highway within Sherman County, Kansas.

Capital project authorizations with approved change orders compared with expenditures from inception are as follows:

	Project Authorization	Interest Credited to Fund	Total Project Authorization	Expenditures To Date
Road Construction Project	\$ 12,000,000.00	\$ 740,745.63	\$ 12,740,745.63	\$ 12,629,428.79
Primary Arterial Highway Improv.	650,000.00	1,287.00	651,287.00	654,904.75

Note 6 - LONG TERM DEBT

The County entered into a lease purchase agreement for five ambulance cots with Stryker Flex Financial, Portage, Michigan, on September 15, 2016. The lease requires four annual payments of \$45,415.00 each, which began October 2017. The lease is non-cancelable except in the event no funds or insufficient funds are appropriated and budgeted and funds are not otherwise available by any means whatsoever after the County has exercised its best efforts and any administrative reviews and appeals available to secure adequate funds.

Note 6 - LONG TERM DEBT (Cont'd.)

Changes in long-term liabilities for the County for the year ended December 31, 2018, were as follows:

<u>Issue</u>	<u>Interest Rates</u>	<u>Date of Issue</u>	<u>Amount of Issue</u>	<u>Date of Final Maturity</u>
General obligation bonds:				
Series 2012 - Refunding Bonds	2.00 - 2.125%	3/1/2012	\$ 7,900,000.00	7/1/2023
Capital leases payable:				
Stryker Ambulance Cots	0.00%	9/15/2016	181,660.00	10/15/2020
Total Contractual Indebtedness				

Current maturities of long-term debt and interest for the next five years and in five year increments through maturity are as follows:

	<u>12/31/2019</u>	<u>12/31/2020</u>	<u>12/31/2021</u>
PRINCIPAL:

Note 7 - INTERFUND TRANSFERS

Operating transfers were as follows:

<u>From</u>	<u>To</u>	<u>Regulatory Authority</u>	<u>Amount</u>
General	Capital Improvement	K.S.A. 19-120	\$ 200,000.00
Noxious Weed	Noxious Weed Capital Outlay	K.S.A. 2-1318	20,000.00
Road & Bridge	Special Machinery	K.S.A. 68-141g	50,000.00
Auto Motor Special	General	K.S.A. 8-145	22,445.19
Bond & Interest	General	K.S.A. 10-117a	5,351.28

Note 8 - OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

*Other Post Employment Benefits* . As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

*Death and Disability Other Post Employment Benefits* . As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2018.

*Compensated Absences* . All employees of the County, except temporary and part-time employees, may accumulate sick leave at a rate of one day per month, accumulative to thirty-six days. Sick leave cannot be used for vacation leave and expires at termination of employment.

All regular employees with at least six months of service are entitled to paid vacation time. Such begins to accrue the first full pay period following the initial hire date. However, no vacation shall be taken until satisfactory completion of an introductory period of one hundred eighty days. Maximum vacation credits can not exceed one and a quarter times the amount accrued during any continuous twelve month period. Unused vacation credits exceeding the maximum amount will be forfeited. Employees are paid for all accumulated vacation leave at their current wage scale upon termination of employment. The potential liability for unused vacation leave as of December 31, 2018 and 2017 is \$77,664.37 and \$66,764.48, respectively, which is a net change of \$10,899.89.

Note 9 - DEFINED BENEFIT PENSION PLAN

*Plan description* . The County participates in the Kansas Public Employees Retirement System (KPERS) a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Note 9 - DEFINED BENEFIT PENSION PLAN (Cont'd.)

*Contributions.* K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for Death and Disability Program) and the statutory contribution rate was 8.39% for the fiscal year ended December 31, 2018. Contributions to the pension plan from the county were \$259,951.24 for the year ended December 31, 2018.

*Net Pension Liability.* At December 31, 2018 the County's proportionate share of the collective net pension liability reported by KPERS was \$2,377,039.00. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2017, which was rolled forward to June 30, 2018. The County's proportion of the net pension liability was based on the ratio of the County's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

Note 10 - CONTINGENCIES

During the ordinary course of its operations the County is a party to potential claims, legal actions and complaints. It is the opinion of the County's management and legal counsel that these matters are not anticipated to have a material effect on the County's financial statement.

Note 11 - RISK MANAGEMENT

The County is exposed to various risks of losses related to torts; thefts of, damages to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The County has been unable to obtain property, liability and workers compensation insurance at a cost it considered to be economically justifiable. For this reason, the County joined together with other counties in the State to participate in Kansas County Association Multiline Pool (KCAMP) and Kansas Workers Risk Cooperative for Counties (KWORC). These are public entity risk pools currently operating as common risk management and insurance programs for participating members.

The County pays an annual premium to KCAMP and KWORC for its coverage against risks of loss, including equipment, property and building coverage and workers compensation insurance. The agreement to participate provides that KCAMP and KWORC will be self-sustaining through member premiums and will reinsure through commercial companies for excess claims for each insured event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KCAMP and KWORC's management.

The County continues to carry commercial insurance for other risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

#### Note 12 - CLOSURE AND POST CLOSURE CARE COSTS

State and federal laws and regulations require that Sherman County place a final cover on its landfill when closed and perform certain maintenance and monitoring functions at the landfill site for thirty years after closure. In addition to operating expenses related to current activities of the landfill, an additional liability is being incurred based on the future closure and post closure care costs that will be incurred near or after the landfill no longer accepts waste. The liability for these landfill closure and post closure care costs is based on the amount of the landfill used during the year. The landfill was opened in the fall of 2001. The estimated liability for landfill closure and post closure care costs is \$77,969.22 as of December 31, 2018, which is based on 7.3036% usage (filled) of the landfill. It is estimated that an additional \$989,575.76 will be incurred as closure and post closure expenses between the date of the financial statement and the date the landfill is expected to be filled to capacity (2255). The estimated total current cost of the landfill closure and post closure care (\$1,067,544.98) is based on the amount that would be paid if all equipment, facilities, and services required to close, monitor, and maintain the landfill were acquired as of December 31, 2018. However, the actual cost of closure and post closure care may be higher due to inflation, changes in technology, or changes in landfill laws and regulations. Closure and post closure care financial assurance requirements are being met by the County using the local government financial test.

#### Note 13 - LEASE COMMITMENTS

##### Operating Leases:

The County has entered into an operating lease for a postage machine which contains a cancellation provision and is subject to annual appropriations. For the year ending December 31, 2018 rent expenditures were \$6,936.00 (paid from the General Fund).

The County has entered into an operating lease for water coolers which contains a cancellation provision and is subject to annual appropriations. For the year ending December 31, 2018 rent expenditures were \$1,320.00 (paid from the General Fund).

The County has entered into an operating lease for VOIP phones which contains a cancellation provision and is subject to annual appropriations. For the year ending December 31, 2018 rent expenditures were \$16,800.00 (paid from the General Fund).

The County has entered into an operating lease for surveillance cameras at the landfill which contains a cancellation provision and is subject to annual appropriations. For the year ending December 31, 2018 rent expenditures were \$5,616.00 (paid from the Solid Waste Fund).

#### Note 14 - SUBSEQUENT EVENTS

The County has evaluated events subsequent to year end through October 4, 2019, and does not believe any events have occurred which affect the financial statement as presented.
