SUMMARY OF SIGNIFICANT ASSUMPTIONS

Note A: NATURE OF THE PROJECTION

This financial projection presents, to the best of Management's knowledge and belief, the Cemetery's results of operations and significant changes in financial position for the projection period if the hypothetical assumptions occur. Accordingly, the projection reflects management's judgment as of July 14, 2021, the date of this projection, of the expected conditions if the hypothetical assumptions occur. The presentation is designed to provide information for management and the County Clerk of the county that the Cemetery resides in, to calculate the tax levy needed to support the Cemetery's operations and should not be considered to be a presentation of expected future results. Accordingly, this projection may not be useful for other purposes. Furthermore, even if the hypothetical assumptions occur, there will usually be differences between the projected and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. The assumptions disclosed herein are those that management believes are significant to the projection.

Note B: SUMMARY OF SIGNIFICANT ASSUMPTIONS

1. Receipts and expenditures are received and spent as predicted (hypothetical).
2. Estimates of various taxes to be received as shown on pages 2 and 3, are accurate.
3. The receipts, expenditures, and unencumbered cash balances compared to the historical data remains consistent between years under the projection, as shown on the various individual fund presentation pages.
4. There will not be any catastrophic events or circumstances beyond the Cemetery's control that would effect the above assumptions. The Cemetery has to the best of their ability, evaluated the future estimated effects of COVID-19 on the Cemetery's receipts and expenditures.
