INDEPENDENT AUDITOR'S REPORT

City Commissioners City of Paola, Kansas Paola, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of City of Paola, Kansas as of and for the year ended December 31, 2021 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse Opinion and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of City of Paola, Kansas as of December 31, 2021, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of City of Paola, Kansas as of December 31, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note C.

Basis for adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the Kansas Municipal Audit and Accounting Guide. Our responsibility under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of City of Paola, Kansas, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matters giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note C of the financial statement, the financial statement is prepared by City of Paola, Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note C and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note C; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt City of Paola, Kansas ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about where the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- 1. Exercise professional judgement and maintain professional skepticism throughout the audit.
- 2. Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- 3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of City of Paola, Kansas's internal control. Accordingly, no such opinion is expressed.
- 4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimate made by management, as well as evaluate the overall presentation of the financial statement.
- 5. Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about City of Paola, Kansas ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditure-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-agency funds, (Schedules 1, 2, and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note C.

Prior Year Comparative

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of City of Paola, Kansas as of and for the year ended December 31, 2020 (not presented herein), and have issued our report thereon dated May 20, 2021, which contained an unmodified opinion on the basic financial statement. The 2020 basic financial statement and our accompanying report are not presented herein, but available in electronic form from the web site of the Kansas Department of Administration at the following link http://admin.ks.gov/offices/oar/municipal-services. NOTES TO FINANCIAL STATEMENT

December 31, 2021

NOTE A. MUNICIPAL REPORTING ENTITY

The City of Paola is a municipal corporation governed by a mayor/council/manager form of government. These financial statements present the government and its related municipal entities, entities for which the government is considered financially accountable.

Related Municipal Entities

The Paola Free Library is governed by a board appointed by the City Council. The Library's budget and its expenditures and contractual arrangements, are approved by the City council. The Library has been included in the accompanying financial statements as a special purpose fund of the primary government.

Other Entities

The Paola Housing Authority has been omitted from the accompanying financial statements. The Paola Housing Authority Board is appointed by the City Council and oversees the operations of the Paola Housing Authority. The financial statements of the Paola Housing Authority are audited annually as of the Paola Housing Authority's fiscal year end (March 31). Those financial statements are issued separately and may be obtained from the Paola Housing Authority.

The City entered into a joint venture with the City of Louisburg for the purpose of developing a public utility to treat and disburse water to the two cities. The water treatment plant has been completed and is in operation. Both Cities provide labor, supplies and administrative costs to the operation for which both are reimbursed. Those financial statements are issued separately and may be obtained at City Hall.

The Public Building Commission activity is included in these financial records as part of the City's activity. There is no separate accounting by the Public Building Commission of its activity.

NOTE B. REGULATORY BASIS FUND TYPES

The accounts of the City are organized and operated on the basis of funds. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The City potential could have the following types of funds.

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Funds – used to account for the proceeds of specific tax levies and other specific revenues sources (other than Capital Project and tax levies for long-term debt) that are intended for specific purposes.

Bond and Interest Fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and used to make payments of general long-term debt.

Capital Project Fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business Fund – funds financed in whole or part by fees charged to users of goods or services (i.e. enterprise and internal service funds etc.).

Trust Fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipality reporting entity scholarship funds, etc.). The City does not have any funds of this type.

NOTES TO FINANCIAL STATEMENT

December 31, 2021

NOTE B. REGULATORY BASIS FUND TYPES - continued

Agency Fund – funds used to report assets held by the municipal reporting entity in purely a custodial capacity (payroll clearing fund, City tax collection accounts, etc.).

NOTE C. BASIS OF ACCOUNTING

Regulatory Basis of Accounting and departure from Accounting Principles Generally Accepted in the United States of America - The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligations against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt assignment to a fund, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than mentioned above.

City of Paola, Kansas has approved a resolution that it is in compliance with K.S.A. 75-1120a (c) waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

NOTE D. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

Should the City hold a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

Adjustment for Qualifying Budget Credits – Municipalities may use this line item for any budgeted fund. The adjustment would be a positive amount. All budget adjustments must be authorized by Kansas statutes. Examples include: expenditure of federal grant monies, gifts and donations, and receipts authorized by law to be spent as if they were reimbursed expenses.

NOTES TO FINANCIAL STATEMENT

December 31, 2021

NOTE D. BUDGETARY INFORMATION - continued

All legal annual operating budgets are prepared using the regulatory basis of accounting in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end. A legal operating budget is not required for the following special purpose funds and capital project funds:

Special Law Enforcement
Family Aquatics Center Equipment
Covid-19
Escrow Fund
Mennenoah Cemetery
Special Grants

Drug Enforcement Account
Wastewater Treatment Plant Construction
Equipment Replacement
Capital Projects
Wastewater Treatment Plant

Spending in funds which are not subject to the legal annual operating budget requirements is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing board.

NOTE E. CASH AND INVESTMENTS

Cash balances from all funds are combined and invested to the extent available in certificates of deposit and other authorized investments, Earning from these investments are allocate to designated funds.

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the City or in an adjoining City if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the bank to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices. The City rates investments (if any) as noted.

Concentration of credit risk - State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City has no investments other than money markets and certificates of deposit.

Custodial credit risk – deposits: Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" during the year. All bank deposits were legally secured at December 31, 2021.

At December 31, 2021, the carrying amount of the City's bank deposits was \$7,574,276 (which includes petty cash funds) and the bank balance was \$7,624,116. The bank balance was held by two banks which reduces concentration of credit risk. The difference between carrying amount and bank balance is outstanding checks and deposits. Of the bank balance, \$500,000 was covered by federal depository insurance, and \$7,124,116 was collateralized with securities held by the pledging financial institution's agents in the City's name.

Custodial credit risk – investments: For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the

The debt limit per Kansas Statutes is limited to thirty percent of the assessed tangible valuation for exempt farm property, business aircraft and motor vehicles given by the County Appraiser to the County Clerk on June 15 each year. At December 31, 2021, the statutory limit for the City was \$16,365,727 providing a debt margin of \$10,480,726 after removing debt exempt from the limitation.

NOTE I. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS

Other Post Employment Benefits:

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retiree's health insurance plan because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been qualified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

The City has adopted by resolution a salary-reduction flexible benefit plan ("Plan") under Section 125 of the Internal Revenue Service Code. All employees of the City working 20 or more hours per week are eligible to participate in the plan beginning the first day of a pay period following coincidental with an employee's satisfaction of eligibility requirements of any Optional Benefit Plan. Each participant may elect to reduce his or her salary, subject to the limitations of the Individual Optional Benefit plans, to purchase benefits offered through the Plan. All benefits offered through the plan involve insurance coverage, dependent care reimbursements and health expense reimbursements.

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) received long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefits payments. The employer contribution rate is set a t 1% for the year ended December 31, 2021.

NOTE I. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS - continued

Compensated Absences:

Vacation Pay - Full-time employees are entitled to paid vacation leave time according to one of the following schedules:

(a) Full-time employees hired prior to January 1, 1992:

The employee shall be credited with ninety-six (96) hours for each year for up to ten (10) years. Employees with more than ten (10) years of service shall be entitled to eight (8) additional hours for each year of service longer than ten (10) years.

Full-time employees hired after January 1, 1992:

Years of Continuous Employment:	0 to 5	5 to 10	10 to 15	over 15
Hours earned per bi-weekly pay period:	3.6923	4.6153	5.5384	6.4615

- (b) New employees shall be awarded vacation time beginning on the first day of the month following (30) days of employment.
- (c) Employees may accumulate vacation leave time up to the maximum of two hundred (200) hours. An employee shall not earn additional vacation leave during any time period that the employee maintains the two hundred (200) hours maximum accumulation.
- (d) Off-duty employees on a leave of absence without pay for more than seven (7) working days in any one (1) calendar month shall not be eligible for earning vacation time during such month.
- (e) Vacation schedules are established by the Department Heads. Vacation time shall be reported as prescribed by the Human Resources Director and shall be taken as follows:

Employees who work 8 hour days	Increments of four (4) hours
Employees who work 10 hour days	Increments of five (5) hours

(f) Bonus personal time shall be rewarded to employees not using sick leave as prescribed by the following schedule:

Hours of Sick	Personal Hours
Leave Used	Awarded
0-3	24
4 - 8	16
9 - 16	8
17 or more	0

To qualify for bonus personal time, employees must have been employed by the City for the entire calendar year. Bonus personal time is awarded in the first pay period of the calendar year and must be used prior to the end of the calendar year that it is awarded or it shall be cancelled without any payment due to the employee. Bonus personal time may be taken in 1-hour increments.

(g) Employees shall receive payment for unused vacation time upon voluntary or involuntary termination of employment. As of December 31, 2021, the unused vacation time represented a potential liability to the City in the amount of \$147,983.

NOTES TO FINANCIAL STATEMENT

December 31, 2021

NOTE I. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS - continued

Compensated Absences: - continued

Sick Pay - Full-time employees may accumulate up to 180 days of sick leave. Twenty-five percent (25%) of unused sick leave will be paid upon termination of employment if in good standing. At December 31, 2021, City employees' sick leave payout at 25% would be \$136,466. In addition to vacation and sick leave, the City also has paid leave for comp time, Covid leave, personal days and wellness that amounted to \$44,100 as of December 31, 2021. There is no accrual for these amounts in the financial statements as amounts are expensed as the amounts are paid out.

NOTE J. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the City carries commercial insurance. Settlement of claims has not exceeded commercial insurance coverage in any of the last three fiscal years.

NOTE K. DEFINED BENEFIT PENSION PLAN

Plan Description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefits pension plan as provided by K.S.A. 74-4901. et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publically available financial report that includes financial statements and require supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, Ks. 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009, KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law establishes the KPERS member-employee contribution rates a 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. K.S.A. 74-4975 establishes KP&F (Kansas Police and Fire) member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the internal revenue code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for KPERS and 22.80% for KP&F for the fiscal year ended December 31, 2021. Contributions to the pension plan from the City were \$181,442 for KPERS and \$212,997 for KP&F for the year ended December 31, 2021.

Net Pension Liability: At December 31, 2021, the City's proportionate share of the collective net pension liability reported to KPERS was \$1,147,194 and \$1,633,495 for KP&F. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The City's proportion of the net pension liability was based on the ration of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publically available on the website at www.kpers.org or can be obtained as described above.

NOTE L. OTHER INFORMATION

Reimbursed Expenses: The City records reimbursable expenditures in the fund that makes the disbursement and records reimbursement as revenue in the same fund. For purposes of budgetary comparisons, the reimbursements are shown as adjustments for qualifying budget credits.

Compliance with Kansas Statutes: References made herein to the statutes are not intended as interpretations of law, but are offered for consideration of the State Director of Accounts and Reports and interpretation by the legal representative of the municipality. Management is not aware of any violations of Kansas Statutes.

Ad valorem tax revenues: The determination of assessed valuations and the collections of property taxes for all political subdivisions in the State of Kansas is the responsibility of the various counties. The County Appraiser annually determines assessed valuations and the County Clerk spreads the annual assessment on the tax rolls. The County Treasurer is the tax collection agent for all taxing entities within the county. In accordance with Kansas statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1 of each year. One-half of the property taxes are due December 20th, prior to the fiscal year for which they are budgeted and the second half is due the following May 10th. This procedure eliminates the need to issue tax anticipation notes since funds will be on hand prior to the beginning of each fiscal year. The City Treasurer draws down all available funds from the County Treasurer's office in two-month intervals.

Reimbursements: The City of Paola records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as revenues to the fund receiving the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursement.

Special assessments: Projects financed in part by special assessments are financed through general obligation bonds of the City and are retired from the bond and interest fund. Special assessments paid prior to the issuance of bonds are recorded as revenue in the appropriate project. Special assessments received after the issuance of bonds are recorded as revenue in the bond and interest fund.

NOTE M. COVID 19

COVID-19

On January 30, 2021, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2021, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the City's financial condition, liquidity and future results of operations. Management is actively monitoring the global and local situation on its financial condition, liquidity, operations, suppliers, industry and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the City is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition or liquidity for fiscal year 2021. Future potential impacts may include decrease in certain revenues, etc. and disruptions or restrictions on the City's ability to operate under its current mission and operating model.

NOTE M. COVID 19 - continued

The City has significant interest/debt payments due in each year, which if tax, grant, etc. receipts decline due to the impact of the COVID-19 outbreak on taxpayers, grants available, may lead to the City seeking debt forbearance/restructuring and additional sources of debt and or equity financing. The City expects to meet certain covenant provisions in its debt arrangements. This may lead to the City seeking debt forbearance/restructuring and additional sources of debt and/or equity financing.

NOTE N. SUBSEQUENT EVENTS

Subsequent Events: The City evaluated subsequent events through June 13, 2022, the date the financial statements were available to be issued.

Senate Bill 13 repealed the tax lid law and introduced the use of a revenue neutral rate with an additional budget hearing required if the proposed tax levy exceeds the revenue neutral rate. These policy changes apply to the 2022 budget cycle. Additional information can be found in the Memo to State of Kansas Subdivisions (2021) at https://admin.ks.gov/offices/oar/municipal-services.
