INDEPENDENT AUDITOR'S REPORT

City Council
Cedar Vale, Kansas

Report on the Audit of the Financial Statements

Adverse and Unmodified Opinions

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances of the City of Cedar Vale, Kansas, as of and for the year ended December 31, 2021 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the City of Cedar Vale, Kansas as of December 31, 2021, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Cedar Vale, Kansas as of December 31, 2021, and the aggregate receipts and expenditures for the year ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the City of Cedar Vale, Kansas, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles

As discussed in Note 1 of the financial statement, the financial statement is prepared by the City of Cedar Vale, Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Cedar Vale, Kansas' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Cedar Vale, Kansas' internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Cedar Vale, Kansas' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the 2021 fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, the schedule of regulatory basis receipts and disbursements-agency funds, and schedules of regulatory basis receipts and expenditures, actual-related municipal entity (Schedules 1, 2, 3, and 4 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the 2021 basic financial statement; however are required to be presented under the provisions of the *Kansas Municipal Audit Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the 2021 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 basic financial statement or to the 2021 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplemental information is fairly stated in all material respects in relation to the 2021 basic financial statement as a whole, on the basis of accounting described in Note 1.

THE NOTES TO THE FINANCIAL STATEMENT ARE AN INTEGRAL PART OF THIS STATEMENT

**THE CITY OF CEDAR VALE, KANSAS
NOTES TO THE FINANCIAL STATEMENT
DECEMBER 31, 2021**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1A. FINANCIAL REPORTING ENTITY

The City of Cedar Vale is a municipal corporation governed by and elected five-member Council and Mayor. This financial statement presents the City of Cedar Vale (the municipality) and its related municipal entity. The related municipal entity is included in the city's reporting entity because it was established to benefit the city and/or its constituents.

1. The *Cedar Vale Memorial Library* operates the City's public library and is governed by an appointed board. Acquisition or disposition of real property by the board must be approved by the City Council. Bond issuances must also be approved by the City Council. The Library is also fiscally dependent on the City for the majority of its revenue.

1B. BASIS OF PRESENTATION AND BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrances obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accept accounting principles and allowing the City to use the regulatory basis of accounting.

1C. REIMBURSEMENTS

The City of Cedar Vale, Kansas records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

THE CITY OF CEDAR VALE, KANSAS
NOTES TO THE FINANCIAL STATEMENT
DECEMBER 31, 2021

NOTE 2 – REGULATORY BASIS FUND TYPES

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long term debt) that are intended for specific purposes.

Bond and Interest Fund – used to account for the accumulation of resources including tax levies, transfers from other funds and payment of general long-term debt.

Business Fund – funds financed in whole or in part by fees charged to users of the goods or services.

Trust Fund – funds used to report assets held in trust for the benefit of the municipal financial reporting entity.

Agency Fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity.

NOTE 3 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

3A. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest fund, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

**THE CITY OF CEDAR VALE, KANSAS
NOTES TO THE FINANCIAL STATEMENT
DECEMBER 31, 2021**

NOTE 3 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY (cont'd.)

3A. BUDGETARY INFORMATION (cont'd.)

The statutes permit transferring budgeted amounts between line items with an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for the trust fund, agency fund, and the following special purpose funds: Police Drug Forfeiture, Pool Fundraising, Fireworks Fundraising, Dog Donation Fund, Pavilion Donation Fund, FEMA, ARPA, Water Maintenance Reserve, and Water Bond Reserve.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

NOTE 4 – DEPOSITS AND INVESTMENTS

At December 31, 2021, the City had no investments.

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has not investment policy that would further limit its investment choices.

**THE CITY OF CEDAR VALE, KANSAS
NOTES TO THE FINANCIAL STATEMENT
DECEMBER 31, 2021**

NOTE 4 – DEPOSITS AND INVESTMENTS (cont'd)

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank with the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at December 31, 2021.

At December 31, 2021, the carrying amount of the City's deposits, including certificates of deposits, was \$477,425.63. The bank balance was \$506,296.99. The difference between the carry amount and the bank balance is outstanding checks and deposits in transit. Of the bank balance, \$481,786.70 was covered by FDIC insurance, creating a custodial credit risk, and the remaining amount was collateralized by pledged securities held by the pledging institution's agents in the City's name.

At year-end, the carrying amount of the Cedar Vale Memorial Library's deposits was \$14,504.92. The bank balance was \$14,639.32. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. All of the bank balance was covered by FDIC insurance.

NOTE 5 – LONG-TERM DEBT

SEE SECHEDULE ON PAGES 13 – 14.

NOTE 6 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post-Employment Benefits. As provided by K.S.A. 12-5040, the municipality allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the municipality is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to former employees and eligible dependents. Certain requirements are outlined by the Federal Government for this coverage. The premium is paid in full by the insured.

Death and Disability Other Post Employment Benefits. As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is

**THE CITY OF CEDAR VALE, KANSAS
NOTES TO THE FINANCIAL STATEMENT
DECEMBER 31, 2021**

NOTE 6 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (cont'd)

funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2021.

Compensated Absences. City employees with one year or more of service are eligible for vacation benefits varying from five (5) days to twenty (20) days.

Full-time City employees accumulate sick leave at the rate of eight hours per month of service. Part-time employees working at least 20 hours per week accumulate four hours of sick leave for each month of employment. Sick leave may be accumulated up to 720 hours.

The liability for accrued vacation and sick pay is not reflected on the financial statements. Neither the actual or estimated amount of the liability was available at December 31, 2021. The cost of vacation and sick pay are recognized as expenditures when paid in accordance with the regulatory basis of accounting.

NOTE 7 – DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. Seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and contribution members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009. KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the DPERS member employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414 (h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, and KPERS 3, be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for the fiscal year ended December 31, 2021. Contributions to the pension plan from the City of Cedar Vale were \$14,556.45.

NOTE 7 – DEFINED BENEFIT PENSION PLAN (cont'd)

Net Pension Liability

At December 31, 2021, the City's proportionate share of the collective net pension liability reported by KPERS was \$95,637. The net pension liability was measured as of June 30, 2021 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 8 – INTERFUND TRANSFERS

Operating transfers were as follows:

<u>From Fund</u>	<u>To Fund</u>	<u>Statutory Authority</u>	<u>Amount</u>
FEMA Fund	Water Fund	Prior Year Reimbursement	\$26,905.51
Water Bond Fund	Water Fund	K.S.A. 12-1.118	\$56,494.49

NOTE 9 – RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; error and omissions; injuries to employees; and natural disasters. The City continues to carry commercial insurance for these potential risks. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 10 – USE OF ESTIMATES

The preparation of regulatory basis financial statements requires management to make estimates and assumptions that affect the reported amounts of expenditures during the audit period, encumbrances outstanding, and disclosure of contingencies at the end of the audit period. Actual results could differ from the estimates.

NOTE 11 – COVID-19

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Municipality's financial condition, liquidity, and future results of operations. Management is actively monitoring the global and local situation on its financial condition, liquidity, operations, suppliers, industry, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Municipality is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2021.

NOTE 12 – DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through the date of financial statement issuance November 17, 2022.

NOTE 13 – SUBSEQUENT EVENTS

The City of Cedar Vale was awarded a State and Local Fiscal Recovery Fund Grant of \$77,066.96 from the American Rescue Plan Act. The first half of the grant was received by the City in the amount of \$38,533.48 in July 2021 and the second half was received June 13, 2022. The City of Cedar Vale was also awarded a CDBG Housing grant in 2022 in the amount of \$300,000.

NOTE 14 – PRIOR PERIOD ADJUSTMENT

Due to a clarification in the 2020 KMAAG, with respect to the required accrual of material payroll and benefits, the prior period (2020) beginning unencumbered cash and expenditures have been restated to adjust for accrued payroll and benefits existing at 12/31/2020. The beginning unencumbered cash was reduced by the following amounts for three funds: General – \$5,095.61, Water System – \$2,074.93, and Sewer – \$509.45.

CITY OF CEDAR VALE, KANSAS
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021

NOTE 4 - LONG TERM DEBT

Changes in long-term liabilities for the City for the year ended December 31, 2021 were as follows:

Issue	Interest Rates	Date of Issue	Amount of Issue	Maturity	Balance 12/31/2020	Issued	Principal Paid	Principal Refunded	Balance 12/31/2021	Interest Paid
