## INDEPENDENT AUDITORS' REPORT

Board of Education  
Southeast Kansas Education Service Center  
P.O. Box 189  
Girard, Kansas 66743

### *Report on the Financial Statement*

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the Southeast Kansas Education Service Center, a Municipal Financial Reporting Entity as of and for the year ended June 30, 2020 and the related notes to the financial statement.

### *Management's Responsibility for the Financial Statement*

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the applicable audit requirements of the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 1 of the financial statement, the financial statement is prepared by the Southeast Kansas Education Service Center on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

*Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Southeast Kansas Education Service Center, as of June 30, 2020 or changes in financial position and cash flows thereof for the year then ended.

*Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Southeast Kansas Education Service Center, as of June 30, 2020, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

**Other Matters**

*Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The individual fund schedules of regulatory basis receipts and expenditures (Schedule 1 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement; however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. The schedule of expenditures of federal awards (Schedule 2 as listed in the table of contents) is required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statement.

The individual fund schedules of regulatory basis receipts and expenditures and schedule of expenditures of federal awards information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information

is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 28, 2021, on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

GIRARD, KANSAS

NOTES TO THE FINANCIAL STATEMENT

June 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1A. MUNICIPAL FINANCIAL REPORTING ENTITY

Primary Government

The Southeast Kansas Education Service Center (Center) is a municipal corporation governed by an appointed five-member board. The regulatory basis financial statement includes transactions of the primary government only.

The Service Center is an inter-local and formed as the result of an agreement pursuant to the provision of K.S.A. 12-2901 et seq. The agreement is between four unified school districts and a community college to work together for the mutual benefit of the children they serve and to form a separate legal entity known as Southeast Kansas Education Service Center. The purpose of the educational service center is to provide cooperatively educational services in the area of special education, vocational education, career education, media services, curriculum development and in-service training for staff programs, administrative services, and any other purpose authorized by law, and to meet the provisions for special education as required by the Kansas Legislature. The Service Center's combined statement of cash balances and encumbrances includes the accounts of all the Service Center's operations. The scope of the entity for financial reporting purposes is designated as those funds for which the Service Center has oversight responsibility and is primarily accountable. Oversight responsibility includes fiscal management responsibility, which is the collection and disbursement of funds.

Component Unit

Based on GASB 61, the Service Center has one Component Unit, the Learning Tree Institute at Greenbush. The Learning Tree Institute at Greenbush is a Kansas Not-for-Profit Corporation exempt from income tax under Internal Revenue Service Code Section 501(c)(3) and serves as a supporting organization of the Southeast Kansas Education Service Center. The Center prepares their financial statement in accordance with regulatory basis as noted in Note 1B, and based on provisions of the Kansas Municipal Audit and Accounting Guide, do not recognize component units. As a non-profit organization, Learning Tree Institute at Greenbush does not meet the definition of a related municipal entity nor part of the municipality. Therefore, the financial statements of the Learning Tree Institute at Greenbush are not included in this financial statement, but were audited and reported on separately.

1B. BASIS OF PRESENTATION AND BASIS OF ACCOUNTING

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and

1B. BASIS OF PRESENTATION AND BASIS OF ACCOUNTING (cont'd)

investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

The accounts of the reporting entity are organized into funds, each of which is considered to be separate accounting entities.

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

1C. REGULATORY BASIS FUND TYPES

Special Purpose Funds—used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long-term debt) that are intended specified purposes.

1D. BUDGETARY INFORMATION

The budgetary process for Southeast Kansas Education Service Center is different from that of a Unified School District. The Service Center does not receive any local tax money directly. They prepare a budget for internal monitoring purposes, but it is not required to be published.

1E. REIMBURSEMENTS

The Service Center records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

NOTE 2 – STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

2B. COMPLIANCE WITH KANSAS STATUTES AND OTHER FINANCE RELATED MATTERS

Management is not aware of any violations of Kansas Statutes or violations of other finance related matters for the year ended June 30, 2020.

NOTE 3 - DEPOSITS AND INVESTMENTS

As of June 30, 2020, the Service Center has the following investments and maturities:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Maturities (Yrs.)</u>	<u>Rating</u>
Kansas Municipal Investment Pool	\$130,360.43	Less than 1	S&P AAAF/SLT

K.S.A. 9-1401 establishes the depositories which may be used by the Service Center. The statute requires banks eligible to hold the Service Center's funds have a main or branch bank in the county in which the Service Center is located or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Service Center has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Service Center's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Service Center has no investment policy that would further limit its investment choices. The rating of the Service Center's investments is noted above.

*Concentration of credit risk.* State statutes place no limit on the amount the Service Center may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. At June 30, 2020, the District held 100% of their investments in the Kansas Municipal Investment Pool.

*Custodial credit risk – deposits.* Custodial credit risk is the risk that in the event of a bank failure, the Service Center's deposits may not be returned to it. State statutes require the Service Center's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2020.

NOTES TO THE FINANCIAL STATEMENT

NOTE 3 - DEPOSITS AND INVESTMENTS (cont'd)

At June 30, 2020, the Service Center's carrying amount of deposits, was \$13,241,717.51 and the bank balance was \$15,339,735.84. The bank balance was held by 7 banks. Of the bank balance \$2,318,568.81 was covered by federal depository insurance, resulting in a custodial credit risk; however, the remaining \$12,890,492.78 was collateralized with securities held by the pledging financial institutions' agents in the Service Center's name.

*Custodial credit risk – investments.* For an investment, this is the risk that, in the event of the failure of the issuer or counter party, the Service Center will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At June 30, 2020, the Service Center had invested \$130,360.43 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The Board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

NOTE 4 - DEFINED BENEFIT PENSION PLAN

4A. General Information about the Pension Plan

*Plan description.* The Center participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) or by writing to KPERS (611 South Kansas, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

*Contributions.* K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after January 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. 4B. Net Pension Liability (cont'd)

the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2018, which was rolled forward to June 30, 2019. The Center's proportion of the net pension liability was based on the ratio of the Center's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2020. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publically available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

NOTE 5 – FLEXIBLE BENEFIT PLAN (I.R.C. SECTION 125)

The Board adopted a salary-reduction flexible benefit plan under Section 125 of the Internal Revenue Code. All full time employees of the Center are eligible to participate in the plan beginning the first day of the month following employment. Each employee may elect to reduce his or her salary to purchase benefits through the plan. Currently benefits offered through the plan involve health, dental, and vision insurance, childcare expenses and unreimbursed medical expenses.

NOTE 6 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

6A. – OTHER POST EMPLOYMENT BENEFITS

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the Service Center makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

6B. COMPENSATED ABSENCES

Personal Leave – Staff members working at least 100 to 159 days per year shall be entitled to one day, 160 days to 219 days per year shall have 2 days, and 220 days to 261 days per year shall have 3 days. A day is defined as no less than 7 hours for this purpose.

Sick Leave – All employees working 1,004 hours or more per year are credited with a calculated amount of hours of sick leave per month worked. Sick leave hours are computed according to individual contract hours up to a maximum of 96 hrs/year or 12 days. Sick leave is credited at the end of the pay period. To be eligible to earn sick leave for any month, employees must have worked or have had paid leave to cover at least 1/2 of their contracted working hours during the current pay

period. Thus, employees in a given pay period having "without-pay" days may not earn a day of sick leave unless they have worked or been paid for at least 1/2 of their contract during the month.

Vacations – Employees at special school sites will follow the vacation schedule specified in their local site calendars. Personnel employed in the Greenbush central office on a 12-month basis shall be granted 10 working days of vacation each year. After eight years of employment, the 10 days shall be increased to 15 days. Vacations may accumulate to 20 days but must be taken or lost after that accumulation.

Part-time and temporary employees are not eligible for vacation pay. Employees qualified to earn vacation leave shall be paid for accrued vacation time at the employee's regular daily rate of pay upon ceasing employment with the Center.

An employee who moves from full time employment to part time (i.e. less than 32 hours per week), and who has accrued earned vacation time, will not lose that time when reducing employment to part time. The individual will no longer earn vacation time but will be allowed to use the hours of vacation time previously accrued.

The liability for accrued vacation and sick pay is not reflected on the financial statements. Neither the actual or estimated liability was available at June 30, 2020. The cost of vacation and sick pay are recognized as expenditures when paid.

NOTE 7 – RISK MANAGEMENT

The Service Center is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the Service Center carried commercial insurance. Settlements of claims have not exceeded coverage during the past three fiscal years.

NOTE 8 – LONG TERM DEBT AND CAPITAL LEASES

During the year ended June 30, 2020, no long-term debt was outstanding.

NOTE 9 – USE OF ESTIMATES

The preparation of regulatory based financial statement required management to make estimates and assumptions that affect the reported amounts of expenditures during the audit period, encumbrances outstanding and disclosure of contingencies at the end of the audit period. Accordingly, actual results could differ from those estimates.

***Note 1. Basis of Presentation***

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Southeast Kansas Education Service Center, Girard, Kansas (Center) under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Center, it is not intended to and does not present the financial position, changes in fund balances, or cash flows of the Center.

***Note 2. Summary of Significant Accounting Policies***

Expenditures reported on the Schedule are reported on a basis of accounting which demonstrates compliance with the cash basis and budget laws of Kansas (regulatory basis). Such expenditures are recognized following the cost principles contained in the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

## REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

### Independent Auditors' Report

Board of Directors  
Southeast Kansas Education Service Center  
Girard, Kansas 66743

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*, the regulatory basis financial statement of Southeast Kansas Education Service Center, as of and for the year ended June 30, 2020, and the related notes to the financial statement, which collectively comprise Southeast Kansas Education Service Center's basic financial statement, and have issued our report thereon dated March 28, 2021.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statement, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

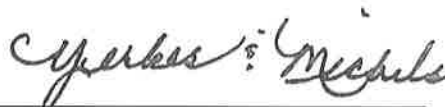

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Center's regulatory basis financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

### Independent Auditors' Report

Board of Directors  
Southeast Kansas Education Service Center  
Girard, Kansas 66743

#### **Report on Compliance for Each Major Federal Program**

We have audited the Southeast Kansas Education Service Center's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Center's major federal program for the year ended June 30, 2019. The Center's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

#### ***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and terms and conditions of its federal awards applicable to its federal programs.

#### ***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for the Center's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Requirements for Federal Awards (Uniform Guidance); and the *Kansas Municipal Audit and Accounting Guide*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on the Center's compliance.

#### ***Opinion on Each Major Federal Program***

In our opinion, the Southeast Kansas Education Service Center complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2020.

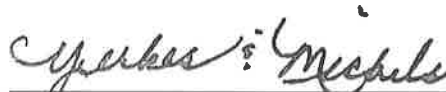

### **Report on Internal Control Over Compliance**

Management of the Southeast Kansas Education Service Center, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report in internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
