INDEPENDENT AUDITORS' REPORT

To the Board of Education

Chase-Raymond Unified School District No. 401 Chase, Kansas
Chase, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances of **Chase-Raymond Unified School District No. 401 Chase, Kansas**, as of and for the year ended June 30, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statement is prepared by **Chase-Raymond Unified School District No. 401 Chase, Kansas** on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the

regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matters discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of **Chase-Raymond Unified School District No. 401 Chase, Kansas** as of June 30, 2020, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of **Chase-Raymond Unified School District No. 401 Chase, Kansas** as of June 30, 2020, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Other Matters

Supplementary Information

The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of **Chase-Raymond Unified School District No. 401 Chase, Kansas** as of and for the year ended June 30, 2019 (not presented herein), and have issued our report thereon dated September 9, 2019, which contained an unmodified opinion on the basic financial statement. The 2019 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://admin.ks.gov/offices/chief-financial-officer/municipal-services>. The 2019 actual column (2019 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended June 30, 2020 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. CHASE-RAYMOND UNIFIED SCHOOL DISTRICT NO. 401 CHASE, KANSAS

Notes to Financial Statement

June 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Chase-Raymond Unified School District No. 401 Chase, Kansas has established a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. The accompanying financial statement is presented to conform to the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The following is a summary of such significant policies.

Financial Reporting Entity

The District is a municipal corporation governed by an elected seven-member board. A related municipal entity is an entity established to benefit the District and/or its constituents. The District has no related municipal entities.

Basis of Presentation – Fund Accounting

The accounts of the District are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the District for the year ended June 30, 2020.

Regulatory Basis Fund Types

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose Fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Agency Fund – fund used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

CHASE-RAYMOND UNIFIED SCHOOL DISTRICT NO. 401 CHASE, KANSAS

Notes to Financial Statement

June 30, 2020

Reimbursements

The District records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis of accounting.

NOTE 2 – BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding calendar year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least 10 days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least 10 days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds: Title I Grant Fund, Title IIA Teacher Quality Fund, Contingency Reserve Fund, Title IVA Student Support and Academic Enrichment Fund, CARES Fund, and District Activity Funds.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

NOTE 3 – DEPOSITS AND INVESTMENTS

Chase-Raymond Unified School District No. 401 Chase, Kansas follows the practice of pooling cash and investments of all funds. Each fund's portion of total cash and investments is summarized by fund category in the summary statement of receipts, expenditures and unencumbered cash.

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

Concentration of Credit Risk

State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The District does not use "peak periods". All deposits were legally secured at June 30, 2020.

At June 30, 2020, the District's carrying amount of deposits was \$1,254,761 and the bank balance was \$1,374,411. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$250,000 was covered by federal depository insurance and \$1,124,411 was collateralized with securities held by the pledging financial institutions' agents in the District's name.

Custodial Credit Risk – Investments

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the District will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured. The District had no investments at June 30, 2020.

NOTE 4 – IN-SUBSTANCE RECEIPT IN TRANSIT

Chase-Raymond Unified School District No. 401 Chase, Kansas received \$78,335 subsequent to June 30, 2020 and as required by K.S.A. 72-5135, the receipt was recorded as an in-substance receipt in transit and included as a receipt for the year ended June 30, 2020.

NOTE 5 – INTERFUND TRANSFERS

Interfund transfers within the reporting entity are substantially for the purpose of subsidizing operating functions, funding capital projects and asset acquisitions or maintaining debt service on a routine basis as authorized by Kansas statutes. **Chase-Raymond Unified School District No. 401 Chase, Kansas'** interfund transfers and regulatory authority for the year ended June 30, 2020 were as follows:

issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 S Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 14.59% and 13.21%, respectively, for the fiscal year ended June 30, 2019. The actuarially determined employer contribution rate and the statutory contribution rate was 16.15% and 14.41%, respectively, for the fiscal year ended June 30, 2020.

Per 2017 Senate Substitute for House Bill 2052, Section 37(a), state general fund employer contributions to KPERS were decreased by \$64.13 million for the fiscal year ended June 30, 2017. Section 43(17) of the bill also stipulated that repayments of the reduced contributions are to be amortized over twenty years at a level dollar amount commencing in fiscal year 2018. The level dollar amount was computed to be \$6.4 million per year. The first year payment of \$6.4 million was received in July 2017 and appropriations for fiscal year 2018 were made for the State/School group at the statutory contribution rate of 12.01% for that year.

Per 2017 Senate Substitute for House Bill 2002, Section 51(a), state general fund employer contributions to KPERS were decreased by \$194.0 million for the fiscal year ended June 30, 2019. Section 56(19) of the bill also stipulates that repayments of the reduced contributions are to be amortized over twenty years at a level dollar amount commencing in fiscal year 2020. The level dollar amount was computed to be \$19.4 million per year.

2018 House Substitute for Senate Bill 109 provided for additional funding for the KPERS School group. A payment of \$56 million was paid in fiscal year 2018. This bill also authorized a payment of \$82 million in fiscal year 2019.

2019 Senate Bill 9 authorized a payment of \$115 million for the KPERS School group.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled \$161,566 for the year ended June 30, 2020.

CHASE-RAYMOND UNIFIED SCHOOL DISTRICT NO. 401 CHASE, KANSAS

Notes to Financial Statement

June 30, 2020

Net Pension Liability

At June 30, 2020, the District's proportionate share of the collective net pension liability reported by KPERS was \$1,572,108. The net pension liability was measured as of June 30, 2019, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2018, which was rolled forward to June 30, 2019. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2019. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 11 – OTHER POST EMPLOYMENT BENEFITS

As provided by K.S.A. 12-5040, **Chase-Raymond Unified School District No. 401 Chase, Kansas** allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the District is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the District makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

As provided by K.S.A.74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended June 30, 2020.

NOTE 12 – COMPENSATED ABSENCES

Other full-time employees shall be granted one week of vacation after one full year of employment and two weeks of vacation after their second full year of employment. After 10 years of service, 3 weeks of vacation will be provided. Monthly and part-time employees are not eligible for vacation. Vacation is not allowed to accumulate.

Sick Leave

Certified Employees - All employees are allowed 8 days per year, accumulative to 60 days. According to the negotiated agreement, when an employee reaches 60 or more days (could be from 60 to 70 days), the days not used for sick leave during that year above 60 days will be bought back at the end of the school year at a rate of \$50 a day, not to exceed \$500 per person.

Noncertified Employees - Full-time employees are allowed 10 days per year, accumulative to 60 days. Monthly and part-time employees are allowed 7 days per year, accumulative to 56 days. Unused sick leave has a \$25 per day buy back rate. A classified employee who retires from the district with at least twenty-five years of service in the district will have their sick leave bought back at \$50 per day.

At the time of an employee's resignation or termination (not including retirement), unused sick leave will be deposited into the sick leave bank.

Sick Leave Bank

The sick leave bank is voluntary and open to all employees who receive sick leave from the District. Employees have until September 5th of each school year to deposit sick leave to the bank. An employee may deposit up to 10 days each year, to an accumulated maximum deposit of 20 days of sick leave for each employee. The number of days that an employee may borrow from the sick leave bank is limited to two times the number of sick leave days the employee has contributed to the sick leave bank. Sick leave days which are borrowed from the bank in excess of the days the employee has contributed will be paid back by the employee at the rate of three days per year. Employees may choose to donate sick leave to other employees. Each employee is limited to donating up to two days of sick leave per specific employee per year.

Personal Leave

Certified Employees - Each employee is allowed four days of non-accumulative personal leave each contract year. The first two days of unused personal leave may be bought back at the rate of \$75 per day of unused personal leave. The last two days of unused personal leave will be converted to sick leave.

Non-Certified Employees - Full-time employees are allowed two days of non-accumulative personal leave. Monthly and part-time employees shall be allowed one day of personal leave. Employees will be paid \$50 for each day of unused personal leave at year end.
