INDEPENDENT AUDITORS' REPORT

Board of Education
Unified School District #248 (District)
Girard, Kansas

Adverse and Unmodified Opinions
We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Unified School District #248 Girard, Kansas, (the District) as of and for the fiscal year ended June 30, 2025 and the related notes to the financial statement.

Adverse Opinion on U.S. Generally Accepted Accounting Principles
In our opinion, because of the significance of the matter discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the District as of June 30, 2025, or changes in financial positions and cash flows thereof for the fiscal year then ended.

Unmodified Opinion on Regulatory Basis of Accounting
In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the District as of June 30, 2025, and the aggregate receipts and expenditures for the fiscal year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

Basis for Adverse and Unmodified Opinions
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the *Kansas Municipal Audit and Accounting Guide.* Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles
As discussed in Note 1 of the financial statement, the financial statement is prepared by the District on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide,* which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Responsibilities of Management for the Financial Statement
Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (financial statement) as a whole. The summary of regulatory basis expenditures – actual and budget, individual fund schedules of regulatory basis receipts and expenditures – actual and budget, schedule of regulatory basis receipts and expenditures – agency funds, and schedule of regulatory basis receipts, expenditures, and unencumbered cash – district activity funds (Schedules 1, 2, 3, and 4 as listed in the table of contents), are presented for purposes of additional analysis and are not a required part of the financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

Other Reporting Required by Government Auditing Standards
In accordance with *Government Auditing Standards*, we have also issued our report dated January 3, 2026, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Prior Year Comparative Numbers
We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the District as of and for the fiscal year ended June 30, 2024 (not presented herein), and have issued our report thereon dated May 27, 2025, which contained an unmodified opinion on the basic financial statement. The 2024 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link https://admin.ks.gov/offices/accounts-reports/local-government/municipal-services. The 2024 actual column (2024 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget for the year ended June 30, 2025 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2024 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 basic financial statement. The 2024 comparative information was subjected to the auditing procedures applied in the audit of the 2024 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 basic financial statement or to the 2024 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2024 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended June 30, 2024, on the basis of accounting described in Note 1.

GIRARD UNIFIED SCHOOL DISTRICT #248
GIRARD, KANSAS

NOTES TO THE FINANCIAL STATEMENT
For the Fiscal Year Ended June 30, 2025

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statement of Girard Unified School District #248, Girard, Kansas, has been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the District's accounting policies follow. Note 1 describes how the District's accounting policies differ from accounting policies generally accepted in the United States of America.

Reporting Entity
The district is a municipal corporation governed by an elected seven-member board. This financial statement presents Girard Unified School District #248 (the primary government). The District has developed criteria to determine whether outside agencies, with activities which benefit the members of the District, should be included within its financial reporting entity. The criteria include, but are not limited to, whether the District exercises financial accountability, selection of governing authority, designation of management, ability to significantly influence operations, scope of public service and special financing relationships. Based on the above criteria, the District has determined that no outside agency meets the criteria; therefore, no outside agency has been included as a related municipal entity in this financial statement.

Basis of Presentation - Fund Accounting
A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The following types of funds comprise the financial activities of the Girard Unified School District #248:

GOVERNMENTAL FUNDS

General Fund - to account for all unrestricted resources except those required to be accounted for in another fund.

Special Purpose Fund - to account for the proceeds of specific tax levies and other specific revenue sources (other than capital projects and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest Fund - to account for the accumulation of resources including tax levies, transfers from other funds and payment of general long-term debt.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)
Basis of Presentation - Fund Accounting – (Continued)

Capital Project Funds – to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Agency Funds – funds used to report assets held by the District in a purely custodial capacity.

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the District to use the regulatory basis of accounting.

Budgetary Information
Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute) and bond and interest funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding fiscal year on or before August 1st.
2. Publication in the local newspaper on or before August 5th of the proposed budget and a notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after the publication of a notice of hearing.
4. Adoption of the final budget on or before August 25th.

If the municipality is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20th. The municipality did hold a revenue neutral rate hearing this year.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no budget amendments this year. The General and Supplemental General Fund budgets were subsequently reduced to the legal maximum budget after the determination of final enrollment figures by the Kansas Department of Education.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Information (Continued)
The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable and encumbrances. Encumbrances are commitments of the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

Legal operating budgets are not required in the following special purpose funds: Early Education Center, Contingency Reserve, Textbook Rental, Safety Care Program, Title I, 21st Century Grant, Title II, Early Childhood Block Grant, Kansas Pre-K Pilot, ESSER II, KDHE Testing, Gifts and Grants, or District Activity funds.

Spending in funds, which are not subject to the legal annual operating budget requirement, is controlled by federal regulations, other statutes or by the use of internal spending limits established by the governing body.

Qualifying Budget Credits
Expenditures in various funds include expenditures not subject to the budget laws of the State of Kansas, which include reimbursed expenses and grant expenditures.

Reimbursed expenses are defined as repayments of amounts remitted on behalf of another party. All reimbursed expenses shown in the financial statements meet the following criteria: 1) the related disbursement was made in the current year on behalf of the payee, 2) the item paid for was directly identifiable as having been used by or provided to the payee, and 3) the amount of the reimbursed expense was directly tied to the amount of the original cash disbursement.

Expenditures in the General Fund include expenditures in connection with reimbursements and/or grants received by the District. These are reimbursement type grants whereby grant money is received to reimburse the District for actual grant expenditures paid. These expenditures are similar to reimbursed expenses as discussed in the preceding paragraph.

Deposits and Investments
Deposits and investments are comprised of interest-bearing checking accounts and certificates of deposit. Kansas statutes permit investment in savings accounts, certificates of deposit, repurchase agreements, and obligations of the U.S. Treasury.

Compensated Absences
Full-time 12-month employees are eligible for vacation benefits of 10 days a year. Unused vacation days may not accumulate to more than 20 days at the conclusion of the contract year. At the conclusion of employment, an employee may be paid for accumulated vacation that is unused at the conclusion of the year. The payment will be the employees current rate of pay.

Employees accrue one day of sick leave for each month of their contract, plus three additional days, each year. Upon KPERS retirement eligibility, sick leave will be paid out if 100 days or more are accrued at $50 per day for the first 100 days, then at $25 per day for any day beyond 100 days.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences (Continued)
The District accrues a liability for compensated absences which meet the following criteria:

1. The District's obligation relating to the employee's right to receive compensation for future absences is attributable to employee's services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated and is material to the financial statements.

Based upon the above criteria the District has not determined a liability for vacation or sick pay.

Termination and Post Employment Benefits
No termination benefits are provided to District employees when employment with the District ends.

As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the District under this program.

Reimbursements
The District records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparison, the expenditures are properly offset by the reimbursements under the KMAAG regulatory basis of accounting.

Property Taxes
In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1 of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of the taxes levied on or before December 20 during the year levied with the balance to be paid on or before May 10 of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1 of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31 such taxes are a lien on the property.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Compliance with Kansas Statutes

The financial statement has been prepared in order to show compliance with the cash basis and budget laws of Kansas. As shown in the financial statement and the required supplementary schedules there were no violations of the cash basis and budget laws of Kansas.

The negative beginning and/or ending cash balances in the Title I, 21st Century, Title II, and Kansas Pre-K Pilot Funds are not a cash basis violation since these amounts will be reimbursed.

3. CASH IN BANK AND DEPOSITORY SECURITY

K.S.A. 9-1401 establishes the depositories which may be used by the District. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The District has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices, but has limited the investments to time deposits at local banks.

Concentration of credit risk. State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2025.

On June 30, 2025, the District's carrying amount of deposits was $7,234,684 and the bank balance was $7,477,215. The bank balance was held by four banks resulting in a concentration of credit risk. Of the bank balance, $882,347 was covered by federal depository insurance, $6,594,868 was collateralized with securities held by the pledging financial institutions' agents in the District's name, with a market value of $7,455,417.

4. PENSION PLAN

General Information about the Pension Plan

Plan description. The District participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

4. **PENSION PLAN** (Continued)

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate and the statutory contribution rate (not including the 1% contribution rate for the Death and Disability Program) was 13.38% and 12.57% respectively, for the fiscal year ended June 30, 2024. The actuarially determined employer contribution rate and the statutory contribution rate was 11.60% and 11.54% for the fiscal year ended June 30, 2025.

The 2015 Legislature passed and he Governor approved Senate Bill 228 authorizing the issuance of $1.0 billion in pension obligation bonds to fund a portion of the School-Group's unfunded actuarial liability. The bonds were successfully issued in August 2015 and the proceeds transferred to the System.

The 2021 Legislature passed House Bill 2405, which authorizes the State of Kansas to issue pension obligation bonds, series 2021K, net proceeds of $500 million to fund a portion of the School-Group's unfunded actuarial liability. The bond proceeds were received by KPERS on August 26, 2021.

The 2022 Legislature passed Senate Bill 421, which authorized the State of Kansas to transfer $1.125 billion from the State General Fund directly to KPERS in Fiscal Years 2022 and 2023. The first $253.9 million paid off outstanding accounts receivable for KPERS-School employer contributions withheld in Fiscal Year 2017 and Fiscal Year 2019 while the remaining $871.1 million was applied to the KPERS-School unfunded actuarial liability. In Fiscal Year 2022, $600 million was transferred in May/June 2022.

In addition, Senate Bill 421 authorizes two additional transfers in Fiscal Year 2023 which totaled $271.1 million. The first transfer of $146.1 million was received on August 1, 2022. The second transfer of $125 million was received on December 1, 2022.

The State of Kansas is required to contribute the statutory required employer's share except for retired District employees. The District is responsible for the employer's portion of the cost for retired District employees. The District received and remitted amounts equal to the statutory contribution rate, which totaled $842,239 for the year ended June 30, 2025.

4. PENSION PLAN (Continued)

Net Pension Liability

On June 30, 2025, the District's proportionate share of the collective net pension liability reported by KPERS was $7,473,673. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2023, which was rolled forward to June 30, 2024. The District's proportion of the net pension liability was based on the ratio of the District's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2024. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

5. RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The District continues to carry commercial insurance for these risks. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

6. CONTINGENCIES

In the normal course of operations, the District participates in various federal or state grant programs from year to year. The grant programs are often subject to additional audits by agents of the grant agency, the purpose of which is to ensure compliance with the specific conditions of the grant. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material. In addition the District is contingently liable for outstanding bonds which have been refunded and will be redeemed from amounts held in escrow. Details of the refunding bonds are in Note 10.

7. 403(B) PLAN

The District offers an internal revenue code section 403(B) plan to full-time employees. The plan allows employees to elect to defer salary amounts. The District matches 100% of deferred amounts up to $30 per employee each month. The total amount contributed by the District for the fiscal year ending June 30, 2025 was $37,490.37.

8. TRANSFERS

Operating transfers are routinely made from the General and Supplemental General Funds to other funds as allowed by Kansas Statues. Operating transfers were as follows:

FROM	TO	STATUTORY AUTHORITY	AMOUNT
General	Special Education	KSA 72-3422	$ 1,093,056
General	K-12 At Risk	KSA 72-5153	1,250,385
General	Capital Outlay	KSA 72-53,115	516,108
General	Early Education Center	K.S.A 38-2102	78,594
Supplemental General	Bilingual Education	KSA 72-3613	23,000
Supplemental General	Virtual Education	KSA 72-3712	17,250
Supplemental General	4 Yr Old At Risk	KSA 72-5154	14,000

Supplemental General	Parent Education	KSA 72-4165	27,500
Supplemental General	Food Service	KSA 72-5164	148,000

9. SUBSEQUENT EVENTS

Management has evaluated events and transactions subsequent to June 30, 2025, through January 3, 2026, the date the financial statement was available for issue. During this period there were no subsequent events requiring recognition in the financial statement or disclosure in the notes to the financial statement.

10. LONG TERM DEBT OBLIGATIONS

On January 27, 2021, the District issued refunding bonds with a face value of $9,995,000. The proceeds of these bonds were placed in escrow and will be used to call bonds previously issued by the District. The final call does not take place until September 1, 2026. The attached schedules of long-term debt do not include any amounts for the bonds that will be called from escrow. The District remains contingently liable for $6,640,000 until those bonds are actually called.

Schedule of Changes in Long-Term Debt

Issue	Interest Rates	Date of Issue	Amount of Issue	Date of Final Maturity	Balances Beginning of Year	Additions / New Debt	Reductions / Principal Paid	Balances End of Year	Interest Paid

TOTAL EXPENDITURES OF FEDERAL AWARDS			$ 1,362,382

Notes:

1. The Schedule of Expenditures of Federal Awards has been prepared using the regulatory basis of accounting as established in the Kansas Municipal Audit and Accounting Guide. Under the regulatory basis of accounting, revenues are recognized when cash is received. Expenditures include cash disbursments, accounts payable, and encumbrances. Encumbrances are commitments of the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract.

2. The District did not elect to use the 10% de minimis indirect cost rate.

UNIFIED SCHOOL DISTRICT #248
GIRARD, KANSAS

Summary Schedule of Prior Audit Findings
For the Fiscal Year Ended June 30, 2025

Finding 2024-001 Drafting Financial Statements

Condition: The District's auditors, provide significant assistance with preparing their financial statement in the regulatory basis format as well as determining which disclosures are required.

Recommendation: None

Current Status: The District continues to rely on their auditors to assist in preparing the financial statement and disclosures. The District periodically reviews the situation. The District continues to believe this is the most cost-effective way to produce their financial statement. This remains a current year audit finding.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Education
Unified School District #248
Girard, Kansas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the regulatory basis financial statement of Unified School District #248 as of and for the year ended June 30, 2025, and the related notes to the regulatory basis financial statement and have issued our report thereon dated January 3, 2026.

Internal Control Over Financial Reporting
In planning and performing our audit of the regulatory basis financial statement, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control described in the accompanying schedule of findings and questioned costs as item 2025-001 that we consider to be significant deficiencies.

Report on Compliance and Other Matters
As part of obtaining reasonable assurance about whether the District's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of regulatory basis financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to Management of the District in a separate letter dated January 3, 2026.

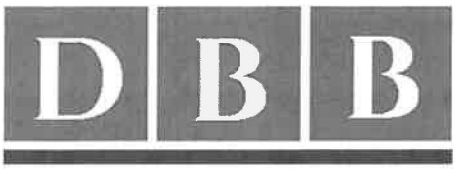

District's Response to Findings
The District's response to the findings identified in our audit is described in the Corrective Action Plan. We did not audit the District's response and accordingly, we express no opinion on it.

Purpose of this Report
The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Education
Unified School District #248
Girard, Kansas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Unified School District #248's (District) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2025. Unified District #248's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the District's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the District's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the District's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards,

Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the District's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the District's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs
For the Fiscal Year Ended June 30, 2025

SECTION I - SUMMARY OF AUDITORS' RESULTS

FINANCIAL STATEMENTS:

Type of auditors' report issued:

- Adverse for departures from accounting principles generally accepted in the United States of America due to preparation of financial statements in accordance with the regulatory basis of accounting.
- Unqualified opinion on the regulatory basis financial statements.

Internal control over financial reporting:

- Material weakness(es) identified? _ *YES* _X_ *NO*
- Significant deficiency(ies) identified that are not considered to be material weaknesses? NONE _X_ *YES* _ *REPORTED*

Noncompliance material to financial statements noted? _ *YES* _X_ *NO*

FEDERAL AWARDS:

Internal control over major programs:

- Material weakness(es) identified? _ *YES* _X_ *NO*
- Significant deficiency(ies) identified that are not considered to be material weaknesses? NONE _ *YES* _X_ *REPORTED*

Type of auditors' report issued on compliance for major programs: UNQUALIFIED

Any audit findings disclosed that are required to be reported in accordance with Section 510(a) of the Uniform Guidance _ *YES* _X_ *NO*

IDENTIFICATION OF MAJOR PROGRAMS:

CFDA #	NAME OF PROGRAM
10.553, 10.555 10.556, & 10.559	Child Nutrition Cluster
84.425	Elementary and Secondary School Emergency Relief

Auditee qualified as low-risk auditee? _ *YES* _X_ *NO*

The dollar threshold used to distinguish between Type A and Type B Programs was $750,000.

SECTION II - FINANCIAL STATEMENT FINDINGS

Significant Deficiency
2025-001 Drafting Financial Statements

Condition: As auditors, we provide significant assistance with preparing the regulatory basis financial statement, as well as determining which disclosures are required under generally accepted accounting standards and the regulatory basis of accounting. This is a repeat finding from June 30, 2024 and was identified in that report as 2024-001.

Criteria: Internal controls should be in place that provide a reasonable assurance that the financial statement is appropriate in form and contains the required disclosures.

Cause: Relying upon the independent auditors for an area that should have internal controls in place.

Effect: The District relies on independent auditors to determine whether the financial statement is in the correct form and includes the proper disclosures.

Recommendation: None

Response: The District agrees with the finding. The District's response is in the attached Corrective Action Plan.

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

None reported.

UNIFIED SCHOOL DISTRICT #248

June 30, 2025 Financial Statements

Corrective Action Plan

Audit Finding 2025-001

USD #248 has always relied upon its auditors to provide significant assistance with preparing the regulatory basis financial statement and with determining which disclosures were required under the regulatory basis of accounting. While the USD #248 understands that this is a significant deficiency in our internal controls, we believe it is the most cost-effective manner for us to produce our financial statement. Our accounting staff concentrate on providing the reports needed for management and regulatory purposes. We believe it would be inefficient and cost prohibitive for our staff to attempt to stay current on all the disclosure requirements of the regulatory basis of accounting. We do not plan on making any changes at this time. However, we will monitor this situation and periodically determine if it is cost effective for us to perform these functions.
