1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Geary County Extension Council (Council) is a municipal entity governed by an elected nine-member executive board. The Council provides services in such areas as agriculture, home economics, and 4-H Clubs, to all persons in the County. Geary County, Kansas annually provides significant subsidies to the Council. Kansas State University provides the Council non-cash receipts and disbursements related to salaries for operations of the Council. The non-cash receipts and disbursements are reflected as cash in and cash out for regulatory basis reporting purposes.

Fund Accounting

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific regulations, restrictions, or limitations.

The following fund was utilized in recording the financial activities of the Council for 2021:

Governmental Fund

General Fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Regulatory Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The Council has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

Budgetary Information

Kansas Statute (K.S.A. 2-610) requires that the Extension Council file with the County Commissioners in the office of the County Clerk a proposed budget prepared in cooperation with the Director of Extension of Kansas State University College of Agriculture and Applied Science for the ensuing calendar year. The Council, after approval of the budget, shall make it a part of the regular county budget.

**GEARY COUNTY EXTENSION COUNCIL
GEARY COUNTY, KANAS**

NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Salaries

Pursuant to the Memorandum of Understanding between Kansas State University College of Agriculture and Applied Science and the Geary County Extension Council, the University pays for a portion of extension agent's salaries, payroll taxes and benefits and bills the remainder to the Council on a monthly basis. The extension agents are considered employees of the University for all payroll reporting purposes.

The Council prepares monthly financial statements and submits them to the University for their review. The monthly statements report the total extension agent salaries as an expenditure and includes the portion paid by the University as a receipt titled KSU salaries. The value of the non-cash KSU salaries for 2021 is \$46,625.

Date of Management's Review

The Council evaluated subsequent events through January 20, 2023, the date on which the financial statement was available to be issued.

2. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the Council. The statute requires banks eligible to hold the Council's funds have a main or branch bank in the county in which the Council is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Council has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Council's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Council has no investment policy that would further limit its investment choices. The Council had no investments in 2021.

Concentration of credit risk. State statutes place no limit on the amount the Council may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Council's deposits may not be returned to it. State statutes require the Council's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The Council has no designated "peak periods." All deposits were legally secured at December 31, 2021.

At December 31, 2021, the Council's carrying amount of deposits was \$93,755 and the bank balance was \$137,679. The bank balance was held by one bank resulting in a concentration of credit risk. The entire bank balance was covered by federal depository insurance.

**NOTES TO FINANCIAL STATEMENT

3. DEFINED BENEFIT PENSION PLAN

Plan description. The Council participates in the Kansas Public Employees Retirement System (KPERS) a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2, or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2, and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 7.87% for the fiscal year ended December 31, 2021. Contributions to the pension plan from the Council were \$6,019 for the year ended December 31, 2021.

Net Pension Liability. At December 31, 2021, the Council's proportionate share of the collective net pension liability reported by KPERS was \$42,862. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The Council's proportion of the net pension liability was based on the ratio of the Council's contributions to KPERS, relative to the total employer and non-employer contributions to the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported on the financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

4. RELATED PARTY TRANSACTIONS

The Council was apportioned \$327,904 by Geary County, Kansas for the year ended December 31, 2021. The County also provides the Council with rent-free use of the building for its operations.

**GEARY COUNTY EXTENSION COUNCIL
GEARY COUNTY, KANAS**

**NOTES TO FINANCIAL STATEMENT

5. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Compensated Absences

The Council's policy regarding vacation leave allows employees to accumulate vacation time based on the years of continuous service as follows:

<u>Years of Continuous Service</u>	<u>Vacation Days Accrued</u>	<u>Maximum Accrual</u>
0 to 3	1 day / mo.	12
4 to 8	1.25 days / mo.	15
Over 8	1.50 day / mo.	18

Vacation leave is earned by month. Upon termination of employment, an employee is entitled to pay for unused accrued vacation time.

The Council's policy regarding sick leave allows employees to earn leave at the rate of one day per month with a maximum accumulation of 60 days. Upon retirement, an employee is entitled to 1/3 of sick leave earned (maximum of 20 days). Upon resignation, an employee will forfeit all annual sick leave with no compensation given for leave time earned.

The Council has estimated the dollar amount of accumulated vacation for all employees at December 31, 2021 of \$4,313.

Other Post Employment Benefits

As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

6. RISK MANAGEMENT

The Council is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. To insure against risk of these types of losses, the Council has purchased commercial insurance coverage from the EMC Insurance and Cardinal Insurance Companies. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

7. 2020 FINANCIAL DATA

The amounts shown for 2020 in the regulatory-required supplementary information are included where practicable, only to provide a basis for comparison to 2021, and are not intended to present all information necessary for a fair presentation in accordance with the regulatory basis of accounting.
