Kathy,
Could you add one of the KSA's below to the Drainage District #4 budget? I will hand write it in for this year if you can tell me which one you would like me to add. I know the KSA needs to be put on there before the state starts getting picky on that too.

24-495. ***Expenditure from general fund.*** *This act shall apply only to drainage districts organized under and by virtue of the provisions of chapter 215 of the Session Laws of 1905, and acts amendatory thereof or supplemental thereto.*

24-497. ***Same; limitations.*** *This act shall not be construed as authorizing any board of directors of any drainage district to expend from its general fund in any calendar year more money than is procured by taxation for its general fund for said year, nor as authorizing any board of directors of any drainage district to make any levy for taxation for raising money for its general fund in excess of the present limit of levy for such purpose.*
