Summary of Significant Forecast Assumptions and Accounting Policies -

1. The accompanying forecast presents, to the best of management's knowledge and belief, the Township's actual results of operations for the year ended December 31, 2022 and the projected amounts for the years ending December 31, 2023 and 2024. Accordingly, the forecast reflects management's judgment as of June 21, 2023, the date of this forecast, of the expected conditions and its expected course of action. The assumptions disclosed herein are those that management believes are significant to the forecast. There will usually be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected, and these differences may be material.
2. This forecast is prepared on the prescribed budget form as established by the State of Kansas and utilizes the cash basis of accounting rather than the accrual basis of accounting required by generally accepted accounting principles.
3. Management has elected to omit substantially all disclosures normally included with historical and prospective financial statements.
4. 2023 actual receipts and expenditures are generally reported as equal to the 2023 budgeted amounts except as adjusted where necessary to a budget or cash basis violation for 2023.
5. 2024 receipts for tax revenues other than Ad Valorem taxes are based on estimates provided by the Greenwood County Treasurer.
6. Remaining 2024 receipts and expenditures are generally reported at amounts equal to their 2023 budgeted amounts except as needed to be adjusted to maintain a mill levy below the Revenue Neutral Rate.
