INDEPENDENT AUDITORS' REPORT

The Honorable Mayor and City Council City of Cedar Vale, Kansas P.O. Box 119 Cedar Vale, KS 67324

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Cedar Vale, Kansas, as of and for the year ended December 31, 2018 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the Kansas Municipal Audit and Accounting Guide. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1B of the financial statement, the financial statement is prepared by the City of Cedar Vale, Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1B and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Cedar Vale, Kansas as of December 31, 2018, or changes in financial position or cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Cedar Vale, Kansas as of December 31, 2018, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1B.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures - actual and budget. individual fund schedules of regulatory basis receipts and expenditures - actual and budget, summary of receipts and disbursements - trust fund, schedule of regulatory basis receipts and expenditures - related municipal entity, and schedule of regulatory basis receipts and expenditures - agency fund (Schedules 1, 2, 3, 4, and 5 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1B.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, basic financial statement of the City of Cedar Vale, Kansas as of and for the year ended December 31, 2017 (not presented herein), and have issued our report thereon dated August 17, 2018 which contained an unmodified opinion on the basic financial statement. The 2017 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link http://admin.ks.gov/offices/chief-financialofficer/municipal- services. The 2017 Actual column (2017 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures - actual and budget for the year ended December 31, 2018 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2017 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2017 basic financial statement. The 2017 comparative information was subjected to the auditing procedures applied in the audit of the 2017 basic financial statement and certain additional procedures. including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2017 basic financial statement or to the 2017 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2017 comparative information is fairly stated in all material respects in relation to the 2017 basic financial statement as a whole for the year ended December 31, 2017, on the basis of accounting described in Note 1.

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1A. FINANCIAL REPORTING ENTITY

The City of Cedar Vale is a municipal corporation governed by an elected six-member Council. This financial statement presents the City of Cedar Vale (the municipality) and its related municipal entity. The related municipal entity is included in the city's reporting entity because it was established to benefit the city and/or its constituents.

 The Cedar Vale Memorial Library operates the City's public library, and is governed by an appointed board. Acquisition or disposition of real property by the board must be approved by the city. Bond issuances must also be approved by the city. The Library is also fiscally dependent on the City for the majority of its revenue.

1B. BASIS OF PRESENTATION AND BASIS OF ACCOUNTING

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United State of America. The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the City to use the regulatory basis of accounting.

1C. REIMBURSEMENTS

The City of Cedar Vale, Kansas records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis accounting.

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 2 – REGULATORY BASIS FUND TYPES

<u>General Fund</u> – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

<u>Special Purpose Fund</u> – used to account for the proceeds of specific tax levies and other specific regulatory receipt sources (other than Capital Project and tax levies for long term debt) that are intended for specific purposes.

<u>Bond and Interest Fund</u> – used to account for the accumulation of resources including tax levies, transfers from other funds and payment of general long-term debt.

<u>Business Fund</u> – funds financed in whole or in part by fees charged to users of the goods or services.

<u>Trust Fund</u> – fund used to report assets held in trust for the benefit of the municipal financial reporting entity.

<u>Agency Fund</u> – funds used to report assets held by the municipal reporting entity in a purely custodial capacity.

NOTE 3 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

3A. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest fund, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- 1. Preparation of the budget for the succeeding calendar year on or before August 1st.
- 2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- 3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
- 4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in regulatory receipts other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 3 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY (cont'd.)

3A. BUDGETARY INFORMATION (cont'd.)

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which regulatory receipts are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for the trust fund, agency fund, and the following special purpose funds: Police Drug Forfeiture, Pool Fund Raising, Tito, Pavilion Donation, FEMA, Waterworks Maintenance Reserve, and Waterworks Bond Reserve.

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

3B. COMPLIANCE WITH FINANCE-RELATED LEGAL AND CONTRACTUAL MATTERS

Management is not aware of any violations of compliance with Kansas Statutes or violations of other finance related legal matters.

NOTE 4 - DEPOSITS AND INVESTMENTS

At December 31, 2018, the City had no investments.

K.S.A. 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main or branch bank in the county in which the City is located or in an adjoining county if such institution has been

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 4 - DEPOSITS AND INVESTMENTS (cont'd)

designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City had no investments.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at December 31, 2018.

At December 31, 2018, the carrying amount of the City's deposits, including certificates of deposit, was \$452,272.03. The bank balance was \$465,164.03. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. Of the bank balance \$250,000.00 was covered by FDIC insurance, creating a custodial credit risk, and \$215,164.03 was collateralized by pledged securities held by the pledging financial institution's agents in the City's name.

At year-end the carrying amount of the Cedar Vale Memorial Library's deposits was \$12,689.56. The bank balance was \$13,222.13. The difference between the carrying amount and the bank balance is outstanding checks and deposits in transit. All of the bank balance was covered by FDIC insurance.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

NOTE 5 – LONG-TERM DEBT

SEE SCHEDULE ON PAGES 13-14.

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 6 – OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Other Post Employment Benefits. Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

Compensated Absences. City employees with one year or more of service are eligible for vacation benefits varying from five (5) days to fifteen (15) days.

Full time City employees accumulate sick leave at the rate of eight hours per month of service. Part-time employees working at least 20 hours per week accumulate four hours of sick leave for each month of employment. Sick leave may be accumulated up to 720 hours.

The liability for accrued vacation and sick pay is not reflected on the financial statements. Neither the actual or estimated amount of the liability was available at December 31, 2018. The cost of vacation and sick pay are recognized as expenditures when paid in accordance with the regulatory basis of accounting.

NOTE 7 - DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publically available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 6 - DEFINED BENEFIT PENSION PLAN (cont'd)

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.39% for the fiscal year ended December 31, 2018. Contributions to the pension plan from the City of Cedar Vale were \$14,320.51 for the year ended December 31, 2018.

Net Pension Liability

At December 31, 2018, the City's proportionate share of the collective net pension liability reported by KPERS was \$115,810.00. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2017, which was rolled forward to June 30, 2018. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at www.kpers.org or can be obtained as described above.

NOTE 8 - INTERFUND TRANSFERS

Operating transfers were as follows:

From Fund	To Fund	Statutory Authority	<u>Amount</u>
Waterworks System	Municipal Equipment	K.S.A. 12-1,117	6,000.00
Sewer	Municipal Equipment	K.S.A. 12-1,117	1,500.00
Employee Benefits	General	K.S.A. 79-2958	21,510.00

NOTES TO THE FINANCIAL STATEMENT

December 31, 2018

NOTE 9 - RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City continues to carry commercial insurance for all other risks of loss. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 10 – USE OF ESTIMATES

The preparation of regulatory basis financial statements requires management to make estimates and assumptions that affect the reported amounts of expenditures during the audit period, encumbrances outstanding, and disclosure of contingencies at the end of the audit period. Actual results could differ from the estimates.

NOTE 11 - SIGNIFICANT DEFICIENCY

Due to auditing standards, we are required at a minimum to report a significant deficiency on the operations of an entity that has a limited number of staff to perform segregate duties, and properly review procedures as required in an ideal internal control structure. In order to have ideal segregation of duties, the custody of assets, the authorization of transactions involving those assets, and the recording of those transactions should all be performed by separate individuals. In a smaller entity setting, it is very difficult to maintain ideal segregation of duties. We considered this lack of segregation of duties to be a significant deficiency under standards established by the American Institute of Certified Public Accountants.

NOTE 12 - DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through the date of financial statement issuance August 5, 2019.

City Of Cedar Vale Notes to the Financial Statements 12/13/18

NOTE 4 - LONG TERM DEBT

Changes in long-term liabilities for the City for the year ended December 31, 2018, were as follows:

<u>lssue</u>	Interest Rates	Date of Issue	Amount <u>Issue</u>	Date of Final <u>Maturity</u>	Balance Beginning of Year	Additions	Reductions/ Payments	Net <u>Change</u>	Balance End of <u>Year</u>		Conf. w/p
