**INDEPENDENT AUDITORS' REPORT**

Honorable Mayor and City Commissioners  
City of Chanute, Kansas

**Report on the Financial Statements**

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Chanute, Kansas, a municipality, as of and for the year ended December 31, 2012, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1 to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the City of Chanute, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Chanute, Kansas as of December 31, 2012, or changes in financial position and cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Chanute, Kansas as of December 31, 2012, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Report on Regulatory Required Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of expenditures – actual and budget – regulatory basis, the individual fund schedules of regulatory basis receipts and expenditures-actual and budget, and the schedule of receipts and disbursements – agency funds (Schedules 1, 2, and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is also not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated April 30, 2013, on our consideration of the City of Chanute, Kansas’ internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Chanute, Kansas’ internal control over financial reporting and compliance.

## CITY OF CHANUTE, KANSAS

Notes to Financial Statement  
For the Year Ended December 31, 2012

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Chanute, Kansas (the City) is incorporated as a city of the second class under the provisions of the Kansas Constitution, Article 12, Section 5 and K.S.A. 14-101 *et seq.* The City operates under a Commission-City Manager form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, water, electric, trash and sewer, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services.

The financial statement and schedules of the City of Chanute, Kansas have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principle standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow. Note 1 describes how the City's accounting policies differ from accounting principles generally accepted in the United States of America.

#### Reporting Entity

The City of Chanute is a municipal corporation governed by an elected five-member commission. This financial statement presents the City of Chanute.

*Related Municipal Entities:* A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

Chanute Public Library – The City of Chanute Library Board operates the City's public library. Acquisition or disposition of real property or bond issuances must be approved by the City. Separate audited financial statements are prepared and are available at the Chanute Public Library.

The Housing Authority – The Housing Authority of the City of Chanute, Kansas operates the City's housing projects. The Housing Authority can sue and be sued, and can buy, sell, or lease real property. Bond ordinances must be approved by the City. Separate audited financial statements are prepared and are available at the Housing Authority of the City of Chanute, Kansas.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Regulatory Basis Fund Types

The accounts of the City are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its cash, liabilities, fund equity, revenues and expenditures. The various funds are grouped by type in the financial statements. The types of funds maintained by the City are as follows:

General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Business fund – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.)

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

Basis of Accounting

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America* The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

### Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of taxes levied on or before December 20 during the year levied with the balance to be paid on or before May 10 of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31, such taxes are a lien on the property.

### Special Assessments

Kansas statutes require projects financed in part by special assessments to be financed through the issuance of general obligation bonds which are secured by the full faith and credit of the City. Special assessments paid prior to the issuance of general obligation bonds are recorded as revenue in the appropriate project. Special assessments received after the issuance of general obligation bonds are recorded as revenue in the bond and interest fund. Further, state statutes require levying additional general ad valorem property taxes in the City bond and interest fund to finance delinquent special assessments receivable.

### Pension Plan

Substantially all full-time City employees are members of the State of Kansas Public Employees Retirement System or the State of Kansas Police and Fire Retirement System, both of which are multi-employer, state-wide pension plans. The City's policy is to fund all pension costs accrued; such costs to be funded are actuarially determined annually by the State of Kansas.

### Reimbursed Expenses

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as revenues. In the financial statement and budget comparison schedules presented in this report, reimbursements and refunds are recorded as revenues. The reimbursements are recorded as cash receipts when received by the City Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

## **2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY**

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), principal and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. During the year ended December 31, 2012, the City amended the Industrial Fund, Special Liability Expense Fund, Special Alcohol Programs Fund, Emergency Telephone Fund, Special Highway Improvement Fund, General Obligation Bond and Interest Fund, Water Utility Fund, and Sewer Utility Fund.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, fiduciary funds, and the following special purpose fund:

Efficiency Kansas Grant Fund  
Grant Projects Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

**2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY** (Continued)

Compliance with Bond Ordinances

The City is required, under ordinances on general obligation utility bond issues and on revenue bond issues, to maintain in its Enterprise Funds certain restricted accounts. The ordinances provide that the following reserve accounts be set up in amounts as described below:

Electric, Water, and Gas Bond Reserves

The City has outstanding general obligation utility bonds and revenue bonds segregated and defined as follows:

General Obligation Utility Bonds:

Series 2006-A	Subordinate Lien Bonds
Series 2009-B	Subordinate Lien Bonds
Series 2010-A	Subordinate Lien Bonds
Series 2010-B	Subordinate Lien Bonds

Revenue Bonds:

Series 2006-B	Senior Lien Bonds (Parity Bonds)
Series 2007-A	Senior Lien Bonds (Parity Bonds)

The debt service reserve requirements only apply to Parity Bonds, and must be maintained in an amount equal to the least of the following:

- (a) 10% of the stated principal amount of all Parity Bonds at issued date;
- (b) the Maximum Annual Debt Service Requirements for all Parity Bonds, which is the principal and interest due for the then current year or any future fiscal year;
- (c) 125% of the average annual Debt Service Requirements for all Parity Bonds over the term of the Parity Bonds.

The least of (a), (b), or (c) above is (c), calculated as follows:

Average Annual Payment	\$ 657,661.56
	<u>X 125%</u>
Debt Service Bond Reserves Required	<u>\$ 822,076.95</u>
Actual Debt Service Bond Reserves	<u>\$ 912,589.73</u>

**2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY** (Continued)

Electric, Water, and Gas Bond Reserves (Continued)

<u>Debt Service Reserves</u>	<u>REQUIRED RESERVES</u>	<u>ACTUAL</u>
General Obligation Bonds:		
Electric Light, Water, and Gas Systems \$2,300,000 general obligation bond issue, Series 2006-A, requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	\$ 17,250.00	
Refunding and Improvement \$5,765,000 general obligation bond issue, Series 2009-A, requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	65,418.33

Build America Bonds \$3,575,000 general obligation bond issue, Series 2009-C, requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	<u>147,208.33</u>	
Total General Obligation Bonds	<u>300,481.67</u>	\$ <u>782,034.19</u>
Revenue Bonds:		
Electric Light, Water, and Gas Systems revenue bonds, Series 2006-B require transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	46,221.25	
Electric Light, Water, and Gas Systems revenue bonds, Series 2007-A require transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	<u>19,990.00</u>	
Total Revenue Bonds	<u>66,211.25</u>	\$ <u>382,722.86</u>
Total Electric, Water, and Gas Debt Service Reserves	<u>\$ 366,692.92</u>	<u>\$ 1,164,757.05</u>

**2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY** (Continued)

The City agrees to fix, establish, maintain and collect such rates, fees or charges for service furnished by or through the Electric System, Gas System, and Water System which will be sufficient to enable the City to produce, in each fiscal year, Net Revenues in an amount that will be not less than 125% of the 2013 Annual Debt Service (as defined in the Indenture) of all electric, gas and water system Senior Lien Bonds (Series 2006-B and 2007-A) of the City at the time outstanding, and 100% of the 2013 Annual Debt Service for all Subordinate Lien Bonds (Series 2006-A, 2009-B, 2010-A, and 2010-B). Net revenues are defined as gross operating revenues of the systems less operation and maintenance expenses, excluding items such as capital purchases, principal and interest payments, transfers, and administrative expenses not related to the operation of the system. Compliance is calculated as follows:

	<u>Electric Utility</u>	<u>Water Utility</u>	<u>Gas Utility</u>	<u>Total</u>
Receipts Over (Under)				
Expenditures	\$ (975,894.95)	\$ 145,740.09	\$ (90,758.25)	\$ (920,913.11)
Subtract:				
Bond Proceeds	--	(1,580,578.59)	--	(1,580,578.59)
Add:				
Administrative Expenses:				
Administration and General	1,110,920.12	149,180.12	192,357.75	1,452,457.99
Debt Service	--	1,742,330.91	--	1,742,330.91
Transfers Out	5,006,899.67	77,994.13	641,293.65	5,726,187.45
Capital Outlays	<u>118,391.79</u>	<u>--</u>	<u>--</u>	<u>118,391.79</u>
Net Revenues as defined in the Indenture	<u>\$ 5,260,316.63</u>	<u>\$ 534,666.66</u>	<u>\$ 742,893.15</u>	<u>\$ 6,537,876.44</u>
Required Net Revenue as Defined in the Indenture				<u>\$ 3,423,824.38</u>

Compliance with Kansas Statutes

Statement 1 and Schedule 1 have been prepared in order to show compliance with the cash basis and budget laws of Kansas. As shown in Statement 1, the City was in apparent violation of K.S.A. 10-1,113. The City has obligated expenditures in excess of available monies in the Grant Projects Fund, however, K.S.A 10-1,116 provides that under certain situations, the fund can end the year with a negative unencumbered cash balance and therefore, exempt from the cash basis laws of Kansas. The Grant Projects Fund met the criteria under the statutes and therefore, is not deemed to be in violation of the Kansas cash basis laws. As shown in Schedule 1, the City was in apparent compliance with Kansas budget laws.

**3. DEPOSITS AND INVESTMENTS**

As of year end, the City has the following investments.

<u>Investment Type</u>	<u>Cost</u>	<u>Rating</u>
UMB Trust – Fidelity Treasury	\$ 1.03	N/A

This investment is reflected at cost in these regulatory basis financial statements of the City of Chanute, Kansas.

### **3. DEPOSITS AND INVESTMENTS**

K.S.A 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main branch or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the bank provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

K.S.A 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices.

*Concentration of credit risk.* State statutes place no limit on the amount the Government may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

*Custodial credit risk – deposits.* Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2012.

*Deposits:* At year-end, the City's carrying amount of deposits was \$11,660,327.82 and the bank balance was \$11,619,432.67. The bank balance was held by four banks resulting in a concentration of credit risk. Of the bank balance, \$1,149,276.43 was covered by FDIC insurance, \$10,470,156.24 was collateralized with pledged securities held by the pledging financial institutions' agents in the City's name.

**4. LONG-TERM DEBT COMMITMENTS**

Changes in long-term debt commitments for the City for the year ended December 31, 2012, were as follows:

Issue	Interest Rates	Date of Issue	Original Amount of Issue	Date of Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
<b>General Obligation Bonds</b>									
<b>Paid by Tax Levies:</b>									
Series 2005-A	3.30-5.00%	November 1, 2005	3,700,000.00	November 1, 2025	\$ 2,850,000.00	\$ -	\$ (2,850,000.00)	\$ -	\$ 207,748.90

**5. INDUSTRIAL REVENUE BONDS**

The City has entered into various agreements to induce businesses to locate or expand operations in Chanute, Kansas. In connection therewith, the City has issued industrial revenue bonds (IRB's) which require the businesses to make lease payments to trust accounts sufficient to pay debt service on the IRB's. The City is under no obligation to pay the IRB debt, which is to be paid from the lease payments made by the related businesses. At December 31, 2012, there were nine industrial revenue bond issues with principal balances due totaling \$35,046,740.20.

**6. OPERATING LEASES**

As of December 31, 2012 the City has entered into two operating leases for copiers. Rent expense for the year ended December 31, 2012, was \$3,255.96. Under the current lease agreements, the future minimum rental payments are as follows:

2013	\$	939.96
------	----	--------

As of December 31, 2012 the City has entered an operating lease for a five acre tract of land for monitoring wells, renewable annually. Rent expense for the year ended December 31, 2012, was \$3,500.00.

**7. DEFINED BENEFIT PENSION PLAN**

Plan description. The (non-school municipality) participates in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are part of a cost-sharing, multiple-employer defined benefit pension plan as provided by Kansas law. KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report (only one is issued) that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

Funding Policy. K.S.A. 74-419 and K.S.A. 74-49,210 establishes the KPERS member-employee contribution rates. Effective July 1, 2009, KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 4% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7% of covered salary. The employer collects and remits member-employee contributions according to the provisions of Section 414(h) of the Internal Revenue Code. Kansas law provides that employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS and KP&F are funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates.

**8. UTILITY ACCOUNTS RECEIVABLE**

The City records electric, water, sewer, gas, and trash revenue as the customers are billed each month. The City maintains accounts receivable for each of the utility services. Listed below are amounts of the accounts receivable for the five utilities as of December 31, 2012:

Electric Utility	\$ 400,132.54
Water Utility	74,773.90
Sewer Utility	73,099.33
Gas Utility	199,654.24
Refuse Utility	<u>47,877.63</u>
TOTAL UTILITY ACCOUNTS RECEIVABLE	<u>\$ 795,537.64</u>

The City adjusts the utility revenue to the cash basis for presentation in these regulatory basis financial statements.

Total utility users as of December 31, 2012, were as follows:

Electric	5,677
Water	4,350
Sewer	4,093
Gas	4,257
Refuse	3,941

**9. NOTES RECEIVABLE AND LOANS RECEIVABLE**

The City has established an Economic Development Revolving Loan Fund. The Fund is the recipient of money paid back to the City by Chanute industries which received Community Development Block Grants in earlier years. As repayment is made by these industries, the City makes loans to other qualifying industries. The loans due to the City at December 31, 2012, through the Economic Development Revolving Loan Fund are as follows:

Magna Tech	\$ 172,248.58
Tioga Suite	66,445.51
Tioga Suite #2	82,313.30
McKinney Motors	1,531.55
Inertia Health	86,372.61
Hi-Lo Tables	166,946.96
Get Lit #1	15,556.46
Get Lit #2	13,562.80
Get Lit #3	23,363.58
Consignment	8,433.85
LaRue #1	87,585.97
LaRue #2	<u>22,540.67</u>
TOTAL NOTES RECEIVABLE	<u>\$ 746,901.84</u>

**9. NOTES RECEIVABLE AND LOANS RECEIVABLE (Continued)**

The City has made Industrial Development Loans through the Industrial Fund. The Fund was the recipient of various HUD Grants in earlier years. Loans made with these monies are repaid and the City makes additional development loans from these repayments. The Community Development loans due to the City at December 31, 2012, are as follows:

Sierra Midwest	\$ 52,848.11
----------------	--------------

The City has made Community Development Loans through the Community Development Fund. The Fund was the recipient of various HUD Grants in earlier years. Loans made with these monies are repaid and the City makes additional development loans from these repayments. The Community Development loans due to the City at December 31, 2012, are as follows:

Hi Lo Tables	\$ 230,264.27
--------------	---------------

These notes receivable and loans are not reflected in these regulatory basis financial statements of the City of Chanute, Kansas.

**10. ECONOMIC DEPENDENCY**

During 2012, the City collected 44.66% of its electric utility revenues and provided 56.26% of its kilowatt hours produced to Ash Grove Cement Company.

**11. OTHER POST EMPLOYMENT BENEFITS**

As provided by K.S.A. 12-5040, the local government allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the City is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

Under the consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the Federal government for this coverage. The Premium is paid in full by the insured. There is no cost to the City under this program.

*Early Retirement Incentive:* The City offered an early retirement incentive program to certain eligible employees. The early retirement incentive was a 2011 budget action in order to reduce general fund expenditures by approximately \$300,000. The incentive included union and non-union personnel for a limited period in late 2010 and early 2011. The incentive provides for health insurance to individuals until the age of 65 is obtained or a onetime KPERS service credit payment. Individuals are limited on the maximum amount used to reduce the health insurance costs. The amount is determined annually. At December 31, 2012 there are 13 employees that have elected to take the early retirement incentive and have an unused balance of \$120,331.89.

**12. RISK MANAGEMENT**

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

**12. RISK MANAGEMENT** (Continued)

The City has been unable to obtain workers' compensation insurance at a cost it considers to be economically justifiable. For this reason, the City has joined together with other cities in the State to participate in the Kansas Eastern Region Insurance Trust (KERIT). The City participates in the decision making of KERIT through trustee representation. KERIT files its annual audited financial statements with the Kansas Insurance Commissioner. The City pays annual premium to KERIT for its workers' compensation insurance coverage. The agreement to participate provides that KERIT will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KERIT management.

The City has established a Special Liability Fund. The purpose of this fund is to provide the cost for an investigation of, a defense to and the payment of any claim which the City is legally obligated to pay pursuant to the Kansas Tort Claims Act, to the extent that any such claim may be uninsured by the City. The Special Liability Fund is funded by charges to other funds.

The City has established a Health Insurance Fund. The purpose of this fund is to provide for an employee welfare benefit plan for health insurance. Contributions from eligible employees and the City are deposited in the name of the plan, subject to withdrawal for purposes of paying approved claims and expenses. The City has contracted with Blue Cross Blue Shield of Kansas to be the claims supervisor. The supervisor reviews all claims for allowability and issues monthly reports to the City. The City has a stop-gap policy which pays any aggregate claims over \$60,000.00.

**13. MUNICIPAL SOLID WASTE LANDFILL CLOSURE AND POST CLOSURE CARE**

The City operates a municipal solid waste landfill which is regulated by state and federal agencies, including the State of Kansas Department of Health and Environment and the United States Environmental Protection Agency. The City's permitted landfill area is presently 80 acres with 10 acres currently open. Regulations require the City to properly close each cell upon reaching maximum capacity and to monitor the landfill for 30 years after closure. The cost of closure and post-closure care will be paid when due from funds accumulated for the purpose in restricted cash accounts, from allocation of ad valorem tax collections, from the proceeds of debt, or a combination of these. The City has not accrued or funded a liability for these estimated costs of landfill closure and post-closure.

#### **14. COMPENSATED ABSENCES**

All full-time employees of the City with one year of employment are eligible for vacation benefits in varying annual amounts. Vacation must be used by each anniversary date. In the event of termination, unused accrued vacation time is paid.

Sick leave accrues to all full-time employees at the rate of one day per month and is unlimited. Employees who terminate by other than retirement or death will not be paid for accumulated sick leave. An employee shall be paid for accumulated sick leave up to 120 days upon termination by death or retirement.

The City accrues a liability for compensated absences which meet the following criteria:

1. The City's obligation relating to employees' rights to receive compensation for future absences is attributed to employee's services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated.

In accordance with the above criteria, the City has an unfunded liability for vacation benefits at December 31, 2012 of \$219,900.24, and has not estimated a liability for sick pay which has been earned, but not taken by City employees, inasmuch as the amount cannot be reasonably estimated.

#### **15. COMMITMENTS AND CONTINGENCIES**

The City has entered into multi year agreements with the various unions representing policemen, firemen, and electrical and public works employees, and other utility workers.

The City has entered into an agreement with Kansas City Power and Light to be able to receive 45 megawatts of scheduled load effective until December 31, 2016.

The City has entered into a ten year agreement with Municipal Energy Resource Corporation for the purchase of natural gas effective until December 31, 2023.

The City has entered into a five year agreement with the Kansas Power Pool for electric facilitation and transmission effective until December 31, 2014.

The City has entered into a eight year agreement with Southern Star Central Gas Pipeline, Inc. for natural gas transportation and storage effective until October 1, 2017.

The City has entered into a fifteen year agreement with Kansas Municipal Energy Agency for peek power purchasing and selling of electricity effective until December 31, 2018.

The City has entered into a ten year agreement with Cunningham Sandblasting & Painting Co., Inc. for the maintenance of the water tower located in the industrial park effective until August 21, 2021.

The City has entered into a three year contract with Civic Plus for the City's website. The City website was launched May 2012 with the contract effective until May 2015.

The City has entered into a three year contract with Tyler Technologies for the Utility Billing On-line component effective until April 2, 2015.

**16. INTERFUND TRANSFERS**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS***

Honorable Mayor and City Commissioners  
City of Chanute, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the City of Chanute, Kansas, as of and for the year ended December 31, 2012, and the related notes to the financial statement, which collectively comprise the City of Chanute, Kansas' basic financial statement, and have issued our report thereon dated April 30, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Chanute, Kansas' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City of Chanute, Kansas' internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Chanute, Kansas' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Chanute, Kansas' financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH EACH MAJOR PROGRAM AND  
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

Honorable Mayor and City Commissioners  
City of Chanute, Kansas

Report on Compliance for Each Major Federal Program

We have audited the City of Chanute, Kansas' compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of the City of Chanute, Kansas' major federal programs for the year ended December 31, 2012. The City of Chanute, Kansas' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the City of Chanute, Kansas' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Chanute, Kansas' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City of Chanute, Kansas' compliance.

Opinion on Each Major Federal Program

In our opinion, Example Entity complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2012.

Report on Internal Control Over Compliance

Management of the City of Chanute, Kansas is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Chanute, Kansas' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Chanute, Kansas' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
