INDEPENDENT AUDITORS' REPORT

Board of Education
Interlocal No. 608
Northeast Kansas Education Service Center
Ozawkie, Kansas

Report on the Financial Statement

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Interlocal No. 608, Northeast Kansas Education Service Center, Ozawkie, Kansas, a municipality, as of and for the year ended June 30, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Interlocal's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Interlocal's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by Interlocal No. 608, Northeast Kansas Education Service Center on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Interlocal No. 608, Northeast Kansas Education Service Center as of June 30, 2019, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the Interlocal No. 608, Northeast Kansas Education Service Center as of June 30, 2019, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Notes to the Financial Statement
For the Fiscal Year Ended June 30, 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statement and schedules of Interlocal No. 608, Northeast Kansas Education Service Center, Ozawkie, Kansas (the Interlocal), have been prepared in order to show compliance with the cash basis laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Interlocal's accounting policies follow. Note 1 describes how the Interlocal's accounting policies differ from accounting principles generally accepted in the United States of America.

Financial Reporting Entity

The Interlocal is an Interlocal agency organized pursuant to K.S.A. 72-8230 and is governed by an appointed eight-member board. The board consists of members of participating Unified School District's Boards. Those Districts are USD No.'s 338, 339, 340, 341, 342, 343, 377, and 449.

Related Municipal Entities: A related municipal entity is determined by the following criteria. Whether the Interlocal exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the Interlocal. Related municipal entities are not required to be included in the Interlocal's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG).

The Interlocal has determined that no outside agency meets the above criteria and, therefore, no outside agency has been included as a related municipal entity in this financial statement.

Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the, for the year ended June 30, 2019:

General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection account, etc.).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation – Regulatory Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

Reimbursed Expenses

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as revenues. In the financial statement and budget comparison schedules presented in this report, reimbursements and refunds are recorded as revenues. The reimbursements are recorded as cash receipts when received by the Interlocal Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

Pension Plan

Substantially all full-time Interlocal employees are members of the State of Kansas Public Employees Retirement System which is a multi-employer state-wide pension plan. The Interlocal's policy is the State of Kansas will fund all pension costs accrued; such costs to be funded are actuarially determined annually by the State.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Compliance with Kansas Statutes

All budgets are prepared for internal use only, therefore, expenditures exceeding budgeted amounts do not constitute a violation in accordance with Kansas statutes.

Statement 1 has been prepared in order to show compliance with the cash basis laws of Kansas. As shown in Statement 1, the Interlocal was in apparent violation of K.S.A. 10-1113. The Interlocal has obligated expenditures in excess of available monies in the ATBS Stickle Grant Fund, MTSS Fund, GSTAD Berens Grant Fund, TASN Coordination Team Grant Fund, and the SMHI State Professional Development Grant Year 2 Fund. However, K.S.A 10-1116 provides that under certain situations, the fund can end the year with a negative unencumbered cash balance and therefore, exempt from the cash basis laws of the State of Kansas. The funds all met the criteria under the statutes and therefore, are not deemed to be in violation of the Kansas cash basis laws.

3. DEPOSITS AND INVESTMENTS

K.S.A 9-1401 establishes the depositories which may be used by the Interlocal. The statute requires banks eligible to hold the Interlocal's funds have a main branch or branch bank in the county in which the Interlocal is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Interlocal has no other policies that would further limit interest rate risk.

K.S.A 12-1675 limits the Interlocal's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Interlocal has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the Interlocal may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Interlocal's deposits may not be returned to it. State statutes require the Interlocal's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at June 30, 2019.

At year-end, the Interlocal's carrying amount of deposits was \$5,488,920.97, and the bank balance was \$3,928,158.44. The bank balance was held by two banks resulting in a concentration of credit risk. Of the bank balance, \$250,061.29 was covered by FDIC insurance, \$3,678,097.15 was collateralized with securities held by the pledging financial institution's agents in the Interlocal's name.

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009 and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate of 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

7. DEFINED BENEFIT PENSION PLAN (Continued)

State law provides that the employer contribution rates for KPERS 1, KPERS 2 and KPERS 3 be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1.00% contribution rate for the Death and Disability Program) was 16.38% and 12.01%, respectively, for the fiscal year ended June 30, 2018. The actuarially determined employer contribution rate was 14.59% and 13.21% for the fiscal year ended June 30, 2019.

Per 2017 Senate Substitute for House Bill 2002, Section 51(a), state general fund employer contributions to KPERS were decreased by \$194,022,683 for the fiscal year ended June 30, 2019. Section 56(19) of the bill also stipulates that repayments of the reduced contributions are to be amortized over twenty years at a level dollar amount commencing in fiscal year 2020. The level dollar amount was computed to be \$19.4 million per year.

The State of Kansas is required to contribute the statutory required employer's share except for retired Interlocal employees. The Interlocal is responsible for the employer's portion of the cost for retired Interlocal employees. The Interlocal received and remitted amounts equal to the statutory contribution rate, which totaled \$1,721,606.07 for the year ended June 30, 2019.

Net Pension Liability

At June 30, 2019, the Interlocal's proportionate share of the collective net pension liability reported by KPERS was \$855,751. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2017, which was rolled forward to June 30, 2018. The Interlocal's proportion of the net pension liability was based on the ratio of the Interlocal's contributions to KPERS, relative to the total employer and non-employer contributions of the State/School subgroup within KPERS for the fiscal year ended June 30, 2018. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in these financial statements.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publically available on the website at www.kpers.org or can be obtained as described above.

8. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Death and Disability Other Post-Employment Benefits

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended June 30, 2019.

8. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

Compensated Absences

It is the policy of the Interlocal that certified employees working nine months out of the year will earn ten sick/discretionary days per year, five discretionary and five sick, of leave will be allocated for each full time certified/licensed teacher on the first day of their contract available for use anytime. These days will be prorated for certified/licensed teachers contracted after the start of said school year. Teachers whom work less than full time will have their leave days prorated in a ratio equivalent to the amount of their contract time. At the end of the school year, any unused leave will be accumulated to seventy sick days or placed in a sick leave bank to pay back days borrowed. Unused sick leave at termination is lost.

Office, support staff, and paraprofessional accumulate vacation days based on years of service and are pro-rated for staff working less than full time, based on the following schedule:

One Year of Service	5 Days
Second through Fourth Year of Service	10 Days
Fifth through Ninth Year of Service	15 Days
Tenth through Fourteenth Year of Service	20 Days
Fifteenth Year of Service and on	25 Days

Unused vacation time may be carried over to the next fiscal year, but must be used before September 1.

Office, support staff, and paraprofessional accumulate sick days at a rate of one day per month of contract. At the end of the school year any unused leave will be accumulated to seventy sick days or placed in a sick leave bank to pay back days borrowed. Unused sick leave at termination is lost.

The Interlocal accrues a liability for compensated absences which meet the following criteria:

- 1) The Interlocal's obligation relating to employees' rights to receive compensation for future absences is attributed to employee's services already rendered.
- 2) The obligation relates to rights that vest or accumulate.
- 3) Payment of the compensation is probable.
- 4) The amount can be reasonably estimated.

In accordance with the above criteria, the Interlocal has estimated a liability for vacation pay, which has been earned, but not taken by Interlocal employees of \$31,156.04. The Interlocal has not accrued a liability for sick leave earned, but not taken, by Interlocal employees, as the amounts cannot be reasonably estimated at this time.

Early Retirement

Certified staff of the Interlocal are able to retire from the Interlocal upon qualification under current KPERS formula guidelines and has completed ten or more years of service to the Interlocal and/or one of its participating districts. Early retirement fringe benefit amounts for a single health plan with continued coverage of the group health insurance plan for five years from the anniversary date of such actual retirement, until Medicare eligible or upon death.

None of the retirees who qualified for continued coverage under the group health insurance plan have opted to continue the coverage, therefore the future liability as of June 30, 2019 is \$0.00.

8. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

Health Insurance

As provided by K.S.A. 12-5040, the Interlocal allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the Interlocal is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. The American Recovery and Reinvestment Act of 2009 (ARRA) reduces the COBRA premium for the eligible employees in some cases. There is no cost to the government under the COBRA programs.

9. RISK MANAGEMENT

The Interlocal is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Interlocal manages these risks of loss through the purchase of various insurance policies.

The Interlocal has joined together with other school boards in the State to participate in Kansas Association of School Boards Workers Compensation Fund, Inc (FUND), a public entity risk pool currently operating as a common risk management and insurance program for participating members. The Interlocal pays annual premium to the FUND for its workers' compensation insurance coverage. The agreement to participate provides that FUND will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by the FUND management.

10. CONTINGENT LIABILITIES

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the Federal government and state grantors. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the Interlocal expects such amounts, if any, to be immaterial.

11. INTERFUND TRANSFERS

FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Board of Education
Interlocal No. 608, Northeast Kansas Education Service Center
Ozawkie, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of Interlocal No. 608, Northeast Kansas Education Service Center, Ozawkie, Kansas, as of and for the year ended June 30, 2019, and the related notes to the financial statement, which collectively comprise the Interlocal No. 608, Northeast Kansas Education Service Center's basic financial statement, and have issued our report thereon dated December 18, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Interlocal No. 608, Northeast Kansas Education Service Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Interlocal No. 608, Northeast Kansas Education Service Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Interlocal No. 608, Northeast Kansas Education Service Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Interlocal's financial statement will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Interlocal No. 608, Northeast Kansas Education Service Center's financial statement are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Interlocal's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Interlocal's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
