Good morning:

It is with regret that I must announce that after over 20 years in business Cartridge King of Kansas is closing effective January 12th 2018.

We will accept orders thru that date if paid with pay card or credit card from our customers for all products currently sold by CK. After that date we will accept orders via pay card or credit card for items currently in inventory.

We will notify our customers via email and on our website of our closure.

We will continue to expect that all outstanding balances owed to CK will be paid or collected via legal means available to CK.

I want to extend my thanks to you for your hard work and dedication to the state use program over the years.

Sincerely,

Doug Wisby
