The Kansas WISE Steering Committee wishes you all a wonderful holiday season!

The holidays can be warm and joyous as well as stressful and lonely. Between personal and professional demands, it's easy to overcommit this time of year. Be mindful of how you're feeling this holiday season, and make time for yourself to rest and recharge. Don't be afraid to say no or to ask for help.

Check out these resources for tips on how to reduce holiday stress:

If you concentrate on what you don’t have, you will never, ever have enough.”

Women in 2022

As 2022 comes to a close, it's exciting to look back at the accomplishments women made throughout the year. From politics and entertainment to aviation and athletics, women across the globe have a lot to celebrate.

Athletics - KC Current

After finishing the 2021 season with only 3 wins, the KC Current women's soccer club came back this season with 10 wins. Their much improved season qualified them for their first National Women's Soccer League (NWSL) Playoffs. They went on to play in the championship game against Portland. While Portland walked away with the win, the KC Current women had a phenomenal 2022 season. Read more about their season [here](#).

Aviation - Zara Rutherford

At 19 years old, Zara Rutherford set two records:

1. Youngest woman to fly around the world solo
2. First man to circumnavigate the globe in a microlight aircraft

In January, Preet Chandi became the first woman of color to explore the South Pole solo. A British-Indian Army officer, she completed her journey in 40 days - ahead of goal. To set herself up for success to traverse the 700 miles of the South Pole, she spent several years training and preparing. Her regimen included international climbing trips, polar training expeditions, and dragging tires around.

The Honorable Ketanji Brown Jackson was sworn in as the 116th Supreme Court justice in June. Her confirmation and swearing in marked a historic moment for the Supreme Court as Justice Jackson is the first Black woman to serve on the court. She has extensive experience serving as a federal trial court judge and a public defender. She replaced Justice Stephen Breyer whom she clerked for after law school.
