## OFFICE OF THE GOVERNOR

### EXECUTIVE DIRECTIVE NO. 01-316

Authorizing Certain Expenditures  
and  
Authorizing Certain Personnel Transactions

By virtue of the authority vested in the Governor as the head of the Executive Branch of the State of Kansas, the following transactions are hereby authorized:

Pursuant to the authority of the Kansas Bureau of Investigation to receive and expend federal funds, and pursuant to the authority granted the Governor by Section 176(a) of Chapter 144 of the *2001 Session Laws of Kansas*, approval is hereby given to the Kansas Bureau of Investigation for expenditure in FY 2002 of monies in the federal fund account entitled "Federal Grants Fund—Methamphetamine."

I have conferred with the Director of the Budget and members of my staff, and I have determined that the guidelines set forth in KSA 75-3711 and 75-3711c have been applied and that none of the foregoing actions exceeds the limitations contained therein.

The request of Bobbi Mariani, Director of Personnel Services, to provide a pay differential of \$.60 per hour for asbestos removal performed by employees in approved Maintenance and Trades job classifications, in accordance with the following provisions, is hereby approved effective November 11, 2001.

A Certified Asbestos Removal pay differential of \$.60 per hour is authorized to compensate employees in approved Maintenance and Trades classifications based on the following criteria:

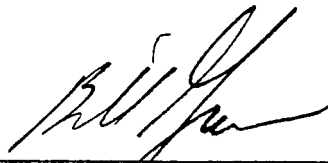

1. The pay differential is authorized only for employees in approved Maintenance and Trades job classifications who have attained a Kansas Class I Asbestos Worker Certification performing certified asbestos removal work and exposed to the hazards of asbestos removal.
2. The pay differential will be paid only for the hours of work while the employee in an approved Maintenance and Trades job classification is performing actual asbestos removal and abatement duties.

3. The pay differential is not authorized for employees in Certified Asbestos Worker I and II job classifications, where the certification skill is required for the position and the exposure to the hazards of asbestos removal is factored into the base pay.

I have conferred with the Secretary of Administration, the Director of the Budget, the Director of Personnel Services, and members of my staff, and I have determined that the requested action is appropriate.
