OFFICE OF THE GOVERNOR

KATHLEEN SEBELIUS, GOVERNOR

EXECUTIVE DIRECTIVE NO. 05-356

Authorizing Pay Differentials and Activation Payments for Employees of the State of Kansas Activated in the Reserve Components

By virtue of the authority vested in the Governor as the head of the Executive Branch of the State of Kansas, the following transactions are hereby authorized:

The request of Duane A. Goossen, Secretary of Administration, to implement in accordance with guidelines established by the Division of Personnel Services a pay differential for employees in the Executive Branch of the State of Kansas to make up for wages lost as a result of activation to military duty in excess of 30 days is hereby approved, effective January 16, 2005. Considered in the computation of this differential will be military basic pay as well as allowances such as housing, subsistence, rations, family separation, and any other pay and allowances received as a result of activation except for hazardous duty allowances. Affected employees are authorized to receive the differential for the duration of their federal service or until this directive is rescinded or modified.

The request of Duane A. Goossen, Secretary of Administration, to implement in accordance with guidelines established by the Division of Personnel Services a one-time activation payment of \$1,000 gross for employees in the Executive Branch of the State of Kansas who are on Military Leave as Activated Reserve Component Uniformed Military Personnel is hereby approved, effective immediately. This payment is to offset any financial burden that may occur because of mobilization. The one-time payments are to be made retroactive for each individual who is an employee of the Executive Branch on the effective date of this directive and who served as part of the Reserve Component Uniformed Military Personnel on or after September 11, 2001, for a period in excess of 30 days.

I have conferred with the Secretary of Administration, the Director of the Budget, the Director of Personnel Services, and members of my staff, and I have determined that the requested actions are appropriate.
