

**Department of Transportation
District One Headquarters Relocation**

The Department of Transportation is relocating their District One Headquarters from 21st and Van Buren to 21st Street and Rice Road.

The current headquarters includes the office and shop located at the northern end of the current campus. Attached at the southern end of the building is the District Shop. Also on the complex are various storage buildings and the research and materials labs.

Existing site bordered on the north by 21st Street, on the east by S. Kansas Avenue, on the south by SW 24th, and the west by SW Van Buren.

The complex is moving to 21st and Rice Road, where the Department of Transportation owns land and is purchasing adjacent property to provide acceptable amount of property to build the new District One complex. KDOT is currently surveying the property which is currently has dense growth of trees and shrubs.

The district office is currently expected to be located on the east end of the property with the district shop directly west of the office. Access to the highway is much improved over the existing site.
