RE: Change in PNC Designee

Dear Secretary Proffitt:

On behalf of the Kansas Department of Health and Environment, the Office of Procurement and Contracts is requesting a change in PNC members as Amanda Acuna is no longer with the Department of Administration. The purpose of the committee is to establish contracts with qualified vendors to provide Capitated Managed Care Services for Medicaid and CHIP members.

Secretary Janet Stanek has been appointed the Secretary of Administration's designee; Secretary Laura Howard has been appointed to serve as the designee for the Kansas Department of Health and Environment and Amanda Acuna will be replaced with Bonnie Edwards as the Director of Procurement and Contracts designee.

Thank you for your assistance with this important procurement effort. Should there be any questions, please contact Bonnie Edwards at 785-296-3125.

Thank you,
