Re: Confirmation of Requested Stay in Bid Protest —  
Request for Proposals No. EVT0005464 KanCare  
2.0 Medicaid & CHIP Capitated Managed Care

Dear Mr. Diel:

As you know, on July 19, 2018, AmeriHealth Caritas Kansas, Inc. (“AmeriHealth Caritas”) filed its bid protest action concerning the June 19, 2018 awards of three Medicaid and Children’s Health Insurance Program (“CHIP”) capitated managed care contracts for the Kansas Department of Health and Environment (“KDHE”). The challenged awards were made under the Kansas Medicaid and CHIP program, also known as “KanCare,” pursuant to State of Kansas Request for Proposals No. EVT0005464 KanCare 2.0 Medicaid & CHIP Capitated Managed Care. AmeriHealth Caritas is aware that two other bid protests have been filed by AmeriGroup Kansas, Inc. (June 29, 2018) and WellCare of Kansas, Inc. (July 17, 2018).

In its bid protest, AmeriHealth Caritas requested that the Kansas Department of Administration (“KDA”) stay performance of the awarded contracts, and not enter into any other contracts based on the KanCare program, until its protest has been resolved. AmeriHealth Caritas now writes to respectfully request that the KDA confirm that it has stayed performance of (and any other actions related to or in connection with) the contracts awarded pursuant to the KanCare 2.0 RFP. **Please provide the requested confirmation in writing by 5:00 p.m., Thursday, July 26, 2018.**
