- Our new 3-ply mask meets the AFNOR SPEC S76-001, UNS 1 standard. It is comprised of a hydrophobic filter membrane plus 2 plies of our soft, Airlume fabric. We designed this high-performance fabric face cover with comfort in mind. For ultimate ease of wear, the looped fabric ear straps are made of 1/4" single-fold stretchy binding. To learn more about AFNOR click here.
- As a single-use mask, the FT044 passes liquid barrier testing (ASTM F1862 Level III) and has met surgical mask flammability requirements. It has also passed the ASTM Bacterial Filtration Efficiency F2101-19 test. This mask is also washable for up to 5 washes. However, after a wash cycle, the mask will no longer meet the liquid barrier performance standards but it will maintain its other attributes.
