PAY DATES Thru 2039

Projected Pay Dates

NOTE: As State of Kansas employee holidays are authorized on an annual basis by the Governor, the projected pay dates below do not account for all potential pay date changes that may be required due to holiday schedules but have been adjusted in places for known holidays, such as New Year's Day which may impact the number of pay dates in a year. In the event a pay date falls on a declared/observed holiday, the pay date is set to the first working day prior to the holiday.
